Doomsday Directive:

Terminal Guidance Don Pendleton,2011-12-01 U S intelligence agencies are picking up chatter about something big coming their way A series of calculated executions of undercover intelligence personnel in Washington London and Pakistan convinces the Oval Office that this is the attack the world has feared The Stony Man teams deploy to the hot spots fighting to connect the dots in a plot to blow dirty bombs in Boston and Peshawar And every minute counts as the warriors seek to smash a deadly alliance of terror that seems to have unlimited power and resources **Hostile Dawn** Don

Pendleton,2009-04-01 Bold new threats put America s elite counterterrorist unit Stony Man on the front lines of a war in which fanatics pursue twisted ideology and spilled blood As the covert action arm of the Oval Office these cybernetic and commando teams work under the radar and in the hot zones to neutralize threats before innocent citizens pay the ultimate price Rogue organizations within anti Western nations are banding together to attack their common enemy on a new front New Dawn Rising is the bad boys club of the Middle East Africa and Asia using money influence and politics to access global seats of corporate power and cripple the free world from the boardroom Los Angeles is the target of a violent assault that s about to simultaneously take out take over and wreak mass terror *Act of War* Don Pendleton,2008-04-01 Stony man When crisis demands skill stealth and the kind of diplomacy that comes from a mandate to strike down terror the call to action goes to Stony Man Under presidential directive the crack commando teams of Phoenix Force and Able Team backed by the most sophisticated cybernetics team in the world bring the fight to the enemy and take no prisoners Remote nuke trigger Technology capable of exploding cached nuclear arsenals around the globe has fallen into the hands of a group of unidentified terrorists Mushroom clouds are appearing from the deserts of New Mexico to the mountains of Asia as warhead stockpiles become radioactive fallout Facing an untenable decision on whether to disarm or stand and fight the Oval Office can only watch and wait as Stony Man tracks the enemy to the far flung reaches of the Balkans where fifteen families of organized crime will be masters of the universe or blow it out of existence **The Wrath of Mamba** J. R. Brice,2011-05-04

Paula Fisher Davis has already survived insurmountable odds to achieve professional success striking beauty and great wealth Now retired from her previous life as a well respected and legendary contract killer Paula is looking forward to living out the rest of her days with her husband on their impressive Texas ranch Surrounded by faithful bodyguards and an elaborate security system Paula feels completely secure But all of her dreams for her future disintegrate on a dark and deserted roadway in Acapulco when she is kidnapped Tortured and beaten by those who will stop at nothing to achieve revenge Paula escapes her abductor only to learn that the men have brutally murdered her husband Furious at the senselessness of his death Paula calls on an old friend for help Desperate to find her husbands killers she immerses herself once again in the dangerous life of a government assassin As she reactivates her code name Mamba Paula is now the one seeking retribution Unfortunately as those who mistakenly find themselves in her way quickly discover the wrath of Mamba

is always final In this suspenseful tale of intrigue and danger the Mamba will not rest until her merciless mission is complete

Power Grab Don Pendleton,2011-06-01 When a crisis is too sensitive for conventional intervention when politics and diplomacy won't work the President calls on Stony Man Ultrasecret and devastatingly effective this antiterrorist unit employs sophisticated technology combined with crack commandos to strike at the heart of the enemy When Stony Man is deployed the situation is red hot An explosion at a shopping mall in upstate New York launches an all out Stony Man effort against the new face of terror A brilliant and brutal warlord turned dictator is poised to destabilize the entire Middle East through blood politics He has money motivation and access to a new kind of underworld weapon a smart bomb A horrific series of planned attacks are about to plunge the United States into desperate chaos that will carry across the globe The enemy isn't just targeting American soil he's poised to savage the world

Shadow War Don Pendleton,2009-02-01 The war against terror is played by a different set of rules for the men and women of the elite unit known as Stony Man On the record they don't exist and plausible deniability is the first mandate if a mission goes sour Off the books the cyber teams and field commandos understand the risk and accept America's dirtiest missions without hesitation Intelligence has picked up chatter of the launch of an imminent strike of unknown origin and scope against the U S Code named Bellicose Dawn it involves Mexican drug runners jihadists and international funding Stony Man must navigate an unknown strike point fragmented information and a brewing political firestorm But soon it's enough to unleash the ultimate nightmare men down missing maybe dead and things going so bad so fast that the day every Stony Man member prayed would never happen may have arrived

Drawpoint Don Pendleton,2009-06-01 American politics has been infiltrated by terrorist elements and something big and unprecedented is ready to launch A radical fringe group of the environmentalist movement is linked to a suspiciously well funded American communist party secretly backed by a wealthy businessman and political insider With time running out Stony Man races to stop an enemy who's armed with stolen uranium from unleashing a shock wave of violence to hijack the White House and the American way of life

