use them to make you better That s why I titled this book Sunny Side Up It s how you view your circumstances and how you use them that make us who we are To me it s always been that simple and before you ask no I am not a Southern version of Tony Robbins I am just telling you the way I see it So with that being said I hope you will find some of these short stories humorous I hope a few of them will give you pause to appreciate your blessings and one or two that will tug at your heartstrings to encourage you to be a better friend and neighbor I know that some of these stories if not all will seem far fetched or unbelievable to many of you but like I said I grew up differently than most of you and my experiences in this life to say it bluntly are unbelievable in themselves But this book really isn t about me at all I am just a storyteller I love telling stories about characters with character and there are plenty of both in the stories before you And before I forget on behalf of my German shepherd Sadie and my black Lab Doc and myself thank you for buying this book We greatly appreciate it
