fielders going back to 1893 Humphreys tests his results against other fielding measures including published ratings based on proprietary batted ball location data and explains their respective strengths and limitations He also introduces a method for adjusting historical player ratings for increased competition due to population growth integration and international recruitment Position by position Humphreys identifies and profiles the greatest fielders of all time with anecdote rich essays Sabermetrics changed baseball and introduced a generation to the art of statistical inference Wizardry makes the case for the most significant changes in historical player valuation in decades while opening up new approaches for further exploration Winning Softball for Girls Facts On File, Incorporated,2009 Reviews rules recommends conditioning exercises discusses positions and explains offensive and defensive strategies Pitched Battle John Klima,2002-01-01 Pitching duels are the essence of baseball competition they require great measures of patience and fundamentals and take the best one pitcher has to offer and give him a loss he does not deserve They do not happen often but when two good pitchers alternately take the mound and remove the game from the batters hands spectators are on the edges of their seats Those rare games and pitchers get all the attention in this work as the author provides commentary on the greatest pitching duels of all time It covers 35 of them beginning with that of May 5 1904 between Rube Waddell and Cy Young and ending with the May 28 2000 opposition of Pedro Martinez and Roger Clemens Other highlighted games include those pitting Christy Matthewson against Chief Bender Sherry Smith against Babe Ruth Bill Wright against Satchel Paige Warren Spahn against Juan Marichal Bob Gibson against Don Drysdale Steve Carlton against Phil Niekro and Greg Maddux against Pedro Martinez just to name a few *Coaching Youth Softball* American Sport Education Program,2007 Fun safety and effective instruction are the focus of the fourth edition of Coaching Youth Softball helping you create an environment that promotes learning cultivates a love of the game and motivates your athletes to come out for the team year after year Numerous coaching books present the skills and drills of softball But here s a book that teaches you how to convey those skills to your athletes in an engaging and positive manner Endorsed by Babe Ruth Softball Coaching Youth Softball is focused on teaching offensive and defensive skills through gamelike drills which sets it apart from the current lineup of softball coaching books The fourth edition includes 12 new drills and 37 age specific coaching tips that are sure to jump start your practices all in a reorganized format geared for sequential learning and quick reference Coaching Youth Softball s double play of softball fundamentals and essential coaching skills like communicating with parents and officials motivating players and preparing for games and practices makes this book a must read as you prepare to meet the challenges and enjoy the rewards of coaching young athletes **Complete Guide to Slowpitch Softball** Rainer Martens,Julie S.
