Double Life Of Stephen Crane

David L. Larsen

Double Life Of Stephen Crane:

The Double Life of Stephen Crane Christopher E. G. Benfey, 1992 The first reassessment in over 25 years of one of the most brilliant and fascinating figures in American literature the novelist journalist who was born in 1871 six years after the end of the war he memorialized in his universally acclaimed *The Red Badge of Courage* and who died of tuberculosis at 28 26 illustrations

Stephen Crane Harold Bloom, 2007 Stephen Crane is widely recognized as a master of literary naturalism His best known works include the classic novel *The Red Badge of Courage* the short stories *The Open Boat* *The Bride Comes to Yellow Sky* and *The Blue Hotel* and some of the nineteenth century's most innovative lyric poems The essays gathered in this updated volume offer a wealth of critical information and analysis that speaks to Crane's relevance and far ranging influence Book jacket

Stephen Crane's Literary Family Thomas A. Gullason, 2002-03-01 Stephen Crane was a prodigious American author whose bohemian ways seemed to contradict his conscientious upbringing Drawing on little known and unpublished documents by Crane's father mother and sister and preeminent scholar Thomas A Gullason shows how their vitality and versatility galvanized Crane's imagination spurred his literary career and affected his lifestyle The Cranes emerge as a spirited and serious lot who were passionately concerned with social and cultural issues of the day Newly discovered papers from reflections on the Civil War to a funeral oration for Lincoln paint Crane's pastor father as a man of sardonic wit whose obsession with alcohol would be mirrored in his son's work Crane's mother is revealed to have had an eye for politics and an ear for dialogue that would vastly inform Crane's masterpiece *The Red Badge of Courage* His sister Agnes rounds out the portrait with recently recovered stories and poems Replete with rare works and keen insights this edition is a crucial reference for students of nineteenth century American literature and devotees of Stephen Crane A

Spectacular Secret Jacqueline Goldsby, 2020-09-15 This incisive study takes on one of the grimmest secrets in America's national life the history of lynching and more generally the public punishment of African Americans Jacqueline Goldsby shows that lynching cannot be explained away as a phenomenon peculiar to the South or as the perverse culmination of racist politics Rather lynching a highly visible form of social violence that has historically been shrouded in secrecy was in fact a fundamental part of the national consciousness whose cultural logic played a pivotal role in the making of American modernity To pursue this argument Goldsby traces lynching's history by taking up select mob murders and studying them together with key literary works She focuses on three prominent authors Ida B Wells Barnett Stephen Crane and James Weldon Johnson and shows how their own encounters with lynching influenced their analyses of it She also examines a recently assembled archive of evidence lynching photographs to show how photography structured the nation's perception of lynching violence before World War I Finally Goldsby considers the way lynching persisted into the twentieth century discussing the lynching of Emmett Till in 1955 and the ballad elegies of Gwendolyn Brooks to which his murder gave rise An empathic and perceptive work *A Spectacular Secret* will make an important contribution to the study of American history and

