## **Dostoevsky And Dickens A Study Of Literary Influence:**

**Dostoevsky and Dickens** N. M. Lary, 1973 What did Dickens mean to Dostoevsky and what did the Russian writer owe to England's greatest entertainer Many of Dickens readers have recognized that his achievement needs to be compared with Dostoevsky's and they have suspected or assumed an influence This book shows what the literary influence really or probably was

**Dostoevsky and Dickens: A Study of Literary Influence** N M Lary, 2013-10-16 What did Dickens mean to Dostoevsky and what did the Russian writer owe to England's greatest entertainer Many of Dickens readers including George Gissing and Edmund Wilson have recognized that his achievement needs to be compared with Dostoevsky's and they have suspected or assumed an influence N M Lary's book shows what the literary influence really or probably was

*Dostoevsky's Dickens* Loralee MacPike, 1981 **Dostoevsky and Dickens: A Study of Literary Influence (RLE Dickens)** N M Lary, 2013-10-16 What did Dickens mean to Dostoevsky and what did the Russian writer owe to England's greatest entertainer Many of Dickens readers including George Gissing and Edmund Wilson have recognized that his achievement needs to be compared with Dostoevsky's and they have suspected or assumed an influence N M Lary's book shows what the literary influence really or probably was

**Dostoevsky in the Arts and Beyond** Olga Tabachinkova, Liudmila Saraskina, Galima Lukina, Ekaterina Salnikova, 2024-08-30 The book is a substantial contribution to international Dostoevsky research exploring Dostoevsky's contemporary relevance from a multicultural and multidisciplinary perspective It offers some fresh readings of Dostoevsky's texts presenting new complex studies on the writer and his works in the mirror of several arts of the last three decades The book is divided into three Parts featuring researchers from Bulgaria Great Britain Russia and Ukraine Part One deals with conceptual issues treating Dostoevsky above all as a prophet and philosopher and thus determines the ideological system of coordinates for the studies presented in the rest of the book Part Two examines Dostoevsky's legacy through the lenses of literary theory music and Illustration art and Part Three via world cinema and theatre The volume has gathered together an array of original and innovative studies from world leading experts in Dostoevsky's creative universe to make an authoritative input into the field

**The Oxford Handbook of the Victorian Novel** Lisa Rodensky, 2013-07-11 The Oxford Handbook of the Victorian Novel contributes substantially to a thriving scholarly field by offering new approaches to familiar topics as well as essays on topics often overlooked

**The Dickens Industry** Laurence W. Mazzeno, 2008 The story of the surprisingly fluctuating critical reputation of one of the great writers of the English language Undoubtedly the best selling author of his day and well loved by readers in succeeding generations Charles Dickens was not always a favorite among critics Celebrated for his novels advocating social reform for half a century after his death he was ridiculed by those academics who condescended to write about him Only the faithful band of devotees who called themselves Dickensians kept alive an interest in his work Then during the Second World War he was resurrected by critics and was soon being hailed as the foremost writer of his age a literary genius alongside Shakespeare and Milton

More recently Dickens has again been taken to task by a new breed of literary theorists who fault his chauvinism and imperialist attitudes. Whether he has been adored or despised, however, one thing is certain: no other Victorian novelist has generated more critical commentary. This book traces Dickens's reputation from the earliest reviews through the work of early 21st century commentators, showing how judgments of Dickens changed with new standards for evaluating fiction. Mazzeno balances attention to prominent critics from the late 19th century through the first three quarters of the 20th with an emphasis on the past three decades during which literary theory has opened up new ways of reading Dickens. What becomes clear is that in attempting to provide fresh insight into Dickens's writings, critics often reveal as much about the predilections of their own age as they do about the novelist. Laurence W. Mazzeno is President Emeritus of Alvernia University, Reading, Pennsylvania.

**Shakespeare and Dickens** Valerie L. Gager, 1996-06-06 This 1996 book traces Dickens's interest in Shakespeare through his own reading and performance and through theatrical, literary, and artistic sources.

**The Cambridge Companion to Modern Russian Culture** Nicholas Rzhevsky, 2012-04-05 A fully updated new edition of this overview of contemporary Russia and the influence of its Soviet past.

Neo-Formalist Papers, 2023-12-28 The BRILL series Studies in Slavic Literature and Poetics occupies a unique place in the academic and intellectual book market due to its emphasis on theoretically informed and interdisciplinary approaches to the study of Slavic literatures and cultures. The series welcomes book proposals for monographs or edited volumes discussing questions of Slavic culture, identity, and history as expressed in literature, film, and other forms of cultural production. Authors are cordially invited to submit proposals and/or full manuscripts to the publisher at BRILL.

