

# Light And Shadow

Where there is light, there is shadow,  
A world inseparable,  
wax and wane with the flow of moments,  
Like waves in the open sea.

Where there is light, there is shadow,  
Each a beauty in it's own,  
Do not search a world of light without shadows!  
Try if you wish but you will not find it.  
When you love the light in a person,  
You also love the shadow in him,  
Like a full moon,  
It's beauty will manifest in the darkness of the night,  
and beautiful soft shadows thus formed by it's golden light.

**Narrative and Voice in Postwar Poetry** Neil Roberts, 2014-05-12 Poetry in English since the Second World War has produced a number of highly original narrative works as diverse as Derek Walcott s Omeros Ted Hughes Gaudete and Anne Stevenson s Correspondences At the same time poetry in general has been permeated by narrative features particularly those linguistic characteristics that Mikhail Bakhtin considered peculiar to the novel and which he termed dialogic This book examines the narrative and dialogic elements in the work of a range of poets from Britain

America Ireland Australia and the Caribbean including poetry from the immediate postwar years to the contemporary and novel like narratives to personal lyrics Its unifying theme is the way in which these poets with such contrasting styles and from such varied backgrounds respond to and creatively adapt the language worlds and hence the social worlds in which they live The volume includes a detailed bibliography to assist students in further study and will be a valuable resource to undergraduate and postgraduate students of contemporary poetry *American Book Publishing Record* ,2001
