Dont Tell Dad:

Don't Tell Dad W. A. Frydrych, 2024-06-10 Josh Olsen is seventeen years old and a junior at Middletown High School in Florida. He seems to have everything a teenage boy would want. He is the son of a former professional football player, the star of the varsity football team and soccer team, is offered full scholarships by colleges from around the country ready to play either football or soccer, has a beautiful girlfriend, and above all has a strong Christian belief. Josh just has one very big problem: his dad, Matt Olsen. Matt is extremely controlling, especially when it comes to Josh's future, and he is also well known around town as an atheist. Matt has already had prayers before school sporting events banned and is now focused on having all religious clubs banned from all the schools in the district. Follow Josh as he struggles to make his dream of playing soccer in college become a reality while at the same time keeping his Christianity a secret from his dad and also how a small present from Josh's girlfriend has a big impact on so many people's lives.

I Was That Child

Charles Conley, 2012-03 *Goodnight, Cinderella* Richard Posner, 2014-03-03 Kimber Delaney is the seventeen-year-old flaky and endearing editor of the Westfield High School literary magazine. Her wealthy, handsome, two-faced boyfriend, Lou, is giving her nothing but grief while her pot-smoking brother and sulking father are driving her crazy. Troubles are contagious during this senior year at Westfield High, and all of Kimber's friends are afflicted. Fickle Deena misses her collegiate boyfriend, Phil, madly and constantly pines for him. Bodacious Martha gets into more trouble than she can handle and has to be rescued by Lou, Mr. Suave, and Heroic. Meanwhile, Jason has a fervent and not-so-secret crush on Kimber, and anyone else who looks his way. All this makes for a great state of social and romantic upheaval. New beaux, old flames, and straying loves all add to the intrigue. As the Senior Prom approaches, the lives of Kimber and her friends turn into a complicated web of love, jealousy, loyalty, betrayal, and confusion. On prom night, all is chaos: dates break up, fights break out. But later in the night, at a reunion on the beach, Kimber and her friends all reach important conclusions on life and love, vowing to put romantic conflicts in perspective and value their friendship and youth while they can.

Sabbatical Ed Murfin, 2004-06 This is a collection of

essays and short stories accumulated during the 80's and 90's, all loosely connected via a continuous narrative. This is an

introduction to a reality that few have time to see while busy with creation of their own This is a book for intelligent adults who are not afraid of challenging ideas and who insist on the right to think for themselves The collection is a worm s eye view of British society at the bottom The narrative is blunt and uncompromising takes a wry bitter but often humorous look at many absurdities in the way we conduct our affairs and is more illuminating of humanity in its gloomlight descriptives than the clinically bright light of academic studies by Oxbridge social isolates **Teenage Shooters** Travis Barrett,2008-06

Teenage Shooters is about Freddy Louche s world Who is Freddy Louche If you asked him he would tell you that he is an all American teenage loser who lives in a neighborhood populated by gangbangers and bullies He hates school because the classes are boring and many of the students are intimidators But there are three things Freddy loves his skateboard his video games and his father His skateboard is a Serial Killer which sports an image of Charles Manson In a strange way Freddy never feels alone when he is riding Manson who is also his protector at least until that fateful night when Freddy s life begins to rapidly unravel Resident Evil is Freddy s favorite video games because in the world of survival horror he can defend himself against the zombies and other monsters that remind him of the cretin bullies who hang out in the corridors of his school and the thugs that roam the streets of his city a city that is in many ways like Raccoon City which was also an all American city until the walking dead and other beasts took control of its streets Freddy s father is the one adult Freddy can always depend upon Unfortunately Mr Louche like the school authorities and the police cannot protect his son from the thugs and bullies who constantly harass him Thus a time finally comes when Freddy and his loser friends must take on their tormentors **Rigatoni** Jeffery F Dow,2021-02-12

Alices Derives in Devonshire Phil Smith, 2014-12-01 World of Fact The novel draws on the author's longtime exploration of psychogeography Situationism drift and derive and fleshes out his practice of mythogeography through the curious mind of a young girl exploring the gaps between her parents' respective worlds and her own between the city that she sees and the one that she finds when she walks out into it between the layers of possible experience It's a quite remarkable journey for anyone interested in those subjects in what it's like to upgrade whether as an adolescent or as an adult or in the tears in the fabric of things that we mostly manage to ignore World of Dream Can a city fall to bits one day and put itself back together the next I think so but I am crazy So why should you believe me Dad says it's OK to be mad Bad is the problem And the city is bad I saw its badness For one day its glass was everywhere like broken teeth after a fight between lions and sharks Big buildings leaning on each other like drunk dinosaurs The new shopping centre was a cave full of smoke And everyone was frightened of each other But I wasn't frightened I could see that between the pieces of glass were shining gaps And in the biggest building were passageways and tunnels and I could see that that was the good city The city of holes and caves Between the bad was the good but only if you knew that before you looked A little while later I'm not sure how long because that was when I was ill again the bigger cities burned for real life had a really bad dream By then though I knew that the cities were always ruins no matter what they looked like And that you had to know how to see fire to find warmth
