Dorset County Companion:

Dod's Parliamentary Companion ,1890 *Dod's Parliamentary Companion* ,1908 *The United Counties Miscellany; a Magazine for Somerset, Dorset, and Devon. ...* ,1849 *The Oxford History of Classical Reception in English Literature* David Hopkins,Charles Martindale,Norman Vance,Rita Copeland,Patrick Cheney,Jennifer Wallace,Philip R. Hardie,2012 The Oxford History of Classical Reception OHCREL is designed to offer a comprehensive investigation of the numerous and diverse ways in which literary texts of the classical world have stimulated responses and refashioning by English writers Covering the full range of English literature from the early Middle Ages to the present day OHCREL both synthesizes existing scholarship and presents cutting edge new research employing an international team of expert contributors for each of the five volumes OHCREL endeavours to interrogate rather than inertly reiterate conventional assumptions about literary periods the processes of canon formation and the relations between literary and non literary discourse It conceives of reception as a complex process of dialogic exchange and rather than offering large cultural generalizations it engages in close critical analysis of literary texts It explores in detail the ways in which English writers engagement with classical literature casts as much light on the classical originals as it does on the English writers own cultural context This fourth volume and second to appear in the series covers the years 1790 1880 and explores romantic and Victorian receptions of the classics Noting the changing fortunes of particular classical authors and the influence of developments in archaeology aesthetics and education it traces the interplay between classical and nineteenth century perceptions of gender class religion and the politics of republic and empire in chapters engaging with many of the major writers of this period *Archaeologia Cambrensis* ,1873 **A Date with the Two Cerne Giants** Michael J. Allen,2024-10-15 The date of the Cerne Giant has long been a matter for debate as exemplified by a public and televised debate of March 1996 published as *The Cerne Giant An Antiquity on Trial* 1999 Oxbow Books Excavations were conducted in 2020 by the National Trust in the centenary year of its ownership of the Giant The excavations were limited and targeted in extent and scope the aim was to date the actual construction of the iconic figure by absolute dating methods OSL As the 1999 publication explained the jury was still out with advocates for a prehistoric origin one connected to the period of the Civil War or a more modern one In the event the dates were a complete surprise falling within the Anglo Saxon period The research has provided an accurate scientifically verified date for the Cerne Giant These unexpected results together with the land use history and ominous disappearance of the Giant for six centuries provide the platform for reconsideration and new discussion and debate Part 1 deals with new research the historical background and aims the excavation results stratigraphic finds geoarchaeological interpretation land use history environmental land snails and discussion Part 2 is the wider discussion and implications derived from the results and places the Giant in his local and Saxon context Part 3 begins with summaries of the other two excavated hill figures the Long Man of Wilmington and the Uffington White Horse followed by a series of essays from leading archaeologists historians and experts

in early medieval iconography **Debrett's Peerage, Baronetage, Knightage, and Companionage** ,1888 Wives and Daughters Joanna Martin,2004-07-16 Told through the stories journals and personal letters of the women of the powerful Fox family Wives and Daughters is a window into the daily lives and experiences of women of eighteenth century aristocratic society and the country houses that symbolized the power and taste of eighteenth century Britain Combining personality with historical setting and detail Joanna Martin traces the lives of fifteen individual women in their four country houses through several generations in society and at home Taking an intimate and personal look at courtship marriage childbirth education houses and gardens reading hobbies travel and health this book is an engrossing account of woman s lives in this fascinating time

