An Earl In Time (a Regency Fairytale Romance)

Ruth Ann Nordin, Willow Knudson just inherited an English estate that she intends to sell There are two problems One she's unable to sign the contract and two she can't even leave the property She's not superstitious by nature but common sense tells her something strange is going on In 1817 Julian Azazel the Earl of Blackwell went to his country estate to tend to his father's funeral That evening a missive came from a stranger warning him that when the clock struck midnight he was going to be cursed to relive the same day He laughed it off and threw the missive in the fire Two centuries later he's no longer laughing The curse is real From before they were born Willow and Julian were destined to meet on June 17 1817 Willow had assumed wealthy and titled gentlemen would be snobs but Julian turns out to be the kindest person she's ever met And even better he's more attractive in person than he was in his portrait It's enough of a temptation to convince her to stay in the past forever At long last the aching loneliness that has plagued Julian's life for centuries is at an end Not only is there someone who understands what he has been going through but she's far lovelier than he recalls any of the ladies in London being But isn't it selfish to ask a lady from another time to give up everything to live under a curse with him The path to happy endings can get complicated especially when magic is involved This fairytale romance features a dark villain a curse fairies a hero who is an earl from the Regency era and a heroine from modern times People who enjoy Grimm's fairy tales and romance will enjoy this tale of true love conquering the darkest of curses Please note This is a standalone book It is not part of a series
