Doublet Affair:

The Doublet Affair Fiona Buckley, 2006-11-07 Ursula knows it can be treacherous easing herself into the petty foibles at court but now having once saved the Virgin Queen from political disaster she faces an even greater challenge Some of Ursula's old acquaintances may be plotting to overthrow Elizabeth in favor of Mary Queen of Scots and the re establishment of the Catholic faith Ardent some would say fanatical believers will stop at nothing smuggling counterfeiting civil war perhaps murder to further their cause One of Elizabeth's spies is already dead and the clues to his death point in a troubling direction Most disturbing to Ursula is whether her old friends Ann and Leonard Mason could be mixed up in a treasonous plot against the Queen there have been rumors that all is not as it should be with the Masons Secretary of state Sir William Cecil needs his own spy in the Mason home and Ursula is the obvious choice

The Doublet Affair Fiona Buckley, 1999 When Ursula is kidnapped and another spy is killed she realizes she is a pawn in a treacherous plan that may ultimately involve murdering Queen Elizabeth

The Deliverer Ali Kings, 2019-01-04 Being a Deliverer of human souls is a very responsible job even if it has been thrust upon you against your will when all you'd wanted was a nice quiet suicide Obviously it's a job you should take seriously train for exhaustively and carry out meticulously And if you don't Well maybe you'll find yourself in an isolated shack in the middle of nowhere living a life of reclusive luxury with supplies that magically replenish themselves and only a cat for company Until one day you realise you should have paid just a bit more attention on arrival in the Transitional State perhaps even actually attended the training sessions because suddenly you're required to match a never ending flow of recycled souls to their new parents and you've absolutely no idea of how to do it And maybe you'll discover you're responsible for the Great Fire of London the birth of Hitler and the rise of Eva Lyam the white supremacist President of the USA who seduces her interviewer live on camera and threatens the world with all out nuclear war If that happens maybe you'll be given one last chance to prove yourself or face Eternal Damnation And then what will you do Well maybe you'll get dragged along on a voyage of self discovery which takes you through a bawdy seventeenth century play a glitzy 1930s cinema a hard right political rally in the American dust bowl and a re training programme where you learn sleight of hand and physical metamorphosis after being forced to watch footage of your five previous suicides And maybe you'll enlist the help of Death a dapper pinstriped suited individual with an ever present MacBook The Voice in Your Head a verbose and didactic mentor who just won't ever shut up and a courier named Nick an Ethereal Being who just happens to be a leather clad Harley riding hunk and the sexiest thing you've ever laid eyes on And as you break every rule in the book in a desperate attempt to SAVE THE WORLD maybe you'll find you've saved yourself in the process Narrated with a quick fire quirky humour this thought provoking and sometimes moving book explores fundamental contemporary issues around life after death mental health politics gender and enduring love