Masja Horn Novels and the Sociology of the Contemporary Arpad Szakolczai, 2016-04-14 This book substantiates two claims. First, the modern world was not simply produced by objective factors rooted in geographical discoveries and scientific inventions to be traced to economic, technological, or political factors, but is the outcome of social, cultural, and spiritual processes. Among such factors, beyond the Protestant ethic, Max Weber, the rise of the absolutist state, and its disciplinary network, Michel Foucault, or court society, Norbert Elias, a prime role is played by theatre. The modern reality is deeply theatricalized. Second, a special access for studying this theatricalized world is offered by novels. The best classical novels not simply can be interpreted as describing a world like the theatre, but they capture and present a world that has become thoroughly transformed into a global theatre. The theatre effectively transformed the world, and classical novels effectively analyze this theatricalized reality much better than the main instruments supposedly destined to study reality, philosophy, and sociology. Thus, instead of using the technique of sociology to analyze novels, the book will treat novels as a royal road to analyze a theatricalized reality in order to find our way back to a genuine and meaningful life.

Slavic Sins of the Flesh Ronald D. LeBlanc, 2012-07-03 A pathbreaking gastrocritical approach to the poetics of Dostoevsky, Tolstoy, and their contemporaries.

**Dostoevsky Studies**, 1987

**Turgenev and Russian Culture**, 2008-01-01 The present volume has as its central aim a reassessment of the works of Ivan Turgenev for the twenty-first

century Against the background of a decline in interest in nineteenth century literature the articles gathered here seek to argue that the period in general and his work in particular still have much to offer the modern sensibility The volume also offers a great variety of approaches Some of the contributors tackle major works by Turgenev including *Rudin* and *Smoke* while others address key themes that run through all his creative work Yet others address his influence as well as his broader relationship with Russian and other cultures A final group of articles examines other key figures in Russian literary culture including Belinskii Herzen and Tolstoi The work will therefore be of interest to students postgraduates and specialists in the field of Russian literary culture At the same time they will stand as a tribute to the life and work of Professor Richard Peace a long standing specialist in nineteenth century Russian literature in whose honour the volume has been compiled

**A People Passing Rude** Anthony Cross, 2012-11-01 The essays in this stimulating collection attest to the scope and variety of Russia's influence on British culture They move from the early nineteenth century when Byron sent his hero Don Juan to meet Catherine the Great and an English critic sought to come to terms with the challenge of Pushkin to a series of Russian themed exhibitions at venues including the Crystal Palace and Earls Court The collection looks at British encounters with Russian music the absorption with Dostoevskii and Chekhov and finishes by shedding light on Britain's engagement with Soviet film Back cover

*The absurd in literature* Neil Cornwell, 2013-07-19 Neil Cornwell's study while endeavouring to present an historical survey of absurdist literature and its forbears does not aspire to being an exhaustive history of absurdism Rather it pauses on certain historical moments artistic movements literary figures and selected works before moving on to discuss four key writers Daniil Kharms Franz Kafka Samuel Beckett and Flann O'Brien The absurd in literature will be of compelling interest to a considerable range of students of comparative European including Russian and Central European and English literatures British Isles and American as well as those more concerned with theatre studies the avant garde and the history of ideas including humour theory It should also have a wide appeal to the enthusiastic general reader

The Walker Matthew Beaumont, 2020-11-10 Can you get lost in a crowd It is polite to stare at people walking past on the street What differentiates the city of daylight and the nocturnal metropolis What connects walking philosophy and the big toe Can we save the city or ourselves by taking the pavement There is no such thing as the wrong step every time we walk we are going somewhere In a series of riveting intellectual rambles Matthew Beaumont retraces a history of the walker from Charles Dickens's insomniac night rambles to wandering through the faceless windswept monuments of the neoliberal city including Edgar Allan Poe Andrew Breton H G Wells Virginia Woolf Jean Rhys and Ray Bradbury As the author shows the act of walking is one of escape self discovery disappearances and potential revolution and explores the relationship between the metropolis and its pedestrian life

*The Dostoevsky Encyclopedia* Kenneth Lantz, 2004-06-30 One of the greatest writers of all time Fyodor Dostoevsky 1821-1881 is best known for such masterpieces as *Crime and Punishment* and *The Brothers Karamazov* His works are widely read and studied today and he has received much biographical and critical attention Like

many other writers of enduring literature he engages timeless moral and theological issues His writings and ideas are complex and reflect the swirling political and intellectual controversies of his time This encyclopedia is a convenient and comprehensive guide to his life and writings Through more than 200 alphabetically arranged entries this reference details his life and career Each of his fictional works is discussed as are his major pieces of journalism There are also entries for his family members close friends and associates places where he lived literary movements with which he is associated and journals or newspapers in which he published Also included are entries for major writers and thinkers who influenced his works and for ideas and themes that figure prominently in his writings The entries cite works for further reading and the encyclopedia closes with a selected general bibliography of major works

