Double Edged Diplomacy International Bargaining And Domestic Politics:

Double-edged Diplomacy Peter B. Evans, Harold Karan Jacobson, Robert D. Putnam, 1993 This original look at the dynamics of international relations untangles the vigorous interaction of domestic and international politics on subjects as diverse as nuclear disarmament human rights and trade An eminent group of political scientists demonstrates how international bargaining that reflects domestic political agendas can be undone when it ignores the influence of domestic constituencies The eleven studies in Double Edged Diplomacy provide a major step in furthering a more complete understanding of how politics between nations affects politics within nations and vice versa The result is a striking new paradigm for comprehending world events at a time when the global and the domestic are becoming ever more linked

Japan and North America: The postwar Ellis S. Krauss, Benjamin Nyblade, 2004 This collection makes available key articles on the Japan North American relationship from the Meiji era to the present Volume one focuses on the necessity of Japanese modernization post 1868 and examines the build up to the Japanese bombing of Pearl Harbour Volume two looks at the post war period in which US forces occupied Japan and were instrumental in its rebuilding as an economic superpower In the years following this Japan and North America enjoyed a close yet occasionally fraught relationship as competitors and allies Volume two also examines the cultural ramifications of the influence of North America on Japan and vice versa Titles also available in this series include Japan and South East Asia International Relations 2001 2 volumes 295 and the forthcoming title Japanese Linguistics 2005 3 volumes c 425

Two-Level Role Theory and EU Migration Magdalena Kozub-Karkut, 2024-12-02 Applying role theory and Putnam s two level game framework to the European migration crisis of 2015 Magdalena Kozub Karkut expertly shows how the Czech Republic Slovakia Hungary and Poland used the crisis to contest their roles in the European Union EU and how each country and the V4 as a group subsequently used their new contested roles in the bargaining process within the EU structures In doing so Kozub Karkut demonstrates how international negotiations might be used by the chief negotiators as a way of triggering contestation and enhancing their position at the domestic level as well as how role contestation processes from the domestic level might be used at the international one Two Level Role Theory and EU Migration is an excellent resource for scholars and students of Foreign Policy Analysis

Poland's EU Accession Sergiusz Trzeciak, 2018-01-12 This book examines the process of Poland s accession negotiations to the European Union between 1998 2003 An empirical study based on Robert Putnam s two level game model it charts the influence and role of key domestic actors and groups on the negotiations especially in three critical controversial areas areas where EU accession threatened to bring about a profound transformation to Polish life agriculture with particular emphasis on direct payments and production quotas the purchase of

real estate by foreigners and the free movement of labour This book demonstrates the complex interaction between the domestic and international level of negotiations and furthermore shows how critical this link can be to negotiation outcomes at the international level It reveals how susceptible Poland's negotiation process was to domestic pressure particularly public opinion and interest groups Drawing heavily on qualitative analysis such as press releases news wires policy documents as well as quantitative analyses such as the use of opinion polls and supported by in depth unrestricted interviews with key Polish decision makers this book examines the dynamics of policy formation in Poland and shows how this translated into the final conditions of accession

Explaining Foreign Policy in Post-Colonial Africa Stephen M. Magu, 2021-01-02 This book explores foreign policy developments in post colonial Africa A continental foreign policy is a tenuous proposition yet new African states emerged out of armed resistance and advocacy from regional allies such as the Bandung Conference and the League of Arab States Ghana was the first Sub Saharan African country to gain independence in 1957 Fourteen more countries gained independence in 1960 alone and by May 1963 when the Organisation of African Unity OAU was formed 30 countries were independent An early OAU committee was the African Liberation Committee ALC tasked to work in the Frontline States FLS to support independence in Southern Africa Pan Africanists in alliance with Brazzaville Casablanca and Monrovia groups approached continental unity differently and regionalism continued to be a major feature Africa's challenges were often magnified by the capitalist democratic versus communist socialist bloc rivalry but through Africa's use and leveraging of IGOs the UN UNDP UNECA GATT NIEO and others to advance development the formation of the African Economic Community OAU's evolution into the AU and other alliances belied collective actions even as Africa implemented decisions that required cooperation *uti possidetis* maintaining colonial borders containing secession intra and inter state conflicts rebellions and building RECs and a united Africa as envisioned by Pan Africanists worked better collectively

The Politics of Climate Change Negotiations Christian Downie, 2014-01-31 The Politics of Climate Change Negotiations describes the successes and failures of long international negotiations and most importantly examines the lessons they hold for the future Drawing on more than 100 interviews with climate change insiders in John F. Kennedy and the Politics of Arms Sales to Israel Abraham Ben-Zvi, 2012-12-06 This volume seeks to reconstruct the process by which the Kennedy

administration decided to sell to Israel Hawk surface to air missiles It argues that both domestic considerations and political calculations were part of a highly complex decision made by members of Washington's high policy elite
