Bestselling author Don Whitney carefully walks readers through the Bible's teaching on salvation and eternal life in this well-researched guide by addressing issues such as: Is assurance of salvation possible? Is it normal to have doubts about salvation? Signs of a genuine believer? The basis of assurance? Common problems that erode our certainty? And more. Insightful and encouraging, this book will calm your spirit and point solidly to our living hope: Jesus Christ. Now updated with questions for personal study or group discussion that will help you dive deeper. Every book Don Whitney writes is worth the cover price. Pastors should buy a box of them to give to doubting church members. Jason K. Allen, president of Midwestern Baptist Theological Seminary. If you have questions about your assurance or even somebody else's, you should read this book. Dr. Whitney's illustrations are superb, and his borrowings from the great theologians of the past are wise, stimulating, and well-chosen. I commend his work highly. James M. Michael Christ, 2024-08-08 What is the most important book on sanctification For John Murray it was Walter Marshall s *The Gospel Mystery of Sanctification* William Cowper praised Marshall I think Marshall one of the best and most spiritual expositors of Scripture The Marrow men also commended Marshall Even Andrew Murray believed *Gospel Mystery* to be the one book admitted by all to be the standard on sanctification Marshall s enduring value is well established yet scarcely any resources explain Marshall s theology T Michael Christ s *A New Creation in Christ* fills this void by exploring Marshall s theology in the context of the antinomian and neonomian controversies of Marshall s day At a time when interlocutors were pushing one another to further extremes Marshall achieves balance because he grounds sanctification in the believer s union with Christ and deploys two limiting concepts that discourage using one error to refute the other He insists both that some measure of assurance of salvation must precede actual works of holiness refuting neonomianims and that holiness is a necessary part of salvation countering antinomianism *A New Creation in Christ* explores how these limiting concepts translate into practical help for those who as Marshall says pursue holiness under the guilt and power of indwelling sin *The Works of the Most Reverend Dr. John Tillotson, ...