*The Family Novel in Russia and England, 1800-1880* Anna A. Berman, 2022-08-25 This book offers a new understanding of the relationship between family structures and narrative structure in the nineteenth century novel Comparing Russia and England it argues that the two nations had fundamentally different conceptions of the family and that these in turn shaped the way they constructed plots The English placed primary value on the vertical diachronic family axis looking back to ancestors and head to progeny while the Russians emphasized the lateral synchronic axis family expanding outward in the present from nuclear core to extended and chosen kin This difference shaped the way authors plotted consanguineal relations courtship and marriage and alternative kinship constructions Idealizing the domestic sphere and emphasizing family continuity the English novel made family a conservative force while Russian novels approached it as a backward site of patriarchal tyranny in desperate need of reform Russian family plots offered a progressive liberalizing push toward new nontraditional family constructions The book's comparative approach calls for a re evaluation of reigning theories of the novel theories that are based on the linear English family model and cannot accommodate the more complex Russian alternative It reveals where these theories fall short explains the reasons for their shortcomings and offers a new way of conceptualizing family's role in shaping the nineteenth century novel Classics from Dickens Eliot and Trollope to Dostoevsky Tolstoy and Turgenev are contextualized in the broader literary landscape of their day and Russia's great women writers regain their rightful place alongside their male counterparts as the book draws together family history literary analysis and novel theory

**Dostoevsky and Soviet Film** Nikita M. Lary, 2019-06-30 The Soviets have long struggled with the knotty problem of assimilating Dostoevsky into a revolutionary culture Yet to filmmakers he has been a continuing inspiration a novelist of ideas with an unparalleled gift for visualization The sensitive medium of film with its popularity and high official status in the Soviet Union provides a unique opportunity to study the interplay between art and ideology Offering a vivid picture of Soviet culture and comparing and contrasting the aesthetics of Socialist Realism and modernism this book shrewdly demonstrates that film and Dostoevsky have served each other well Dostoevsky and Soviet Film blends three major motifs with ease and elegance an analysis of all films produced in the Soviet Union which used Dostoevsky's fiction as well as those planned but never realized a history of the Soviet film

industry spanning prerevolutionary days to the present and an exploration of the dual challenge of art and politics which Soviet film has consistently had to face N M Lary demonstrates the ways in which a number of film artists Eisenstein Grigori Kozintsev Viktor Shklovsky and Fridrikh Ermler among them altered and extended the language of film under Dostoevsky's influence He has included substantial excerpts from Eisenstein's notes from his Chapter on Dostoevsky which appear here for the first time in any language and he also draws upon other theoretical and critical writings film scripts project notes interviews contemporary reviews and many autobiographical reminiscences Besides discussing such Dostoevsky adaptations as Ivan Pyriev's *The Brothers Karamazov* Alov and Naumov's suppressed *Nasty Story* Kulidzhanov's *Crime and Punishment* and Ermler's *Great Citizen* Lary offers suggestive critical analyses of Eisenstein's *Ivan the Terrible* and Kozintsev's *King Lear* He provides as well his own provocative readings of Dostoevsky uncovering new layers of meaning in the texts through his close study of their filmic treatment Lary's book tells the fascinating story of Dostoevsky and Soviet film as it unfolds both onscreen and off It not only reveals some hidden sides of Soviet resistance to Dostoevsky's work but through its insights contributes toward a new understanding of the uses of literature in film

## **Dostoevsky And Dickens A Study Of Literary Influence Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Dostoevsky And Dickens A Study Of Literary Influence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Dostoevsky And Dickens A Study Of Literary Influence has opened up a world of possibilities. Downloading Dostoevsky And Dickens A Study Of Literary Influence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Dostoevsky And Dickens A Study Of Literary Influence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Dostoevsky And Dickens A Study Of Literary Influence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Dostoevsky And Dickens A Study Of Literary Influence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Dostoevsky And Dickens A Study Of Literary Influence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Dostoevsky And Dickens A Study Of Literary Influence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Dostoevsky And Dickens A Study Of Literary Influence Books

1. Where can I buy Dostoevsky And Dickens A Study Of Literary Influence books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
