Double Happiness Mary Rubel, 1981 **Paperbound Books in Print**, 1992 *Asia*, 1918 *Double Happiness* Tony Brasunas, 2013-12-12 Tony Brasunas's award winning debut memoir is a portrait of life in China and a groundbreaking story of coming of age in today's era of globalization In a classroom in sultry Guangzhou having never before left the United States nor taught a class on anything armed only with a beginner's grasp of the language Brasunas confronts thirty seven expectant ninth graders in white uniforms When he fails repeatedly often humorously in the tense classroom an intrinsic curiosity about Chinese culture and about himself springs from within and drives him not only to keep trying with his ninth graders but to trust his instincts in the dishonest streets as well and ultimately to make new friends from all walks of life When the school year ends Brasunas sets off with just a backpack across the vast hinterlands of China along the Silk Road in the north and to the edge of ancient Tibet in the west His intrepid odyssey not only brings him face to face with a rich tapestry of people from Muslim political dissidents in Linxia to monks in mountainous Tibetan monasteries but also plunges him into unexpected peril torturous romance and wild twists of fate that transform his basic understanding of right and wrong beauty and truth suffering and happiness Bold and inspiring *Double Happiness* is a vivid journey across China and through the soul of a young American EDITORIAL REVIEWS A very talented writer a journey filled with rich insight Writer's Digest Book Awards A life altering experience teaching traveling and transformation San Jose Mercury News Inspirational and striking travel writing at its best Midwest Book Review This book will sweep you across the ocean to another land and you will take a journey that will leave you forever changed The Book Wheel A brilliant new writer an unforgettable journey Anodea Judith author of *Waking the Global Heart* **Encyclopedia of China** Dorothy Perkins, 2013-11-19 Presents a representative cross section of entries on all aspects of the history and culture of China Alphabetically organized the entries include major cities and provinces historical eras and figures government and politics economics religion language and the writing system food and customs sports and martial arts crafts and architecture important Chinese figures outside of mainland China important Westerners in China *Contemporary Religions in China* Shawn Arthur, 2019-01-30 Folk and popular religion is a very significant part of Chinese religious life especially in rural areas *Contemporary Religions in China* focuses on the religious activities of the lay people of contemporary China and their ideas of what it means to be religious and to practice religion Throughout the discussion is illustrated with case studies textboxes images thought questions and further reading which help to capture what religion is like how and why it is practiced and what religion means for everyday people across China in the twenty first century *Contemporary Religions in China* is an ideal introduction to religion in China for undergraduate students of religion Chinese studies and anthropology *New York Magazine*, 1995-09-18 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the

magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

China's Living Houses Professor and Chairman Department of Geography Ronald G Knapp, Ronald G. Knapp, 1999-01-01 It has been said that for the Chinese a house is a living symbol one endowed with meaning and the result of conscious action China's Living Houses is the first book in any language to explore comprehensively the extraordinarily complex links among folk beliefs and household ornamentation across time space and social class Well written and copiously illustrated it reveals dwellings as dynamic entities that express the vitality of Chinese families as each journeys through life

Artistic and Intellectual Practices in Contemporary China Carol Yinghua Lu, 2025-01-20 This edited volume is the first internationally available English translation of key lectures and essays delivered at Beijing's Inside Out Art Museum over the past decade The book elevates a chorus of voices from domestic and international intellectuals artists curators and historians in a dialogue that reframes Chinese art from 1949 to the present Part I offers critical academic complications of the story of Chinese art from the 1950s to the present as one singularly defined and stifled by political revolution It traces important continuities and early examples of contemporary art practice to the Party's birth and consolidation of power from the 1920s onwards It relates the formation of contemporary art to the historical course of intellectual practice in China from 1949 Part II proposes China as an issue requiring historical interrogation rather than an inviolable entity It questions the efficacy of Asia as a term presents case studies of independent publishers that challenged tightly crafted historical narratives and wraps up with incisive reflections on the challenges confronting creatives and historians in China today With chapters ranging from peer reviewed scholarship to cuttingly humorous personal anecdotes its contributing authors give rare first hand accounts of navigating pertinent historical and current situations including censorship China's ill liberalism and COVID 19 This book offers readers an ear to heretofore closed door conversations in leading modern and contemporary art spaces

Contemporary American Independent Film Chris Holmlund, Justin Wyatt, 2005 From Easy Rider to The Blair Witch Project this book is a comprehensive examination of the independent film scene Exploring the uneasy relationship

between independent films and the major studios the contributors trace the changing ideas and definitions of independent cinema and the diversity of independent film practices They consider the ways in which indie films are marketed and distributed and how new technologies such as video cable and the internet offered new opportunities for filmmakers to produce and market independent films Turning to the work of key auteurs such as John Sayles and Haile Gerima contributors ask whether independent filmmakers can also be stars and consider how indie features like *Boys Don't Cry* and *Shopping for Fangs* address issues of gender sexuality and ethnicity normally avoided by Hollywood For all students of film studies and American studies this cultural journey through independent film history will be an absolute must read