literature **How the Other Half Looks** Sara Blair, 2020-07-14 New York City's Lower East Side long viewed as the space of what Jacob Riis notoriously called the other half was also a crucible for experimentation in photography film literature and visual technologies This book takes an unprecedented look at the practices of observation that emerged from this critical site of encounter showing how they have informed literary and everyday narratives of America its citizens and its possible futures Taking readers from the mid nineteenth century to the present Sara Blair traces the career of the Lower East Side as a place where image makers writers and social reformers tested new techniques for apprehending America and their subjects looked back confronting the means used to represent them This dynamic shaped the birth of American photojournalism the writings of Stephen Crane and Abraham Cahan and the forms of early cinema During the 1930s the emptying ghetto opened contested views of the modern city animating the work of such writers and photographers as Henry Roth Walker Evans and Ben Shahn After World War II the Lower East Side became a key resource for imagining poetic revolution as in the work of Allen Ginsberg and LeRoi Jones and exploring dystopian futures from Cold War atomic strikes to the death of print culture and the threat of climate change How the Other Half Looks reveals how the Lower East Side has inspired new ways of looking and looking back that have shaped literary and popular expression as well as American modernity **A Lynching at Port Jervis** Philip Dray, 2025-10-16 An account of a lynching that took place in New York in 1892 forcing the North to reckon with its own racism On June 2 1892 in the small idyllic village of Port Jervis New York a young Black man named Robert Lewis was lynched by a violent mob The twenty eight year old victim had been accused of sexually assaulting Lena McMahon the daughter of one of the town's well liked Irish American families The incident was infamous at once for it was seen as a portent that lynching a Southern scourge surging uncontrollably below the Mason Dixon Line was about to extend its tendrils northward What factors prompted such a spasm of racial violence in a relatively prosperous industrious upstate New York town attracting the scrutiny of the Black journalist Ida B Wells just then beginning her courageous anti lynching crusade What meaning did the country assign to it And what did the incident portend Today it's a terrible truth that the assault on the lives of Black Americans is neither a regional nor a temporary feature but a national crisis There are regular reports of a Black person killed by police and Jim Crow has found new purpose in describing the harsh conditions of life for the formerly incarcerated as well as in large scale efforts to make voting inaccessible to Black people and other minority citizens The mobocratic spirit that drove the 2021 attack on the U S Capitol a phrase Abraham Lincoln used as early as 1838 to describe vigilantism's corrosive effect on America frightfully insinuates that mob violence is a viable means of effecting political change These issues remain as deserving of our concern now as they did a hundred and thirty years ago when America turned its gaze to Port Jervis An alleged crime a lynching a misbegotten attempt at an official inquiry and a past unresolved In A Lynching at Port Jervis the acclaimed historian Philip Dray revisits this time and place to consider its significance in our communal history and to show how justice cannot be achieved without an honest reckoning **Class Unknown** Mark

Pittenger,2012-08-13 How well meaning intellectuals helped develop our understanding of the American underclass Since the Gilded Age social scientists middle class reformers and writers have left the comforts of their offices to pass as steel workers coal miners assembly line laborers waitresses hoboes and other working and poor people in an attempt to gain a fuller and more authentic understanding of the lives of the working class and the poor In this first sweeping study of undercover investigations of work and poverty in America award winning historian Mark Pittenger examines how intellectuals were shaped by their experiences with the poor and how despite their sympathy toward working class people they unintentionally helped to develop the contemporary concept of a degraded and other American underclass While contributing to our understanding of the history of American social thought **Class Unknown** offers a new perspective on contemporary debates over how we understand and represent our own society and its class divisions

Sherlock Holmes and the Baron of Brede Place Daniel D. Victor,2015-07-21 They called her Lady Stewart when she was married to a British aristocrat They called her Miss Cora when she ran a brothel in Florida But she called herself Mrs Crane when she asked Sherlock Holmes to locate her common law husband writer Stephen Crane who d gone missing in Cuba during the Spanish American War In their attempt to fulfil the lady s request Holmes and Watson encounter a world of celebrity authors terrorist bombings and haunted manor houses But it is only when Stephen Crane falls victim to a notorious blackmailer that the master detective and his partner find themselves face to face with cold blooded murder Under darkened skies a solitary apparition stood brightly illuminated on the ship s gloomy deck Or so it seemed Cloaked in a long white raincoat the same gleaming duster he d worn in the face of Spanish gunfire at San Juan Heights Stephen Crane looked for all the world like the ghost so many people thought he d already become

A Companion to American Fiction, 1865 - 1914 Robert Paul Lamb,G. R. Thompson,2008-04-15 A Companion to American Fiction 1865 1914 is a groundbreaking collection of essays written by leading critics for a wide audience of scholars students and interested general readers An exceptionally broad ranging and accessible Companion to the study of American fiction of the post civil war period and the early twentieth century Brings together 29 essays by top scholars each of which presents a synthesis of the best research and offers an original perspective Divided into sections on historical traditions and genres contexts and themes and major authors Covers a mixture of canonical and the non canonical themes authors literatures and critical approaches Explores innovative topics such as ecological literature and ecocriticism children s literature and the influence of Darwin on fiction

