Interpreting Devotion Karen Pechilis,2013-03-22 Devotion is a category of expression in many of the world's religious traditions This book looks at issues involved in academically interpreting religious devotion as well as exploring the interpretations of religious devotion made by a sixth century poet a twelfth century biographer and present day festival publics The book focuses on the female poet saint K raikk l Ammai y r whose poetry is devotional in nature It discusses the biography written on the poet six centuries after her lifetime and suggests ways of interpreting K raikk l Ammai y r's poetry without using the categories and events promoted by her biographer in order to engage her own thoughts as they are

communicated through the poetry attributed to her In the same way that the biographer made the poet speak to his present day the book looks at how festivals held today make both the poetry and the biography relevant to the present day By discussing how poetry story and festival provide distinctive yet overlapping interpretations of the saint this book reveals the selections and priorities of interpreters in the making of a living tradition It is an accessible contribution to students and scholars of religion Indian history and women s studies **Hellenistic Pottery: Text** Susan I.
