"ELLERY QUEEN IS THE AMERICAN DETECTIVE STORY"
THE NEW YORK TIMES

ELLERY QUEEN

DOUBLE, DOUBLE

In a small town,
murder rarely has reason or rhyme.
Until everyone's dead,
and now it's Ellery's time...

Double Ellery Queen

Ellery Queen

Double Ellery Queen:

Ellery Queen double dozed Ellery Queen,1964 **Double, Double** Ellery Queen,1950 **Double Dozen** Ellery Queen,1964 Double, Double Ellery Queen,1975-03-01 *Ellery Queen* Anthony Boucher,1951 *Double Trouble* Sheldon Jaffery,1992-01-01 It was the 1950s in postwar America and paperback books were the hot new product in the publishing industry Of course to stand out from the crowd and sell one needed a gimmick Into this newly exuberant market came a publishing house named Ace Books with the seductive promise of two books for the price of one It also had the eye catching premise of two separate covers joined at the spine like Siamese twins Finished with one book Flip the paperback over and begin again with a new novel complete with its own package It was something completely different and it sold Double Trouble tours the short yet popular era of the Ace Mystery Doubles and includes both author title and title indexes for easy reference **Secrets from the Agatha Christie Archives** Jared Cade,2025-02-05 The untold story of how Agatha Christie conquered the serial market with her thrilling mysteries Dame Agatha Christie reigns supreme as the Queen of Crime Numerous books have been written about the legendary crime writer focusing on nearly every aspect of her craft But until now no one has carried out an in depth investigation into how she conquered the serial market with her thrilling tales of murder and intrigue In the UK and US Agatha Christie s work was serialized in the most prestigious magazines and newspapers of the day often under an array of different titles prior to being published by Collins and Dodd Mead and Company Second serial rights could result in a single title being syndicated to over 40 newspapers Over the decades numerous records have been lost or destroyed and keeping track of her literary legacy has proved a major challenge for her publishers literary agents and others until now Jared Cade author of the ground breaking biography Agatha Christie and the Eleven Missing Days has unearthed a huge plethora of hitherto unknown facts about the timeline of her publishing history that will delight her devotees and enable future generations to write about her work with far greater authority and accuracy than ever before especially when correlating her publications to the parallels in her life Illustrated with rare pictures Secrets from the Agatha Christie Archives is destined to become an essential reference tool for fans librarians scholars antiquarian booksellers broadcasters and others interested in the making of one of the 20th century s most beloved writers Jared Cade is an acknowledged authority on Christianna Crime Time **The Kirkus Service** ,1948 **Ellery Queen's Double Dozen** Ellery Queen,1964 *Mystery Fanfare* Michael L. Cook,1983 This work is a composite index of the complete runs of all mystery and detective fan magazines that have been published through 1981 Added to it are indexes of many magazines of related nature This includes magazines that are primarily oriented to boys book collecting the paperbacks and the pulp magazine hero characters since these all have a place in the mystery and detective genre **American Small-Town Fiction, 1940-1960** Nathanael T. Booth,2019-01-10 In literature and popular culture small town America is often idealized as distilling the national spirit Does the myth of the small town conceal deep seated reactionary tendencies or does it contain

the basis of a national re imagining During the period between 1940 and 1960 America underwent a great shift in self mythologizing that can be charted through representations of small towns Authors like Henry Bellamann and Grace Metalious continued the tradition of Sherwood Anderson in showing the small town by extension America itself profoundly warping the souls of its citizens Meanwhile Ray Bradbury Toshio Mori and Ross Lockridge Jr sought to identify the small town s potential for growth away from the shadows cast by World War II toward a more inclusive democratic future Examined together these works are key to understanding how mid 20th century America refashioned itself in light of a new postwar order and how the literary small town both obscures and reveals contradictions at the heart of the American experience *Argosy for Men* ,1953 **Doubling and Incest / Repetition and Revenge** John T. Irwin,1996-04-09 When it was first published *Doubling and Incest Repetition and Revenge* proved to be a seminal work in the psychoanalytic study of Faulkner s fiction especially of *The Sound and the Fury* and *Absalom Absalom* This softcover reissue of John Irwin s masterful exposition unwinds the mystery of unconscious desire and doubling that inform the novels Twentieth Century Crime & Mystery Writers NA NA,2015-12-25 *Hardboiled in Hollywood* David E. Wilt,1991 Covers the film careers of five screenwriters who were crime and mystery writers for the famous Black mask pulp magazine Also shows how these five writers applied their pulp writing expertise to the movies *Double Dozen* Ellery Queen,1964 *The Mystery to a Solution* John T. Irwin,1994 Irwin mirrors the aesthetic impact of the genre by creating in his study the dynamics of a detective story the uncovering of mysteries the accumulation of evidence the tracing of clues and the final solution that ties it all together Cops and Constables Earl F. Bargainnier,George N. Dove,1986 This brief introduction to fictional police cannot cover all the aspects of their nature but it does indicate some of the principal elements which appear again and again the diversity within the convention and significant similarities and differences between the American and British varieties The thirteen essays in this volume provide extended and specific illustrations of ways in which the authors present police and their investigations of crimes **American Mystery and Detective Novels** Larry Landrum,1999-05-30 Mystery and detective novels are popular fictional genres within Western literature As such they provide a wealth of information about popular art and culture When the genre develops within various cultures it adopts and proceeds to dominate native expressions and imagery American mystery and detective novels appeared in the late nineteenth century This reference provides a selective guide to the important criticism of American mystery and detective novels and presents general features of the genre and its historical development over the past two centuries Critical approaches covered in the volume include story as game images myth criticism formalism and structuralism psychonalysis Marxism and more Comparisons with related genres such as gothic suspense gangster and postmodern novels illustrate similarities and differences important to the understanding of the unique components of mystery and detective fiction The guide is divided into five major sections a brief history related genres criticism authors and reference This organization accounts for the literary history and types of novels stemming from the

mystery and detective genre A chronology provides a helpful overview of the development and transformation of the genre

Who Was Who on TV Norman Chance, 2010-12-23 The information herein was accumulated of fifty some odd years The collection process started when TV first came out and continued until today The books are in alphabetical order and cover shows from the 1940s to 2010 The author has added a brief explanation of each show and then listed all the characters who played the roles and for the most part the year or years the actor or actress played that role Also included are most of the people who created the shows the producers directors and the writers of the shows These books are a great source of trivia information and for most of the older folk will bring back some very fond memories I know a lot of times we think back and say Who was the guy that played such and such a role Enjoy

The Enigmatic Realm of **Double Ellery Queen**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Double Ellery Queen** a literary masterpiece penned with a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.
