"^ADaddy's Gone to War" William M. Tuttle Jr., 1993-09-16 Looking out a second story window of her family s quarters at the Pearl Harbor naval base on December 7 1941 eleven year old Jackie Smith could see not only the Rising Sun insignias on the wings of attacking Japanese bombers but the faces of the pilots inside Most American children on the home front during the Second World War saw the enemy only in newsreels and the pages of Life Magazine but from Pearl Harbor on the war with its blackouts air raids and government rationing became a dramatic presence in all of their lives Thirty million Americans relocated 3 700 000 homemakers entered the labor force sparking a national debate over working mothers and latchkey children and millions of enlisted fathers and older brothers suddenly disappeared overseas or to far off army bases By the end of the war 180 000 American children had lost their fathers In Daddy s Gone to War William M Tuttle Jr offers a fascinating and often poignant exploration of wartime America and one of generation s odyssey from childhood to middle age The voices of the home front children are vividly present in excerpts from the 2 500 letters Tuttle solicited from

men and women across the country who are now in their fifties and sixties From scrap collection drives and Saturday matinees to the atomic bomb and V J Day here is the Second World War through the eyes of America s children Women relive the frustration of always having to play nurses in neighborhood war games and men remember being both afraid and eager to grow up and go to war themselves Not all were willing to wait Tuttle tells of one twelve year old boy who strode into an Arizona recruiting office and declared I don t need my mother s consent I m a midget Former home front children recall as though it were yesterday the pain of saying good bye perhaps forever to an enlisting father posted overseas and the sometimes equally unsettling experience of a long absent father s return A pioneering effort to reinvent the way we look at history and childhood Daddy s Gone to War views the experiences of ordinary children through the lens of developmental psychology Tuttle argues that the Second World War left an indelible imprint on the dreams and nightmares of an American generation not only in childhood but in adulthood as well Drawing on his wide ranging research he makes the case that America s wartime belief in democracy and its rightful leadership of the Free World as well as its assumptions about marriage and the family and the need to get ahead remained largely unchallenged until the tumultuous years of the Kennedy assassination Vietnam and Watergate As the hopes and expectations of the home front children changed so did their country s In telling the story of a generation Tuttle provides a vital missing piece of American cultural history

Realism for the Masses Chris Vials,2010-04-13 Realism for the Masses is an exploration of how the concept of realism entered mass culture and from there how it tried to remake America The literary and artistic creations of American realism are generally associated with the late nineteenth century But this book argues that the aesthetic actually saturated American culture in the 1930s and 1940s and that the Left social movements of the period were in no small part responsible The book examines the prose of Carlos Bulosan and H T Tsiang the photo essays of Margaret Bourke White in Life magazine the bestsellers of Erskine Caldwell and Margaret Mitchell the boxing narratives of Clifford Odets Richard Wright Nelson Algren and the Hollywood boxing film radio soap operas and the domestic dramas of Lillian Hellman and Shirley Graham and more These writers and artists infused realist aesthetics into American mass culture to an unprecedented degree and also built on a tradition of realism in order to inject influential definitions of the people into American popular entertainment Central to this book is the relationship between these mass cultural realisms and emergent notions of pluralism Significantly Vials identifies three nascent pluralisms of the 1930s and 1940s the New Deal pluralism of We re the People in The Grapes of Wrath the racially inclusive pluralism of Vice President Henry Wallace s The People s Century and the proto Cold War pluralism of Henry Luce s The American Century

Lum and Abner Randal L. Hall,2021-12-14 In the 1930s radio stations filled the airwaves with programs and musical performances about rural Americans farmers and small town residents struggling through the Great Depression One of the most popular of these shows was Lum and Abner the brainchild of Chester Chet Lauck and Norris Tuffy Goff two young businessmen from Arkansas Beginning in 1931 and lasting for more than two decades

the show revolved around the lives of ordinary people in the fictional community of Pine Ridge based on the hamlet of Waters Arkansas The title characters who are farmers local officials and the keepers of the Jot Em Down Store manage to entangle themselves in a variety of hilarious dilemmas The program s gentle humor and often complex characters had wide appeal both to rural southerners who were accustomed to being the butt of jokes in the national media and to urban listeners who were fascinated by descriptions of life in the American countryside Lum and Abner was characterized by the snappy verbal comedic dueling that became popular on radio programs of the 1930s Using this format Lauck and Goff allowed their characters to subvert traditional authority and to poke fun at common misconceptions about rural life The show also featured hillbilly and other popular music an innovation that drew a bigger audience As a result Arkansas experienced a boom in tourism and southern listeners began to immerse themselves in a new national popular culture In Lum and Abner Rural America and the Golden Age of Radio historian Randal L Hall explains the history and importance of the program its creators and its national audience He also presents a treasure trove of twenty nine previously unavailable scripts from the show s earliest period scripts that reveal much about the Great Depression rural life hillbilly stereotypes and a seminal period of American radio

Radio Goes to War Gerd Horten,2002-02-06 Radio Goes to War is the first comprehensive and in depth look at the role of domestic radio in the United States during the Second World War As this study convincingly demonstrates radio broadcasting played a crucial role both in government propaganda and within the context of the broader cultural and political transformations of wartime America Gerd Horten s absorbing narrative argues that no medium merged entertainment propaganda and advertising more effectively than radio As a result America s wartime radio propaganda emphasized an increasingly corporate and privatized vision of America s future with important repercussions for the war years and the postwar era Examining radio news programs government propaganda shows advertising soap operas and comedy programs Horten situates radio wartime propaganda in the key shift from a Depression era resentment of big business to the consumer and corporate culture of the postwar period

Bindas, 2016-08-23 Established in 1935 under the aegis of the Works Progress Administration the Federal Music Project FMP was designed to employ musicians who were hard hit by the economic devastation of the Great Depression All of This Music Belongs to the Nation is the first book length study of the FMP and the many paradoxes and conflicts that marked its four year existence As Kenneth J Bindas points out the FMP leadership was more conservative than that of the sister projects in art theater and writing Its stated aim of raising the taste of musicians and citizens alike created a particular problem Although many unemployed

musicians came from the sphere of popular music such as jazz and Tin Pan Alley the FMP chose to emphasize cultured music particularly the orchestral works of composers in the European classical tradition Inevitably this created tension within the project as those musicians deemed popular received second class treatment and in the case of racial and ethnic minorities were segregated and stereotyped Despite these troubles Bindas demonstrates the FMP succeeded in bringing music to millions of listeners across the country
