murder If you love mystery tongue in cheek humor unusual characters and romance you ll find the Dun Wheeling series will capture your heart with bursts of laughter      *Bookalam Park* Andre Giordano,2012-05-29 In this book Im talking about the door of heaven above a footbridge in the center part of the park far from the entrance not easily accessible or visible it opens only when visitors from heaven wants to come to earth for a time value hosted by fairies or vice versa when they have business with therepresentatives of God in heaven The door is supposed to open permanently to created a new age for men to enjoy in the near future the role of men is simple it is to walk holding in his mind the equilibrium of all the tendencies of the collective karma through out the planet for that in my story they are helped by Lord Vishnu the maintainer of the world but fi rst and foremost this is also a love story Love heals it maintains harmony it is cosmic and reaches all parts of the universe when strong it erases differences      **Summerland** George Ryga,1992 Selections from essays short stories plays novels and poems that Ryga wrote in Summerland British Columbia between 1963 and 1987      **Country Cops** Russ Gray,2003-01-22 They may be low tech a little rude a little crude and not too polished around the edges Some of them may be a little lacking in people skills Political correctness is not their strong suit You won t see them on Cops but they handle anything the big city cops do Their beat is measured in hundreds of square miles not city blocks Most of the time their backup is at least twenty minutes away if it is available at all As their Sheriff says You do what you re big enough to do Country cops know that there are many ways to protect and serve besides making arrests They know that there is more to law enforcement than strict adherence to code sections in a criminal law book There is right and wrong The law is not necessarily right Country cops go with what is right The people they serve are not strangers as is the case in urban America Their folks are friends and neighbors They are good and bad Country cops take care of their people      The Mighty Mccords Kenneth E. Morris,2006-06 The Mighty McCords is a story of a father and son both orphaned at an early age Throughout their journey in life they learn how to survive live and love      *Choosing Ethnicity, Negotiating Race* Mia Tuan,Jiannbin Lee Shiao,2011-01-13 Transnational adoption was once a rarity in the United States but Americans have been choosing to adopt children from abroad with increasing frequency since the mid twentieth century Korean adoptees make up the largest share of international adoptions 25 percent of all children adopted from outside the United States but they remain understudied among Asian American groups What kind of identities do adoptees develop as members of American families and in a cultural climate that often views them as foreigners Choosing Ethnicity Negotiating Race is the only study of this unique population to collect in depth interviews with a multigenerational random sample of adult Korean adoptees The book examines how Korean adoptees form their social identities and compares them to native born Asian Americans who are not adopted How do American stereotypes influence the ways Korean adoptees identify themselves Does the need to explore a Korean cultural identity or the absence of this need shift according to life stage or circumstance In Choosing Ethnicity Negotiating Race sixty one adult Korean adoptees representing different genders social classes and communities reflect on early childhood young

adulthood their current lives and how they experience others perceptions of them The authors find that most adoptees do not identify themselves strongly in ethnic terms although they will at times identify as Korean or Asian American in order to deflect questions from outsiders about their cultural backgrounds Indeed Korean adoptees are far less likely than their non adopted Asian American peers to explore their ethnic backgrounds by joining ethnic organizations or social networks Adoptees who do not explore their ethnic identity early in life are less likely ever to do so citing such causes as general aversion lack of opportunity or the personal insignificance of race ethnicity and adoption in their lives Nonetheless the choice of many adoptees not to identify as Korean or Asian American does not diminish the salience of racial stereotypes in their lives Korean adoptees must continually navigate society s assumptions about Asian Americans regardless of whether they chose to identify ethnically

**Choosing Ethnicity** Negotiating Race is a crucial examination of this little studied American population and will make informative reading for adoptive families adoption agencies and policymakers The authors demonstrate that while race is a social construct its influence on daily life is real This book provides an insightful analysis of how potent this influence can be for transnational adoptees and all Americans

**Practical Drama for Schools (Level 2 - Upper Primary) Book One** Jenni Mason, 2008-09-17 Drama and expressive arts can play a crucial role across the whole primary curriculum and can offer a unique and fun way for teachers to develop key skills outlined in the Curriculum for Excellence Drama can stand alone as a subject and can be a great way for children to learn about the arts about theatre and have fun exploring drama and performance skills However it is also a unique way to enhance work already being covered in other areas of the curriculum such as environmental studies history or personal development This book offers easy to follow workshop plans for any Primary School teacher The plans can be adapted and changed according to the needs of the teacher and the class they are working with The book is divided into sections which complement the curriculum You can use drama to explore a historical topic or simply run a fun performance based workshop
