The Holy Bible Covenant Christian Coalition, 2020-02-02 THE LSV IS FINALLY HERE A BRAND NEW LITERAL EASY TO READ TRANSLATION OF THE COMPLETE HOLY BIBLE BOTH OLD AND NEW TESTAMENTS This is the first edition of the LSV available for Google Play The LSV is published by Covenant Press the publishing arm of the Covenant Christian Coalition A modern literal word for word formal equivalence English translation of the Holy Scriptures utilizing English word rearrangement when necessitated for readability The LSV is the most literal translation of The Holy Bible with significant improvement over previous literal translations including Robert Young's excellent Young's Literal Translation Preservation of verb tenses wherever possible Utilization of the transliterated Tetragrammaton in the Old Testament All uppercase LORD is used in the New Testament when a reference to YHWH is likely Removal of many Hebrew and Greek transliterations remember transliterations are generally not translations Unlike most translations justified typographic alignment consistent with the style of the original Hebrew Aramaic and Greek biblical autographs The ancient caesura mark is used for easy readability of poetic literature such as the Psalms Inclusion of the verses found in older English translations such as the King James Version KJV that are not found in many modern translations and inclusion of the alternative LXX Genesis chronology set next to the MT These are contained within bolded double brackets for distinction Capitalized pronouns and other nounal forms when referring to God Christ or the Holy Spirit References to the Messenger of the LORD are also capitalized when the subject appears to be a clear reference to God or the Messiah as found in translations such as the NKJV The goal of any good translation is to produce a readable text that preserves the original autographic meaning and comes as close as possible to translating word for word manuscripts that accurately represent the original writings It's with this goal in mind that the Literal Standard Version LSV was written a modern yet literal English translation based upon the most prolific texts the Masoretic Text MT for the Old Testament and the Textus Receptus TR and Majority Text M for the New However in certain specific instances other manuscript versions and text types are used where the evidence seems incontrovertible e.g. the LXX and DSS in the Hebrew and Aramaic the Alexandrian in the Greek ANOTHER TRANSLATION

WHY There have been a slew of new English translations in the past half century which may cause some to wonder why the need for another The translators agree with the premise that different translations can serve different demographics and different reading levels to maximize exposure to God's word In this sense the LSV is not a competitor to other excellent translations but is complimentary As the most literal modern English translation the LSV is an excellent resource for deep and thoughtful Bible study and research essentially an interlinear in terms of word for word translation but arranged with English sentence structure The 210-Book Holy Bible, Apocrypha, and Ancient History Master Collection Covenant Press, Covenant Christian Coalition, 2024-11-01 What if you could hold an entire theological library of works in the palms of your hands Introducing The 210 Book Holy Bible Apocrypha and Ancient History Master Collection the complete volumes of the LSV Holy Bible The Complete Apocrypha and Ancient Historia accurately and literally translated into contemporary and easy to read English SURPASSING THE ETHIOPIAN BIBLE 210 complete and unabridged books make this the largest single volume Bible with apocrypha ever published Professionally literally and accurately translated over a period of seven years these major revisions of older works have for the first time been translated into contemporary and easy to read English making them accessible to everyone THE TRUE DEFINITIVE COLLECTION Unlike similar volumes with abridged and often poorly formatted and poorly collated collections this 210 book library is composed entirely of complete unabridged and thoughtfully arranged works so you get what is advertised Translated into contemporary English while still achieving accuracy and literalness the LSV Master Collection is a breath of fresh air compared to the many antiquated alternatives which use hard to read 17th 18th and early 19th century public domain translations WHAT IS INCLUDED IN THE MASTER COLLECTION All 66 books of the Literal Standard Version of the Holy Bible a major revision of Young's Literal Translation completed in 2020 100 books of the 2024 Expanded Edition of The Complete Apocrypha All 44 books of Ancient Historia the groundbreaking contemporary translation of key works of Josephus and Eusebius presenting a comprehensive historical companion to the Bible from the time of creation all the way to AD 325 Extensive companion materials including additional apocryphal fragments resources writings charts maps and a glossary explaining nearly 200 key terms and characters in the biblical narrative 210 BOOK MASTER COLLECTION FEATURE OVERVIEW 66 books of the Holy Bible 100 books of The Complete Apocrypha 44 books of Ancient Historia Contemporary English throughout translated with formal equivalence Extensive companion materials including charts maps apologetics additional writings and a nearly 200 word glossary Hearings United States.
