Dorm Girls:

College Girls Jadzia Rayne Hawke, 2013-10-11 When Kya and Lila meet for the first time in their college dorm they don't exactly get along. In fact they hate each other. Kya is an atheist and an out and proud lesbian. Lila on the other hand is a conservative Christian and the daughter of a renowned pastor. Lila is against everything Kya stands for and for a time the two try to make each other as miserable as possible. However when extreme circumstances cause Kya's life to turn completely upside down Lila realizes that Kya has no one to turn to and completely changes her attitude. She soon becomes Kya's best friend and they get along great for awhile. When Lila can't make sense of the feelings she's having for Kya she pushes Kya away and the two take a dramatic and painful journey together that shows them the true value of friendship and the power of love.

College Girls Lynn Peril, 2013-12-16 The author of *Pink Think* takes on a twentieth century icon the college girl. A geek who wears glasses. Or a sex kitten in a teddy. This is the dual vision of the college girl the unique American archetype born when the age old conflict over educating women was finally laid to rest. College was a place where women found self esteem and yet images in popular culture reflected a lingering distrust of the educated woman. Thus such lofty cultural expressions as *Sex Kittens Go to College* 1960 and a raft of naughty pictorials in men's magazines. As in *Pink Think* Lynn Peril combines women's history and popular culture peppered with delightful examples of femorabilia from the turn of the twentieth century through the 1970s in an intelligent and witty study of the college girl the first woman to take that socially controversial step toward educational equity. **College 101: A Girl's Guide to Freshman Year** Julie Zeilinger, Anna Koppelman, 2024-06-03

Home Is Where My People Are Sophie Hudson,2015-01-16 All roads lead to home It s easy to go through life believing that we can satisfy our longing for

home with a three bedroom two bath slice of the American dream that we mortgage at 4 percent and pay for over the course of thirty years But ultimately in our deepest places we re really looking to belong and to be known And what we sometimes miss in our search for the perfect spot to set up camp is that wherever we are on the long and winding road of life God is at work in the journey teaching us shaping us and refining us sometimes through the most unlikely people and circumstances In Home Is Where My People Are Sophie Hudson takes readers on a delightfully quirky journey through the South introducing them to an unforgettable cast of characters places and experiences Along the way she reflects on how God has used each of the stops along the road to impart timeless spiritual wisdom and truth Nobody embodies the South like Sophie Hudson and this nostalgic celebration of home is sure to make even those north of the Mason Dixon line long to settle in on the front porch with a glass of sweet tea and reflect on all of the people in our lives who related or not have come to represent home Because at the end of the day it s not the address on the front door or even the name on the mailbox that says home but the people who live and laugh and love there wherever there might happen to be **Ghosts across Kentucky** William

Montell,2010-09-12 Lynwood Montell has collected ghost tales all over the state of Kentucky from coal mining settlements to river landings from highways to battlefields He presents these suspense filled stories just as he first heard or read them as bona fide personal experiences or as events witnessed by family members or friends There are over 250 stories in Ghosts across Kentucky that are set in specific places and times They include tales of graveyards haunted dormitories animal ghosts and vanishing hitchhikers Montell describes weird lights unexplained sounds felt presences and disappearing apparitions Phantom workmen fallen soldiers young lovers and executed criminals appear in these pages along with the living who chance upon them Though the focus is on the stories themselves Montell also includes a chapter explaining our fascination with the supernatural and the deep truths these storytelling traditions reveal about our lives and our pasts William Lynwood Montell emeritus professor of folk studies at Western Kentucky University is the author of several books including Killings
