Aflatoxin in Maize M. S. Zuber,1987 *Reports on Illinois Prehistory* Illinois Archaeological Survey,1961 **Hybrid Modeling and Simulation** Masoud Fakhimi,Navonil Mustafee,2024-08-23 The unique book advances understanding of modelling complex systems using hybrid approaches that combine discrete event agent based and system dynamic simulations with research approaches and artefacts from other scientific disciplines As systems become increasingly large and complex it is a challenge to capture the intricacies of the underlying system and offer novel forms of analysis using only models that employ a single simulation technique The book underscores the importance of both hybrid simulation employing

techniques primarily developed in the field of modelling and simulation and hybrid modelling incorporating simulation with methods from wider disciplines such as applied computing data science engineering and soft qualitative operations research Furthermore the text aims to inspire further research and practice fostering the growth of cross disciplinary hybrid models Topics and features Provides a comprehensive overview of hybrid modelling and simulation including methodological extensions and novel applications Features case studies and examples demonstrating the synergy realized by applying hybrid methods Calls for innovation and growth of the discipline by incorporating diverse scientific perspectives Encourages adoption of interdisciplinary methods to engender improved insights from simulation studies Promotes interdisciplinary collaboration pushing modelling and simulation into new research and application areas This comprehensive volume will appeal to researchers academics students and practitioners who seek to advance their modelling and simulation work The book also will serve as a reference informing research communities of the potential of hybrid models that combine simulation with disciplinary research artefacts methods and approaches

Deceptions and Doublecross Morey Holzman,Joseph Nieforth,2002-10-01 Hockey lovers will be fascinated by the truth about how the National Hockey League was founded and how through less than savory means it captured permanent possession of the Stanley Cup Deceptions and Doublecross begins with the 1917 conspiracy among a Montreal contingent of the National Hockey Association to oust Toronto owner Edward James Livingstone from the league The result was the transformation of the NHA into the NHL with Frank Calder as president leaving Livingstone out in the cold Under Calder s iron fisted direction the NHL became the only major hockey league in North America and gained exclusive claim to the Stanley Cup