Fourth of July, Asbury Park Daniel Wolff,2021-11-24 This revised and expanded edition of Daniel Wolff s classic study of Asbury Park New Jersey tells the tale of the city s first 150 years guiding us through the development of its lavish amusement parks and bandstands the decay of its working class neighborhoods the spread of its racially segregated ghettos and the effects of recent gentrification

The Company of the Creative David L. Larsen, Great works and authors of the world are introduced and reviewed artistically intellectually and theologically Persons discussed include Plato Milton Dickens

Shakespeare Charlotte Bronte Mark Twain and C S Lewis WLA ,1999 *Cuba's Wild East* Peter Hulme,2011-11-07 Cuba's Wild East A Literary Geography of Oriente recounts a literary history of modern Cuba that has four distinctive and interrelated characteristics Oriented to the east of the island it looks askant at a Cuban national literature that has sometimes been indistinguishable from a history of Havana Given the insurgent and revolutionary history of that eastern region it recounts stories of rebellion heroism and sacrifice Intimately related to places and sites which now belong to a national pantheon its corpus while including fiction and poetry is frequently written as memoir and testimony As a region of encounter that corpus is itself resolutely mixed featuring a significant proportion of writings by US journalists and novelists as well as by Cuban writers *Strange Talk* Gavin Jones,1999-10-19 Late nineteenth century America was crazy about dialect vernacular varieties of American English entertained mass audiences in local color stories in realist novels and in poems and plays But dialect was also at the heart of anxious debates about the moral degeneration of urban life the ethnic impact of foreign immigration the black presence in white society and the female influence on masculine authority Celebrations of the rustic raciness in American vernacular were undercut by fears that dialect was a force of cultural dissolution with the power to contaminate the dominant language In this volume Gavin Jones explores the aesthetic politics of this neglected cult of the vernacular in little known regionalists such as George Washington Cable in the canonical work of Mark Twain Henry James Herman Melville and Stephen Crane and in the ethnic writing of Abraham Cahan and Paul Laurence Dunbar He reveals the origins of a trend that deepened in subsequent literature the use of minority dialect to formulate a political response to racial oppression and to enrich diverse depictions of a multicultural nation Florida Disasters E. Lynne Wright,2017-05-01 Facing Unimaginable Events With Courage It's only human to be fascinated by disasters and uplifted by reports of survival in the face of overwhelming circumstances This book takes you back to Florida's most catastrophic events vividly re-creating the moments that changed the state forever The twenty five true stories presented here are a chilling reminder to expect the unexpected From the Great Citrus Freeze of 1895 and tidal wave of 1935 to the Apollo fire of 1967 and Challenger disaster of 1986 Florida has been the site of some of the nation's most dramatic moments Each account in this book reveals not only the circumstances surrounding the disaster and the magnitude of the devastation but also the courage and ingenuity displayed by those who survived and the heroism of those who helped others often risking their own lives in rescue efforts **Slumming in New York** Robert M. Dowling,2007 This remarkable exploration of the underbelly of New York City life from 1880 to 1930 takes readers through the city's inexhaustible variety of distinctive neighborhood cultures Slumming in New York shows how the city's rich and poor foreign born and native born competed for a voice from such diverse vantage points as the East Side waterfront the Bowery the Tenderloin's black bohemia the Jewish Lower East Side and mythic Harlem Investigating a wide range of New York slumming narratives in which mainstream outsiders write about marginalized urban insiders Robert M Dowling shows how literary works

transformed moral threats into cultural treasures *The Gilded Age and Dawn of the Modern* Jeffrey H. Hacker, 2014-11-20
