The 8 Great Debates of Bible Prophecy Ron Rhodes, 2014-08-01

You've heard about the tribulation millennium rapture and antichrist but you may wonder what's all the debating about. Do most Christians agree on the big issues? And what about other topics: dispensationalism, interpretive views, timing of events—are they too complex for most folks to understand? Not at all. In this concise and easy-to-read review, respected Bible teacher Ron Rhodes identifies eight of the most important end-times discussions. Avoiding complex arguments, he highlights the most important biblical passages, summarizes a few of the most popular interpretations, and provides succinct conclusions. He demonstrates that the Bible's end-times teaching is intended to be a blessing for every believer. As you compare and contrast the various viewpoints, you'll be able to enjoy constructive conversations with other Christians and support your own

informed convictions. You'll also enrich your reading of the Scriptures and see how passages fit together in God's great plan for the ages. **Apocalyptic Fever** Richard G. Kyle, 2012-08-01 How will the world end? Doomsday ideas in Western history have been both persistent and adaptable, peaking at various times, including in modern America. Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event. The views expressed in these polls have been reinforced by the market process. Whether through purchasing paperbacks or watching television programs, millions of Americans have expressed an interest in end-time events. Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world. Why do Americans love doomsday? In *Apocalyptic Fever*, Richard Kyle attempts to answer this question, showing how dispensational premillennialism has been the driving force behind doomsday ideas. Yet while several chapters are devoted to this topic, this book covers much more. It surveys end-time views in modern America from a wide range of perspectives: dispensationalism, Catholicism, science, fringe religions, the occult, fiction, the year 2000, Islam, politics, the Mayan calendar, and more.

The New Age of Super-Civilization London Fell, 2025-01-03 As we entered the year 2000, America and the world stood at a great crossroads. At the threshold of the third millennium, a new age of Super-Civilization was emerging. A contemporary civilization had successfully arrived at the long-awaited gateway of the year 2000, having overcome potential apocalyptic obstacles along the way. The journey ahead into the future, far beyond the Y2K takeoff, seemed bright with promise and hope, yet great challenges lay ahead. Three roads stretch forth into the future from the past, along routes already ventured upon but now requiring a renewed sense of direction and destination. Especially important today are creating global powerhouses in diverse ways, elevating national politics in America and around the world, and enlightening the public mind in spiritual, cosmological, and political contexts. The people of America and the world today can help those of tomorrow ensure the survival and progress of planet Earth and secure its universal destiny. And America Quaked Kenneth W. Edwards, 2012 Since the beginning of the new millennium, terrible earthquakes have hit

different parts of the globe These quakes have taken hundreds of thousands of lives and caused great destruction of property Up to this point the United States has only been a spectator to these awesome events At some point and no one knows when it will be our turn and the picture will not be pretty According to Kenneth W Edwards our time is coming and it may be soon And America Quaked outlines Edwards s visions for the future visions received directly from God You will learn about what will happen how to prepare and how to deal with the aftermath Can God give man the ability to pull back the curtain of time and peer into the future Will the events that Edwards has foreseen take place Read And America Quaked and judge for yourself Jesus and the End Times Ron Rhodes,2019-02-26 The One Source You Can Count On for Facts About the Last

Days You also must be ready all the time for the Son of Man will come when least expected Matthew 24 44 There is no shortage of writings about the last days often full of speculation and sensationalism Where can we go for information we can trust Join Bible scholar Ron Rhodes for an in depth look at what we know to be certain about the last days based on key teachings directly from Jesus You ll learn what the Lord Himself said about the rapture the tribulation period the second coming the future judgment the millennial kingdom and more So are you ready for what is to come Enjoy a fascinating survey of the end times through the words of Jesus Himself and gain the very best of what you can know about God s plan for the future
