Doomsday Cult:

Doomsday Cults iMinds,2014-05-14 Learn about the history of Doomsday Cults with iMinds insightful knowledge series A doomsday cult is a quasi religious group that believe the end of the world is imminent Doomsday cults are typically led by charismatic messiah figures who teach that their cult holds the secret to surviving the apocalypse More recently the term has come to include cults who carry out acts of violence or terrorism in an attempt to bring about revolutionary change Despite increased media attention in the last thirty years doomsday cults are not a recent phenomenon Sanskrit texts from Ancient India suggest that doomsday cults existed in prehistory In what is now the region of Kashmir in northern India a demoness named Long Tongue was worshipped by villagers in the hope she would prevent the end of the world by eating human waste By the sixth century AD Long Tongue was adapted by Hindu tradition and became the goddess Kali Kali is still present in the Hindu pantheon as the goddess of destruction but for most Hindus she does not hold an apocalyptic role iMinds brings targeted knowledge to your eReading device with short information segments to whet your mental appetite and broaden your mind iMinds unique fast learning modules as seen in the Financial Times Wired Vogue Robb Report Sky News LA Times Mashable and many others the future of general knowledge acquisition *Doomsday Diary* James Tower,2012 The Doomsday Diary is not about a political or religious event It is a lighthearted informative book with relevant tipping point ideas about how to thrive and prosper on the final day or if things get really bad [A History of the Apocalypse](#) Catalin Negru,2023-01-20 Religion For thousands of years this thing has dictated which people should live and which people should die what shape our buildings should have or what colors our garments should contain what food people should eat or what words people should speak If religion is the opium of the masses then beliefs about the end of the world are like overdoses People touched by such beliefs no longer rely on a hidden personal and intimate god contemplated upon from the safe distance of the beating human heart They live with the promise of divine intervention at a grand scale on the current coordinates of space and time This can be an exceptional motivator and a game changer in terms of civil obedience both at an individual and collective level In the name of an immediate and palpable deity people can commit shocking cruelties However such belief can also account for some of the most exceptional social developments in human history *The People Behind Cult Murders* Pete Schauer,2016-07-15 High school psychology students will read about what motivates the criminals behind cult murders After introducing the wide range of cults that exist in the world this book focuses on those cults that often feature violence abuse ritual death and mass murder Religious doomsday and terrorist cults are just some of the cults covered in this detailed book Historical accounts of cult murders are followed by descriptions of the psychology of the minds of cult leaders and followers **Cults** Stephanie Alice Baker,Eugene McLaughlin,Chris Rojek,2024-06-27 This engaging text introduces readers to the sociology of cults Covering the history and current state of cult studies this book includes topics ranging from doomsday cults and new religious movements through to self help cults the cult of celebrity intellectuals and

entrepreneurs Case studies as varied as David Koresh and the Branch Davidians the Manson family and the cult brands of Elon Musk Andrew Tate and Jordan Peterson are deployed to shed new light on cult formation in the twenty first century Amidst the rise of populist demagogues the online radicalisation of alienated individuals and the proliferation of celebrities and gurus with avid followings cult dynamics are everywhere in society Yet key urgent questions have not been clearly and concisely addressed What are cults Why do they emerge How are they established and maintained What is the future of cults and why are we so fascinated by them This book explores these questions by tracing the spectrum of cult formation historically and in today s networked media ecosystem This accessible introduction to the darkly fascinating world of cults is essential reading for academics and students of sociology social psychology religion politics business and cultural studies and anyone interested in understanding the relationship between cults and society **Apocalyptic Visions** Dean Miller,2014-08-01 Learn about the beliefs and folklore of death the apocalypse and the afterlife of societies around the globe including articles on heaven and hell our fascination with the dead the quest for immortality and so much more *Cults* Max Cutler, Kevin Conley,2022-07-12 A Gallery Book Gallery Books has a great book for every reader *Cult Controversies* James A. Beckford,1985 **Understanding Cults and New Age Religions** Irving Hexham,Karla Poewe,1998-05 *Grounded In Love* Rev. Charles Paisley, **Cults in Our Midst** Margaret Thaler Singer,2003-04-11 Cults today are bigger than ever with broad ramifications for national and international terrorism In this newly revised edition of her definitive work on cults Singer reveals what cults really are and how they work focusing specifically on the coercive persuasion techniques of charismatic leaders seeking money and power The book contains fascinating updates on Heaven s Gate Falun Gong Aum Shinrikyo Hare Krishna the Reverend Sun Myung Moon and the connection between cults and terrorism in Al Queda and the PLO **Mystics and Messiahs** Philip Jenkins,2000-04-06 In *Mystics and Messiahs* the first full account of cults and anti cult scares in American history Philip Jenkins shows that contrary to popular belief cults were by no means an invention of the 1960s In fact most of the frightening images and stereotypes surrounding fringe religious movements are traceable to the mid nineteenth century when Mormons Freemasons and even Catholics were denounced for supposed ritualistic violence fraud and sexual depravity But America has also been the home of an often hysterical anti cult backlash Jenkins offers an insightful new analysis of why cults arouse such fear and hatred both in the secular world and in mainstream churches many of which were themselves originally regarded as cults He argues that an accurate historical perspective is urgently needed if we are to avoid the kind of catastrophic confrontation that occurred in Waco or the ruinous prosecution of imagined Satanic cults that swept the country in the 1980s Without ignoring genuine instances of aberrant behavior *Mystics and Messiahs* goes beyond the vast edifice of myth distortion and hype to reveal the true characteristics of religious fringe movements and why they inspire such fierce antagonism *Terror, Love and Brainwashing* Alexandra Stein,2016-11-03 Written by a cult survivor and renowned expert on cults and totalitarianism *Terror Love and Brainwashing* draws on the author s 25 years of

