Doubters And Dreamers:

Doubters and Dreamers Janice Gould, 2011-01-20 *Doubters and Dreamers* opens with a question from a young girl faced with the spectacle of Indian effigies lynched and burned in jest before UC Berkeley's annual Big Game against Stanford. What is a debacle? Mom. This innocent but telling question marks the girl's entrance into the complicated knowledge of her heritage as a mixed blood Native American of Koyangkauwi Concow Maidu descent. The girl is a young Janice Gould and the poems and narrations that follow constitute a remarkable work of sustained and courageous self-revelation retracing the precarious emotional terrain of an adolescence shaped by a mother's tough love and a growing consciousness of an ancestral and familial past. In the first half of the book *Tribal History*, Gould ingeniously repurposes the sonnet form to preserve the stories of her mother and aunt who grew up when muleback was the customary mode of transport and the spirit world was present. Stories of old ways and places claimed in memory but lost in time. Elsewhere she remembers her mother's ferocious upright anger and her unexpected tenderness. Like a miracle I was still her child culminating in the profound expression of loss that is the poem *Our Mother's Death*. In the second half of the book *It Was Raining*, Gould tells of the years of lonely self-making and unfulfilled dreams as she comes to terms with what she has been told are her crazy longings as a lesbian. It's been hammered into me that I'll be spurned by a real woman, the only kind I like. The writing here commemorates old loves and relationships in language that mingles hope and despair, doubt and devotion veering at times into dreamlike moments of consciousness. One poem and vignette at a time *Doubters and Dreamers* explores what it means to be a mixed blood Native American who grew up urban, lesbian, and middle class in the West. *Doubters and Dreamers* Bill Comeau, 1973-03 *Rise of a Leader* Srijon Chatterjee, 2018-04-30 The book titled *Rise of a leader* is written based on the practical problems that the youth are facing in today's world. To encourage the depressed youths and students of the society and to make them understand that failure is the creator of success is the main focus of this book. It will help them in reaching their destiny with the powerful leadership qualities. It is the story of an Engineering college dropout student, namely Srinath, to a transformed business tycoon who is the main character of the story. As he was tortured brutally and was hospitalized, he became mentally depressed and left his study due to fear of being ragged again. As engineering was his dream and as he couldn't complete it, the situation led him to a stage of frustration and he started thinking of himself as a burden on his family. His father was not financially strong; his mother sold her jewellery during his admission. All the thoughts forced him to think of himself as good for nothing. So he decided to commit suicide to make his family free from the unnecessary burden. At the spot chosen by him for committing the cowardly act, he met with an old man named Parthasarathi and this was the turning point of his life. The old man finally became Srinath's Guru. He made Srinath the leader, the business mogul through several sessions of leadership wisdom. This entire book is a packed wisdom capsule and can help anybody to become a leader in society. **"What's it all about?" or, both sides of the "Rivulet" Controversy; with a fourth appendix for Mr. Binney's Letter to the**
