The Fourth Edition has been comprehensively updated and the travel section completely revised. The book gives a thorough introduction to the history of immunization, vaccine technology and immunology, and compares international schedules of routine immunizations. Each vaccine is then presented separately, including contraindications, local and general side and adverse effects, administration advice, special precautions and notes on vaccine availability, storage and well referenced comments on issues surrounding each vaccine, including controversies. A description of the infection caused by the relevant microorganisms follows, together with data on disease notifications and immunization coverage. A considerable number of maps illustrate the endemicity of diseases. One section is dedicated to issues relevant to primary care, such as immunization fees and targets, audit, electronic recall systems, patient group directions and issues surrounding the immunization work of the practice nurse. The Fourth Edition includes an extensive section on travel health, which includes the latest travel statistics, travel clinics, detailed advice to travellers and legal issues that may arise. A considerable amount of information is included on air travel contraindications to travel and high altitude sickness. Specific information is given on advising travellers at risk because of pre-existing conditions and how to best deal with the returned traveller. Advice is provided for each disease, including malaria, which is covered in detail. The last section contains information on notifiable diseases, reciprocal healthcare agreements, contact numbers for Embassies and High Commissions in London, a world travel advice checklist and an extensive list of sources of travel information with contact address.

Gunfighter s Graveyard If you like an Old Western Horror Gunfighter Novel with over 100 000 words Then this book would
be a good find It came in a four book series based on four different town scenarios Different lawmen and evil gunmen will
find one another in a gunfight to the death Each will wake from a coma dark deep sleep or be sent back by the devil that
made him raise his gun in the first place against good A graveyard on the hill in town wakes After a storm hit the town that
same night One grave began to wake with a hand blanketed in mud One hand then the other grabbed the wet mud earth or a
branch on a tree in the ground He crawled to his feet in old cowboy muddy boots A tall dark man stood in the drizzling rain
and his head tilted back His stare on the night stars in the skies The mud dirt and decaying tissue fell from his face and
hands One other began to rise from the same graveyard behind him He stared at the same night sky as if something spoke to
him from a place in between heaven and earth One of them opened his arms Each palm lifted and opened high in the dark He
opened his mouth to wash death still lingering on his tongue and lips One other gunfighter crawled to his feet through the
drizzling rain Each gunfighter took a deep breath for the first time since he died huuu Three men in dark cowboy boots and
clothes take that first breath that opens his eyes in a bulge Three Gunfighters Leave the cemetery behind the first gunfighter
that left the wet Earth The first gunfighter growls in the direction of the Town toward the bottom of the Hill I will be there
soon Townspeople As a faint heartbeat begins His chest began to pulsate with heartbeats slowly His heartbeat told the other
men that their hearts would also be beating Each footstep s heel on his boot kicked at the ground One gunfighter behind the
other pretends to tiptoe into town as the drizzling rain covers them like a blanket Each gunfighter covers his head with a hat
and long coat to keep the water from splashing against his chest Each man wore a black hat a long shin length coat and
cowboy boots Beneath he wore a blue jean shirt and pants Some are darker than others The third cowboy with long chocolate
brown shoulder length hair stares forward in a baby blue dead eyed stare One behind the other they vanish in a cloud of
drizzling rain Behind them on the other half of the cemetery One other had risen through the wet mud earth He also crawled
to his feet in a pair of black cowboy boots A Shiny Gun Badge and a Winchester lay on the wet mud A man in a Marshall s
Badge in Dark Brown Leather lifts it off the wet ground One other man with a Badge followed the Marshall One after him
also crawled to his feet They begin to leave the cemetery like the other men before them They reach the road that leads into
town The rain cleansed Each in a Badge on the way into the town Each with a hat Winchester at his side and a shiny gun The
sound of a Stagecoach made them listen and look A Stagecoach hidden in the drizzling rain made them stare into the falling
rain The sound of a hyena laughing inside made Law Men Reach for his Rifle The sound of wicked men rose from a
stagecoach as it drew closer I m coming to town Marshall I ll be waiting Gunfighter I will bring a few friends I will too Will
see which one of us will reach the Gunfighter s Graveyard I will be waiting like I do every 58 years of lawman Come out and
play Marshall sheriff and do not forget to bring your deputies We will be waiting Did I shoot the sheriff haha Of course I did

It was me The stagecoach hidden in the falling rain roared by as a sound of a hyena laughing left them in awe It continued to roar toward the town in the falling rain and vanishes