Critical Effect Don Pendleton,2008-06-01 Stony Man Eighty miles outside the nation's capital the President's covert defense unit has its orders stop terror at its source From the cyber wizards at the helm to the commandos on the ground the warriors of Stony Man are united by an unbreakable bond of honor and courage where ultimate sacrifice is the price sometimes paid but never in vain Bug Spheres A NATO special ops aircraft carrying a top secret prototype goes down near the French German border In St Louis a rogue scientist unleashes an experimental pathogen on innocent victims Stony Man targets the disturbing intel and launches an offensive that stretches from Munich to America's heartland It's a worst case scenario linking a radical Middle Eastern group with Europe's most sophisticated smugglers putting stolen tech into enemy hands along with a killer virus manufactured for mass destruction

Dark Star Don Pendleton,2008-08-01 Stony Man Hidden deep within the U S government one special operations group is America's best chance to combat strategic terror Covert uncensored and answering only to the President the cybernetic and commando teams of Stony Man

understand that the impossible can be done with the right people the right plan a little luck and the courage to attempt what no one else dares Skywalker A machine that defies logistics has become a grim reality A working SSO single stage to orbit rocket or X ship can launch and land anywhere virtually unseen and unstoppable due to stealth technology and sheer velocity Now a faceless enemy with a hidden agenda is using X ships to spread global fire and death like a tidal wave from hell Facing a crisis of unimagined proportions Stony Man is once again tasked with the impossible unmask the masterminds behind the attacks and take them out fast

Capital Offensive Don Pendleton,2007-12-01 STONY MAN Dedicated to a seek and destroy mandate when presidential directive sends them into the heat of battle the cyber and commando teams of Stony Man hit hard and fast to remove threats of global magnitude Now a secret terrorist organization has hacked its way into defense satellites opening a trapdoor to Hell CAPITAL OFFENSIVE America stands virtually defenseless as global security is compromised and nations prepare for the final conflagration that will end civilization Stony Man gets a lead on a rogue Argentinean general and his twisted vision of a scorched and reborn planet Earth but tracking the technology and the masters of destruction is a race where seconds count and the loser will be humanity itself

Terror Descending Don Pendleton,2009-08-01 Dedicated to a cause thirty years in the making a powerful militant group has amassed a private army of weaponry and mercenaries and a mandate of world peace by way of mass murder Across the globe unmarked planes are spilling a tidal wave of innocent blood as military and civilian targets all become fair game When enough of the world is gone they will step into power Unless freedom s last longest and only shot does what it does best the impossible

Extermination Don Pendleton,2011-10-04 When Stony Man is called to battle the crisis is real and immediate Cybernetics experts run logistics from the war room of a secret facility known only to the President The commando teams of Able Team and Phoenix Force lead the ground fight consummate soldiers dedicated to protecting the innocent The world isn t aware of Stony Man but Stony Man remains vigilant guarding that fine line between hell and earth Small farming towns across America Europe and Asia have come under attack by a virulent new biochemical cocktail that induces the ravages of starvation in less than a day The group behind it promises to decimate the human population unless its twisted demands are met by government heads As this radical anti industrial group launches its deadly countdown Stony Man works feverishly to stop the horrifying plague from spreading before a global megacull leaves only a handful of people to weep for the earth

Oceans of Fire Don Pendleton,2014-01-15 STONY MAN Stony Man is the last line of defense in a new age of terror The covert ops teams that make up the clandestine antiterrorist group are the elite in the field Backed by superior cybernetic and real time intelligence the men of Phoenix Force and Able Team strike with relentless precision fighting the worst the world has to offer whenever and wherever it leads them OCEANS OF FIRE The trail to recapture stolen Russian nukes puts Stony Man on a mission that s turning suicidal Using covert and hardball tactics the nukes are traced to a source inside the Middle East but it s soon discovered that the Arab extremists are merely financiers in an operation laced with wrong turns double dealings and the

