The Shade of the Saguaro / La sombra del saguaro. Essays on the Literary Cultures of the American Southwest / Ensayos sobre las culturas literarias del suroeste norteamericano Gaetano Prampolini, Annamaria Pinazzi,2013 This volume springs from that fruitful project of scientific cooperation between the humanities departments of Università di Firenze and University of Arizona which was the Forum for the Study of the Literary Cultures of the Southwest 2000-2007. Tricultural at least Native Hispanic and Anglo American and multilingual today's Southwest presents a complex coexistence of different cultures the equal of which would be hard to find elsewhere in the United States. Of this virtually inexhaustible object of study the essays here collected tackle an ample range of themes. While the majority of them are concerned with the literatures of the Southwest still a good third falls into the fields of history art history ethnography sociology or cultural studies. They are partitioned in four sections the first three reflecting the chronology of the stratification of the three major cultures and the fourth highlighting one of the most sensitive topics in and about contemporary Southwest the borderlands la frontera *Memoria que comprende los principios e instituciones del derecho civil de Navarra, que deben quedar*

Las sentencias del Tribunal Supremo de 5 de diciembre de 2013 y 15 de enero de 2014** Luis Ignacio Arechederra Aranzadi,2017-04-27 Este es un estudio monográfico de dos interesantes y muy comentadas Sentencias del Tribunal Supremo la de 5 de diciembre de 2013 y la de 15 de enero de 2014. La maternidad en parejas homosexuales femeninas ha venido teniendo inicialmente una solución atribuir la maternidad a la madre que utilizaba la técnica de la reproducción asistida sin contar con el consentimiento de la otra mujer y permitir que esta pudiera después adoptar al hijo nacido. De este modo la filiación del hijo se determinaba respecto de su madre gestante como filiación por naturaleza y como filiación adoptiva respecto de la mujer de su madre. El legislador consciente de que la fórmula era práctica pero poco satisfactoria optó en 2007 por ofrecer a la mujer que estuviera casada con la gestante la

posibilidad de manifestar ante el Registro Civil su consentimiento a que cuando nazca el niño de su cónyuge se determine a su favor la filiación respecto del nacido Pero y si falta esa manifestación del consentimiento del cónyuge o no hay consentimiento de la gestante Y si las mujeres no están casadas El autor de esta obra dice que el régimen de la filiación pertenece a la arquitectura del modelo de familia y en consecuencia de la sociedad en la que vivimos pero ha de ser el legislador quien diseña el modelo sin que pueda hacerlo la sola voluntad de los particulares Ni tampoco el Tribunal Supremo salvo que se quiera rebasar el principio de división de poderes Por ejemplo y así lo dice el Voto particular formulado a la Sentencia de 2014 no se comprende que por el solo hecho de que la compa era de la madre gestante haya convivido con ellos durante sus tres primeros años de vida pueda declararse la madre Dice la mayoría de la Sala que todo es por el supremo interés del menor pero más bien parece que lo que prevalece es la aspiración de ser madre de una mujer El resultado es que ostentar la patria potestad adquirir expectativas sucesorias sobre bienes que pueden pertenecer a la otra mujer podrá decidir sobre la educación del niño en edades decisivas para su formación reclamar su guarda y custodia y en fin participar en las decisiones sobre todas las cuestiones que afecten al menor A cambio la madre biológica ver inevitablemente coartada su libertad en todo lo que se refiera a su hijo Se crea así una situación potencialmente conflictiva en la que no se alcanza a ver ningún beneficio para el menor Realidad ilusoria y delirio en el Derecho de filiación es una obra que no dejar a nadie indiferente El profesor Arechederra Aranzadi que publica en esta editorial las interesantes monografías Los matrimonios irregulares en Escocia 2004 y Cohabitación y matrimonio la experiencia escocesa 2007 posee una muy dilatada y reconocida producción científica en Derecho civil y es un consumado especialista en Derecho de familia **¿Qué es el Nacional-Socialismo?
