**Queer Difficulty in Art and Poetry** Jongwoo Jeremy Kim, Christopher Reed, 2017-01-20 Augmenting recent developments in theories of gender and sexuality this anthology marks a compelling new phase in queer scholarship Navigating notions of silence misunderstanding pleasure and even affects of phobia in artworks and texts the essays in this volume propose new and surprising ways of understanding the difficulty even failure of the epistemology of the closet By treating queer not as an identity but as an activity this book represents a divergence from previous approaches associated with Lesbian and Gay Studies The authors in this anthology refute the interpretive ease of binaries such as out versus closeted and gay versus straight and recognize a more opaque relationship of identity to pleasure The essays range in focus from photography painting and film to poetry Biblical texts lesbian humor and even botany Evaluating the most recent critical theories and introducing them in close examinations of objects and texts this book queers the study of verse and visual culture in new and exciting ways *Double Exposures* Betty-Ann C. Wilkie, Carol L. Gabel, 1997 *Articulate Flesh* Gregory Woods, 1987-01-01 Discusses the themes of the male body war and homosexual love in poetry and analyzes the poetry of D H Lawrence Hart Crane W H Auden Allen Ginsberg and Thom Gunn **Lesbian and Gay Liberation in Canada** Donald Wilfred McLeod, 1996 This authoritative reference guide covers the first twelve years of the organized homophile gay liberation movement in Canada from 1964 when the Association for Social Knowledge ASK Canada's first large scale homophile organization was formed in Vancouver through 1975 the year of the founding of the National Gay Rights Coalition Coalition nationale pour les droits des homosexuels NGRC CNDH the first truly national coalition of Canadian lesbian and gay groups Each entry in the chronology is combined with a brief bibliography of sources Coverage is selective and focusses on self declared lesbians and gay men and their activities in regard to the forging of lesbian and gay communities and liberation in Canada Special attention has been given to important demonstrations political action and lobbying and legal reform In addition artistic and cultural contributions with significant lesbian or gay content are included such as books dramatic productions films etc Three appendices provide supplementary information on lesbian and gay organizations periodicals and bars and clubs **Queer Impressions** Elaine Pigeon, 2013-11-05 Beginning with The Portrait of a Lady this book shows how in developing his unique form of realism James highlights the tragic consequences of his American heroine's Romantic imagination in particular her Emersonian idealism In order to expose Emerson's blind spot a lacuna at the very centre of his New England Transcendentalism James draws on the Gothic effects of Nathaniel Hawthorne and Edgar Allan Poe thereby producing an intensification of Isabel Archer's psychological state and precipitating her awakening to a fuller heightened consciousness Thus Romanticism takes an aesthetic turn becoming distinctly Paterian and unleashing queer possibilities that are further developed in James's subsequent fiction This book follows the Paterian thread leading to The Author of Beltraffio and Thophile Gauthier and thereby establishing an important connection with French

culture Drawing on James s famous analogy between the art of fiction and the art of the painter the book explores a possible link to the Impressionist painters associated with the literary circle mile Zola dominated It then turns to A New England Winter a tale about an American Impressionist painter and finds traces leading back to James s initiation pr miere The book closes with an exploration of the possible sources of Kate Croy s unspeakable father in The Wings of the Dove and proposes a possible intertext one that provides direct insight into the Victorian closet *Super Gay Poems* Stephanie Burt,2025-04-01 Esteemed scholar poet and critic Stephanie Burt anthologizes five decades of verse for and by queer Americans Interpreted by Burt the poems of Frank O Hara Audre Lorde Judy Grahn James Merrill Thom Gunn Jackie Kay Adrienne Rich Chen Chen The Cyborg Jillian Weise and others trace a flourishing of queer life from Stonewall to today *American Poets in the 21st Century* Claudia Rankine,Lisa Sewell,2007-07-09 The ideal introduction to the current generation of American poets *International Who's Who in Poetry 2005* Europa Publications,2004 Provides up to date profiles on the careers of leading and emerging poets *The New Gay Liberation Book* Len Richmond,Gary Noguera,1979 *On the Line* Ian Young,1981 *Lavender Culture* Karla Jay,Allen Young,1979 ANTHOLOGY Excellent book though the definition of culture is that of sociologists rather than that of the arts Jim Kepner **Observations Made at the Royal Magnetic and Meteorological Observatory at Batavia** Indonesia. Djawatan Meteorologi dan Geofisik,1973 *New John Gill*,1973 *The Male Muse* Ian Young,1973 **International Who's Who in Poetry 2004** Europa Publications,2003 Provides up to date profiles on the careers of leading and emerging poets **Contemporary Poets** ,1985 **Queer Exposures** Ryan Long,2021-04-20 Roberto Bola o 1953 2003 stands out among recent Latin American writers because of his unique combination of critical acclaim popularity and literary significance Queer Exposures analyzes two central but understudied topics in Bola o s fiction and poetry sexuality and photography Moving beyond a consideration of how his texts represent these topics Ryan F Long demonstrates that when considered in tandem they form the basis for a new innovative and critical approach Emphasizing the processes of exposure associated with photography and sexuality especially queer sexuality provides readers and scholars with a versatile method for comprehending Bola o s constellation of texts With close readings of a broad range of texts from poetry written just after his arrival in Spain in the late 1970s to his posthumously published novels Queer Exposures concludes that an emphasis on sexuality and photography is essential for understanding how Bola o s texts function in dialogue with one another to elucidate and critique the interrelations of writing visual representation and power **The Regenerate Lyric** Elisa New,1993-05-28 Elisa New examines the poems in great detail offering searching readings and concluding finally that it is regeneracy rather than originality that is the American poet s modus operandi and native mandate *New* ,1972 *The Penguin Book of Homosexual Verse* Stephen Coote,1983
