Birmingham Glenn T. Eskew,2000-11-09 Birmingham served as the stage for some of the most dramatic and important moments in the history of the civil rights struggle In this vivid narrative account Glenn Eskew traces the evolution of nonviolent protest in the city focusing particularly on the sometimes problematic intersection of the local and national movements Eskew describes the changing face of Birmingham s civil rights campaign from the politics of accommodation practiced by the city s black bourgeoisie in the 1950s to local pastor Fred L Shuttlesworth s groundbreaking use of nonviolent direct action to challenge segregation during the late 1950s and early 1960s In 1963 the national movement in the person of Martin Luther King Jr turned to Birmingham The national uproar that followed on Police Commissioner Bull Connor s use of dogs and fire hoses against the demonstrators provided the impetus behind passage of the watershed Civil Rights Act of 1964 Paradoxically though the larger victory won in the streets of Birmingham did little for many of the city s black citizens argues Eskew The cancellation of protest marches before any clear cut gains had been made left Shuttlesworth

J. D. Weeks,1999 At the start of the 20th century Birmingham was one of the fastest growing cities in the South sometimes referred to as the Magic City It began as a town located at the intersection of two railroads and then quickly expanded and took in neighboring communities Around this time photographers traveled around the United States taking photographs of towns and cities and turning the photographs into postcards The postcards collected here show historic Birmingham s downtown hospitals parks communities schools hotels and industries These images serve as a record of everyday life in this bustling Southern city Rising Road Sharon Davies,2010-02-16 It was among the most notorious criminal cases of its day On August 11 1921 in Birmingham Alabama a Methodist minister named Edwin Stephenson shot and killed a Catholic priest James Coyle in broad daylight and in front of numerous witnesses The killer s motive The priest had married Stephenson s eighteen year old daughter Ruth to Pedro Gussman a Puerto Rican migrant and practicing Catholic Sharon Davies s Rising Road resurrects the murder of Father Coyle and the trial of his killer As Davies reveals with novelistic richness Stephenson s crime laid bare the most potent bigotries of the age a hatred not only of blacks but of Catholics and foreigners as well In one of the case s most unexpected turns the minister hired future U S Supreme Court Justice Hugo Black to lead his defense Though regarded later in life as a civil rights champion in 1921 Black was just months away from donning the robes of the Ku Klux Klan the secret order that financed Stephenson s defense Entering a plea of temporary insanity Black defended the minister on claims that the Catholics had robbed Ruth away from her true Protestant faith and that her Puerto Rican husband was actually black Placing the story in social and historical context Davies brings this heinous crime and its aftermath back to life in a brilliant and engrossing examination of the wages of prejudice and a trial that shook the nation at the height of Jim Crow Davies takes us deep into the dark heart of the Jim Crow South where she uncovers a searing story of love faith bigotry and violence Rising Road is a history so powerful so compelling it stays with you long after you ve finished its final page Kevin Boyle author of the National Book Award winning Arc of Justice This gripping history has all the makings of a Hollywood movie Drama aside Rising Road also happens to be a fine work of history History News Network **Distracted by Alabama** James Seay Brown,2022-04-12 Bestselling reflections on fifty years of interaction with the people places wildlife and folkways of Alabama by an Alabama writers and scholar The "Most Segregated City in America" Charles E. John F Kennedy saying in June 1963 when he invited black leaders to meet with him we would not be here today Birmingham is well known for its civil rights history particularly for the violent white on black bombings that occurred there in the 1960s resulting in the city's nickname Bombingham What is less well known about Birmingham's racial history however is the extent to which early city planning decisions influenced and prompted the city's civil rights protests The first book length work to analyze this connection The Most Segregated City in America City Planning and Civil Rights in Birmingham 1920 1980 uncovers the impact of Birmingham's urban planning decisions on its black communities and reveals how these decisions led directly to the civil rights movement Spanning over sixty years Charles E Connerly's study begins in the 1920s when Birmingham used urban planning as an excuse to implement racial zoning laws pointedly sidestepping the 1917 U S Supreme Court Buchanan v Warley decision that had struck down racial zoning The result of this obstruction was the South's longest standing racial zoning law which lasted from 1926 to 1951 when it was redeclared unconstitutional by the U S Supreme Court Despite the fact that African Americans constituted at least 38 percent of Birmingham's residents they faced drastic limitations to their freedom to choose where to live When in the 1940s they rebelled by attempting to purchase homes in off limit areas their efforts were labeled as a challenge to city planning resulting in government and court interventions that became violent More than fifty bombings ensued between 1947 and 1966 becoming nationally publicized only in 1963 when four black girls were killed in the bombing of the Sixteenth Street Baptist Church Connerly effectively uses Birmingham's history as an example to argue the importance of recognizing the link that exists between city planning and civil rights His demonstration of how Birmingham's race based planning legacy led to the confrontations that culminated in the city's struggle for civil rights provides a fresh lens on the history and future of urban planning and its relation to race
