Reader review for Found You: **Excor Legacies: Concealed Society** Maharanty Athena, 2022-02-10. Being anything other than ordinary has

never crossed Maliha's wildest imagination after living for 15 years as a normal human she had thrown the idea of being different out of her mindset aiming to live a normal mundane human life That is until this strange man appeared before her and gave her a letter to attend this unknown school where the Pacific and Atlantic Oceans meet Without any detailed explanation of what's happening she was sent far away from her family to a new world of Excors people who are able to control a substance according to their will Fitting in was not that big of a problem for her it seemed she would have lived a normal life with the addition of powers until a string of events happened that makes her think otherwise The realm of Excors with such an extraordinary boarding school is inspired by Harry Potter's world just without its kind of witchcraft Maliha the Indonesian girl as its central character even wondered if her role was somewhat like Hermione Granger Harry Potter's dear classmate with quite different adventures and destiny This definitely is a laboratory of imagination for an emerging author