study and research to explain how almost anyone given the right set of circumstances can be radically manipulated to engage in otherwise incomprehensible and often dangerous acts Illustrated with compelling stories from a range of cults and totalitarian systems from religious to political to commercial the book defines and analyses the common and identifiable traits that underlie almost all these groups It focuses on how charismatic authoritarian leaders control their followers attachment relationships via manipulative social structures and ideologies so that emotionally and cognitively isolated they become unable to act in their own survival interests Using the evolutionary theory of attachment to demonstrate the psychological impact of these environments and incorporating the latest neuroscientific findings Stein illustrates how the combined dynamic of terror and love works to break down people s ability to think and behave rationally From small local cults to global players like ISIS and North Korea the impact of these movements is widespread and growing This important book offers clarity and a unique perspective on the dynamics of these systems of control and concludes with guidance to foster greater awareness and prevention It will be essential reading for mental health professionals in the field as well as policy makers legal professionals cult survivors and their families as well as anyone with an interest in these disturbing groups Students of social and developmental psychology will also find it fascinating

Cults: A True Crime Collection

Wendy Biddlecombe Agsar,2024-03-26 Cults have been around for centuries and many have been dubbed as satanic and murderous due to their heinous crimes In Cults A True Crime Collection you will get to study the most notorious ones and what they did to achieve that notoriety Get to know the story behind the scariest cults in history including Charles Manson and the Manson Family Heaven s Gate and their mass suicide attempts Blood consuming cults like the Vampire Clan Jim Jones and the Jonestown Massacre The People s Temple and their cyanide laced drinks And more From gruesome suicides to clan murders Cults A True Crime Collection will tell you the real story behind the crimes and the leaders who orchestrated them This book also studies the rise and fall of said clans and what led them to commit such terrible crimes like mass murders and human sacrifices

Come Out Of Her My People: (Vol. I) A History of The Message of William Branham Charles Paisley,2024-06-01 William Branham was a influential Pentecostal ministers of the mid 20th century who began a cult following known as The Message While many biographies of William Branham have been published this is the first book on the history of The Message movement Written by the former associate pastor of the second oldest Message church in the world this book explores The Message community and the origins of its ideology The Message did not appear in a vacuum The ideology of The Message is merely a continuation and evolution of belief systems which came before What was that system Where did the ideology come from Are the sources reputable How did the early Message community form This first volume of the history of The Message will begin to shed light on these questions *The Falling Away* T. L. Hines,2010-09-13 He s been running from his calling his troubles and his demons His demons just caught up He has a unique name and a unique problem A member of Montana s Crow Tribe he is called Dylan Runs Ahead But that name couldn t be more off because he s spent years running away from his family his people his past and himself Now he s running out of places to run He s haunted by his younger sister s disappearance the recent death of a friend and his impending sense of being chosen for something of great importance But before Dylan can figure out what it really means to be chosen and whether he s going to embrace the cost of that calling he s going to have to slow down and face the demons he s been running from Demons that are all too real and aren t about to back down Enter a world where things aren t quite what they seem a novel bursting with supernatural suspense well crafted characters and spiritual insights that will defy your expectations and leave you both breathless and hopeful **The Paleolithic Paradigm** Terry Stocker,2009-12 The Paleolithic Paradigm takes us one step further in the nature nurture debate Certainly a certain percentage of our behaviors are biologically based However culture has the power to override much in genetic commands The Amish exemplify this no matter how much we qualify them as quaint Painting with a wide post modern paint brush Stocker takes on a journey through four cultures to show how different people can be He offers the analogy our genetic structure is the framework of any house How we cover and decorate that frame is often the product of ancient traditions However we are all products of the same cognitive processes thus explaining why we take ideas put into our heads as children to the grave whether we accept them reject them or alter them It is this commonality the author examines Accordingly he wants to know if we understand our cognition processes can we change out behavior at will

FAQs About Doomsday Cult Books

What is a Doomsday Cult PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Doomsday Cult PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Doomsday Cult PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Doomsday Cult PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Doomsday Cult PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
