End Times Fiction Gary DeMar, 2001-11-06 Tim LaHaye contends that his bestselling *Left Behind* series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections *The Left Behind Sensation Putting Tim LaHaye s Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter* Readers will learn to develop a simple method of Bible interpretation and to assess the impact of *Left Behind* on the future of the church and our society

Marvin Pate,2016-11-27 Christians live in two overlapping ages this present age and the age to come By examining Revelation and other apocalyptic literature from the Gospels and the Old Testament it can be argued that end time events and the age to come have already begun This understanding however can present many challenges How do we explain this blending of present and future How do the future resurrection of the body and the return of Christ impact pastoral care and sermon preparation now C Marvin Pate provides an accessible guide to the distinctive content form and function of apocalyptic literature Key principles of interpretation specific to this genre are presented as well as steps in communicating the theological messages of apocalyptic passages in the Bible Pate s in depth explanations offer a reliable introduction to this field of literature as well as new insights into the texts **Field Guide to the Wild**

World of Religion Pamela Dewey,2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide **The Great**

Tribulation--Past Or Future? Thomas Ice,Kenneth L. Gentry, This engaging book brings together the opposing viewpoints of two respected evangelicals on whether the Great Tribulation is a past present or future event This material is especially helpful in gaining an understanding of end times as the arguments are presented in a friendly debate format with responses by each author to the other s position **Has God Spoken?** Hank Hanegraaff,2011-08-30 Compelling evidence that the

Bible is God s Holy Word Using the memorable acronym MAPS radio host and Bible scholar Hank Hanegraaff masterfully reveals four proofs that confirm the divine origin of the Bible M represents the strength of the manuscript itself as many actual fragments have been located A stands for the archaeological proofs that have been uncovered P is for the prophecy that has accurately predicted events S represents the scriptural synergy found in the unity consistency and harmony of the sixty six books These clearly presented proofs provide powerful indicators that confirm the trustworthiness and divine nature of Scripture that God has indeed spoken and that the Bible is the reliable repository of His words **The Writings of John**

C. Marvin Pate,2011-01-04 The writings of John are some of the most foundational New Testament documents for today s

Christians Most evangelical teaching about the life of Jesus begins with the Gospel of John and Christian teaching on the end times relies heavily on the book of Revelation Students pastors and lay learners need solid up to date resources like this book to responsibly study and understand John s writings C Marvin Pate addresses John s writings according to their logical divisions the Gospel of John the Johannine Epistles and Revelation Each section includes a thorough introduction to relevant interpretive issues including historical background cultural setting and theological context Pate presents a two fold historical setting for John s gospel encouraging readers to consider the text from the perspective of Jesus day and from John s situation in Asia Minor sixty years later He examines the Johannine epistles on issues like authorship audience and theological perspective For the Apocalypse Pate explores the challenges of John s first readers the nature of apocalyptic literature and the Roman imperial cult including as well an explanation of how the church has interpreted Revelation over the years With its thorough discussion textbook design and four color interior *The Writings of John* sets the standard for introductory texts on biblical books or collections

40 Questions About the Historical Jesus C. Marvin Pate, 2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels

Christian Zionism Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer s groundbreaking critique of Christian Zionism His comprehensive overview of its roots its