Exploring the Lives of Victorian England's Prostitutes Claire Richardson,2024-08-30 As dangerous as if she stood on the corner of the street exploding gunpowder This was the view of Miles a correspondent in the Bedfordshire Mercury writing about the dangerousness of prostitutes in 1874 They were considered a scourge by the Victorians a menace to society and a threat to the moral and physical wellbeing of a nation Carrying disease committing crime corrupting others prostitutes were the most feared social evil These women were the focus of controlling and invasive legislation designed to clear the streets They were imprisoned and removed from their friends and family They were scorned and shamed and deemed worthless by much of society The contemporary view of prostitution in the nineteenth century is colored by years of Ripperology a grim fascination with the lives of a few mutilated women living in London However prostitutes were far more than caricatures of sinners or inevitable victims and lived in every other part of England too Searching through the plethora of newspaper census police and local history records it is now possible to uncover the lives of prostitutes in greater detail than ever before and discover the real women behind the stereotypes Piecing together these women s movements from cradle to grave and from one side of the country to another builds a rich picture of what it meant to be a prostitute including the lives of prostitutes living in small towns villages and islands that have all been previously over looked This book explores the lives of the women who were omitted from the genteel history books of the past aiming to identify what they looked like what life was like for them and who the important people in their lives were It also looks in depth at the lives of a select few prostitutes examining what drew them into prostitution and what happened to them afterwards From Whitehaven to North Shields from Peterborough to Bloomsbury via Paris these women led extraordinary richly textured lives that are still relevant today and that we can continue to learn so much from The perfect introduction to Victorian prostitutes for family and local historians genealogists and students of the Victorian era *Debrett's Peerage, Baronetage, Knightage, and Companionage* ,1902 **Armorial Families** Arthur Charles Fox-Davies,1899 **The Freemason's Chronicle** ,1891 **Dictionary of Real People and Places in Fiction** M.C. Rintoul,2014-03-05 Fascinating and comprehensive in scope the Dictionary of Real People and Places in Fiction is a valuable source for both students and teachers of literature and for those interested in locating the facts behind the fiction they read In a single scholarly volume it provides intriguing insight into the real identity

of people and places in the novels of over 300 American and British authors published in the nineteenth and twentieth centuries *Thomas Hardy's 'Facts' Notebook* William Greenslade, 2017-07-05 Within weeks of Thomas Hardy's return to his native Dorchester in June 1883 he began to compile his Facts notebook which he kept up throughout the years when he was writing some of his major work *The Mayor of Casterbridge* *The Woodlanders* *Tess of the d'Urbervilles* and *Jude the Obscure* From his intensive study of the Dorset County Chronicle for 1826-1830 he noted and summarised into Facts with the help of his first wife Emma hundreds of reports many of them suggestive satires of circumstance for possible use in his fiction and poems Along with extensive reading in memoirs and local histories this immersion in the files of the old newspaper involved him in a wider experience the recovery and recognition of the unstable culture of the local past in the post Napoleonic war years before his birth in 1840 and before the impact of the modernising of the Victorian era Facts is thus a unique document amongst Hardy's private writings and is here for the first time edited the text transcribed in typographical facsimile form together with substantial annotation of the entries and critical and textual introductions

Notes & Queries for Somerset and Dorset, 1905 *The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry*, 1908 *Alumni Cantabrigienses* John Venn, John Archibald Venn, 2011-09-15 Detailed and comprehensive the second volume of the Venns directory in six parts includes all known alumni until 1900 **Serials in the British Library** British Library. Bibliographic Services Division, 2005 *Calling This Place Home* Joan M. Jensen, Professor Joan M Jensen, 2009-08 Swedish domestic worker Emina Johnson witnessed the great Peshtigo fire in 1871 Cherokee nurse Isabella Wolfe served the Lac du Flambeau reservation for decades the author's own grandmother Matilda Schopp was one of numerous immigrants who eked out a living on the Wisconsin cutover *Calling This Place Home* tells the stories of these and many other Native and settler women during Wisconsin's frontier era Noted historian Joan M Jensen spent more than a decade delving into the lives of a remarkable range of women who lived during the mid nineteenth through the early twentieth century's These individuals shared many struggles as economies evolved from logging to dairying to tourism Facing many challenges they cared for their sick educated their children maintained their cultural identity and preserved their own means of worship Entwining the experiences of Native and settler communities Jensen uses photographs and documents to examine and illustrate the recovered stories of representative but often overlooked women This comprehensive volume brings a deeper understanding of the state's history through the stories of individual women and the broader developments that shaped their lives **Exhibiting Craft and Design** Alla Myzelev, 2017-06-14 *Exhibiting Craft and Design Transgressing the White Cube Paradigm* investigates the firmly established manner in which craft and design have typically been presented by museums and galleries what strategies curators have employed throughout the twentieth century and especially in more recent years how exhibiting design and craft objects challenges the notion of the modernist White Cube display paradigm