changing face of an enemy clever enough to stay one step ahead Stony Man is up against a deadly chimera Russian mafiya Afghan warlords and a mysterious German corporate magnate whose desire for revenge threatens to wipe America's eastern seaboard off the map **Splintered Sky** Don Pendleton, 2008-10-01 America's elite defense unit works under the radar and outside the law to stop terror before it hits America's streets But with each new crisis Stony Man's cyberwizards understand that the new battlefield is deep space Someday a superweapon may be impossible to stop With luck that day won't come thanks to Stony Man's field teams bringing the fight to the enemy face to face An invisible enemy plots to launch a dirty bomb from orbit exposing vulnerable cities to hard radiation Intel points to a multinational terror force bent on controlling the skies over the free world Suddenly the Farm is on a hunt for a threat that could shake the entire planet From deep cover penetration of hostile Red China to an emergency rescue flight to save the International Space Station the covert commandos are pushed to the limit especially when they have to prevent a suicide crash of a knockoff shuttle into New York City a collision that would turn the city into a smoking crater **The Eugenics Wars Volume Two** Greg Cox, 2012-07-31 A strange violent period in your history Spock Many unanswered questions remain about the terrible Eugenics Wars that raged on Earth during the 1990s an apocalyptic conflict that brought civilization to the brink of a new dark age Centuries later as Capt James T Kirk and the crew of the Starship Enterprise are forced to defend a colony of genetically enhanced humans against Klingon aggression and sabotage Kirk must probe deeper into the past and into the glory days of one of the greatest adversaries he has ever faced 1992 Almost twenty years ago Gary Seven and Roberta Lincoln undercover operatives for an unknown alien civilization failed to prevent the Chrysalis Project from creating an entire generation of supermen and women genetically engineered to be stronger smarter and more resourceful than ordinary human beings Now at last the children of Chrysalis have grown to adulthood and are rapidly demonstrating that superior abilities spawn superior ambition Perhaps the most formidable of this new breed of supermen is the charismatic Khan Noonien Singh Working behind the scenes of history as head of a vast global conspiracy Khan's power soon stretches across a quarter of the planet but that is only the beginning of his grand design Determined to unite humanity beneath the enlightened rule of a genetic elite Khan dreams of leading his fellow superhumans to complete and total domination of the world But several of his gene engineered brothers and sisters have equally grandiose visions for the future visions that recognize no one but themselves as supreme ruler Gary Seven and Roberta watch in horror as the children of Chrysalis wage a covert war against one another threatening the safety of millions and the future of the entire world **The Eugenics Wars Volume Two** is an earth shattering thriller that reveals the secret history of the twentieth century and the ultimate destiny of the tyrant known as Khan **Serial Vigilantes of Paperback Fiction** Bradley Mengel, 2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's *The Executioner* in 1969 This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton's

novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured

Doomsday Directive Don Pendleton, 2001 Grant Bentacourt wants to create his own technological utopia and puts together a plan where three combat groups of religious fanatics will attack the centers of their rivals thereby insuring the destruction of all three Can Stony Man stop Bentacourt in time

Maelstrom Don Pendleton, 2014-01-15 STONY MAN Bound by loyalty and patriotism the men and women of Stony Man don't think of themselves as heroes just dedicated Americans willing to do whatever it takes to protect the inalienable rights of freedom and justice No matter how difficult the mission how fierce or dangerous the enemy the cyber team and battle hardened warriors of America's most sophisticated action ready defense unit are willing to sacrifice everything in the name of duty honor and country MAELSTROM An advanced weapon prototype is hijacked by an unidentified group of mercenaries and followed by a wave of massacres in the streets of America's cities The torch of anarchy and hatred has been lit and waves of destruction have begun to spread across the globe A crisis has erupted as angry radicals are poised to become deadly freedom fighters so powerful that not even the superpowers can oppose them Stony Man's only chance America's only chance is to strike first strike hard strike now

Rolling Thunder Don Pendleton, 2014-01-15 STONY MAN The clandestine operations group known as Stony Man is unbound by rules of procedure and answers only to the Oval Office Hal Brognola's team of cyberwarriors and battlefield commandos takes the most direct approach to stem the tide of global terrorism and high crime As the court of last resort they handle the dirty work no other department or agency can touch ROLLING THUNDER The Basque Liberation Movement a militant splinter cell of Spain's notorious ETA terrorist group has seized a state of the art new supertank equipped with nuclear firing capabilities Intent on carrying their blood message to the world the BLM has planned a devastating show of force at a NATO conference in Barcelona As Stony Man's cybernetics team works feverishly to track the terrorists and the stolen warheads the commandos of Able Team and Phoenix Force hit the ground running But a clever resourceful enemy remains one step ahead in a race against the odds getting worse by the minute

Terms of Control Don Pendleton, 2014-01-15 STONY MAN The ultrasecret counterterrorist force called Stony Man utilizes a brilliant cybernetics team and a dedicated fighting force to combat the ever changing threats against the free world Stony Man answers only to the President But when politics public relations and treachery put the Oval Office in the hot seat Stony Man runs an uphill battle to avert global disaster with millions of lives hanging in the balance ONE NATION Supertankers bound for the U S are being sabotaged and key foreign enterprises in America are coming under attack The message is loud and clear someone wants the U S to close its borders to outsiders and Stony Man thinks it knows who The scheme is the brainchild of a powerful senator bringing his own brand of isolationism to the extreme He's hired mercenaries

to do the dirty work and the body toll is rising by the hour Stateside and across the globe a grim endgame is fast approaching
The outcome all boils down to luck timing and the combat skills of a few good men

Doomsday Directive Introduction

In today's digital age, the availability of Doomsday Directive books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Doomsday Directive books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Doomsday Directive books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Doomsday Directive versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Doomsday Directive books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Doomsday Directive books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Doomsday Directive books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Doomsday Directive books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Doomsday Directive books and manuals for download and embark on your journey of knowledge?
