Doorway To A Soul:

Doorway to the Soul Ron Scolastico, Ronald Barry Scolastico, 1997-04 According to Ron Scolastico a spiritual psychologist and teacher each of us holds the key to the mystery of life and the power of consciousness Doorway to the Soul teaches the reader how to unravel that mystery to have a profound spiritual experience His Story Stuart Hacking, 2014-08-18 We all love stories whether printed passed down orally from generation to generation or made into films We love stories whether they are fictional true mythical or legendary Stories are part of our human history and they help us understand being human But there is one story that underpins all other stories the story of why we exist All great human stories must interact with this story His Story explores this fundamental story by retelling the story of the Bible His Story tells the Biblical story of how God has opened up a doorway into our universe and how this impacts the metanarrative of all of our lives If you want to read the overarching story of the Bible in one short book then His Story is for you If you want to know the backstory of your life His Story is for you His Story is simply written but doesn't oversimplify It is a book for people who might call themselves Christians but also for all those who are curious about the ultimate story His Story the story of why we are here **Opening**