theological basis and its political consequences is very timely I myself believe that Zionism both political and Christian is incompatible with biblical faith Stephen s book has helped to reinforce this conviction Rev Dr John Stott I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology Canon Naim Ateek Stephen Sizer s Christian Zionism Road Map to Armageddon is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel Sizer writes as an insider within the church not as a critic watching from afar And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology One quick read of this book will change anyone s perspective on the Middle East permanently Professor Gary M Burge Congratulations on Christian Zionism The index alone makes my mouth water since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching I couldn t be happier that this is published You and I see eye to eye on this issue Yours is a true prophetic voice so badly needed in the current prophecy frenzy And when this mania also affects national and international policy the danger takes on larger proportions Professor Paul Maier Stephen Sizer s work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian Israeli conflict Christian Zionism raises vital theological and political challenges that must be addressed head on by Christians in the West particularly evangelicals The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk and it seems a far cry from the witness and message of Jesus Christ Dr Donald Wagner This study of Christian Zionism based on Stephen Sizer s doctoral thesis is of seminal significance It provides a fascinating survey of the history of Christian Zionism and an in depth analysis of the theology of this highly important and influential movement Rabbi Professor Dan Cohn Sherbok *Enoch and the Giants* Victor Lindsay Hill,2024-02-02 *Enoch and the Giants* by Victor Hill is a book that operates on several levels For sure this will be of great interest to academics of the subject but Victor Hills books is also a read which acts as a modern parable functioning on a simpler level with a message for us all *Enoch and the Giants* is a modern day epic with commentary on heaven and earth of truly biblical proportions which will have as much appeal on a secular level as it will to disciples of the Bible Translated directly from the original the author is meticulous with his footnotes and referencing which act in tandem to provide commentary on and insight to the text It is a revelation and almost a poetic story with a rhythm and meter all its own A truly epic read **Hearing the Old Testament** Craig G. Bartholomew,David J. H. Beldman,2012-05-02 Scholars discuss how contemporary Christians can better hear and appropriate God s address in the Old Testament from publisher description *Plowshares and Pruning Hooks* Brent Sandy,2025-10-28 What are we to make of Isaiah s image of Mount Zion as the highest of the mountains or Zechariah s picture of the Mount of Olives split in two or Daniel s beast rising out of the sea or Revelation s great red dragon with seven heads and ten horns How can Peter claim

that on the day of Pentecost the prophecy of Joel was being fulfilled with signs in heaven and wonders on earth the sun turned to darkness and the moon to blood The language and imagery of biblical prophecy has been the source of puzzlement for many Christians and a point of dispute for some How ironic that is For the prophets and seers were the wordsmiths of their time They took pains to speak God's word clearly and effectively to their contemporaries How should we as citizens of the twenty first century understand the imagery of this ancient biblical literature Are there any clues in the texts themselves any principles we can apply as we read these important but puzzling biblical texts D Brent Sandy carefully considers the language and imagery of prophecy and apocalyptic how it is used how it is fulfilled within Scripture and how we should read it against the horizon of our future Clearly and engagingly written Plowshares and Pruning Hooks is the kind of book that gives its readers a new vantage point from which to view the landscape of prophetic and apocalyptic language and imagery

Back to the Future Ralph E. Jr. Bass, Ralph Bass, 2004-07 After embracing the theology of Dispensationalism for thirty three years doubts grew in the author's mind concerning the issues raised by eschatological questions While pastoring he avoided the subject But one day he was asked questions on prophecy that he simply could no longer answer with commitment or conviction It was time to find some real answers This book began as Sunday school lessons to provide those real answers Long after the Sunday school lessons ended the study and the writing continued Not satisfied with Sunday school answers Dr Bass wanted something definitive for his own benefit and the benefit of others This work is an effort to provide that substance that body of learning beyond the Sunday school class for those that demand more much more Feeling that much of what was out there on the subject was sorely wanting Dr Bass envisaged another work from the loyal opposition of the prevailing opinion something written from a deep conviction in the sufficiency and trustworthiness of Scripture yet something far different from the usual offerings This book is the result of the author's quest

On Time Jon Paul Miles, Jesus promised that the end times and his second coming would happen in the disciples generation Matthew 24:34 New International Version Truly I tell you this generation will certainly not pass away until all these things have happened What precisely was promised to happen in that generation Is the above verse a mistranslation Did we misunderstand him Did Jesus change his mind Did Jesus give a false expectation on purpose Was Jesus just assuming he would return soon In trying to find a sensible answer I found myself asking the one question I was least willing to consider What if he returned on time This critical re examination of the traditional view of the end times compares Biblical prophecy with historical accounts to uncover if Christ returned in the first century

Four Views on the Book of Revelation Zondervan, 2010-08-03 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It's no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the

church Is it essentially an imaginative depiction of historical events in the first century Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John s prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ s reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Three Views on the Millennium and Beyond

Zondervan,2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity s great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion
