Circle City's essential chronicle and guide, an indispensable authority on what's new and what's news. Through coverage of politics, crime, dining, style, business, sports, and arts and entertainment, each issue offers compelling narrative stories and lively, urbane coverage of Indy's cultural landscape. *The Weekly Underwriter and the Insurance Press*, 1927

Two For Joy - The true story of one family's journey to happiness with severely disabled twins James Melville-Ross, 2016-06-02

Two for Joy is the heart-warming true story of disabled twins Thomas and Alice and their desperate fight for life after being born four months prematurely. James Melville-Ross, their father, tells of how the twins not only survived despite being given the last rites as babies but also thrived. From the dramatic first few months of the twins' lives when Alice suffered a heart attack when only a day old and Thomas's lungs filled with blood leaving him only twenty minutes away from death, Two for Joy reveals the path that James and his wife Georgie have followed as parents to two severely disabled children. After the initial anger came the sheer hard work, the sleepless nights, the hospital dashes, the curious stares, and unwelcome comment from strangers. But slowly came acceptance and eventually celebration of the joy that the medical marvels Thomas and Alice, now happy and energetic ten-year-olds, have brought to their lives. Finally, they understood that disability might have turned their world upside down, but that it has also provided rewards beyond anything they could have imagined. This story is for any parent experiencing the shock of having extremely premature babies or coming to terms with having a child diagnosed with a disability. More than that, this story will change people's attitudes to disability and show that love and true happiness can be found in even the most challenging of circumstances.

At the Double Rosemary Tozer, 1999-01-01. This revealing book is based on the findings of a qualitative study of 24 families in which parents cared for two or more severely disabled children. Important reading for those working with families and disability.

Yeah, reviewing a books **Double Blessing An Intimate Story Of Raising Two Severely Disabled Children** could add your close links listings. This is just one of the solutions for you to be successful. As understood, realization does not suggest that you have astounding points.
