Sucker Punch Jack Cashill, 2006-01-29 Everything that he has done was against this country Joe Frazier on Muhammad Ali Part man part myth and all American Muhammad Ali is history's most beloved most revered athlete But though he was The Greatest inside the ring outside he was a hulking mass of contradictions This book is the first comprehensive pull no punches account of America's least likely icon Jack Cashill explores the changing mores and racial dynamics of the sixties alongside Ali's epic battles in the ring What Ali did great or otherwise was to channel the spirit of his age He captured the ethos of that decade all too well It wasn't pretty I was there and I know what I saw Cashill reveals how Elijah Muhammad seduced Ali and how that seduction spelled the betrayal of Dr King's dream the death of Malcolm X the humiliation of Joe Frazier the rise of Don King and the tragic undoing of Mike Tyson and proves that Ali was an unapologetic sexist and unabashed racist calling for the lynching of interracial couples and an American apartheid as late as 1975 Ali routinely denigrated black heroes who did not share his point of view including Joe Louis Jackie Robinson Thurgood Marshall and especially Joe Frazier Ali shamelessly courted some of the most brutal dictators on the planet Qaddafi Idi Amin Papa Doc Duvalier Nkrumah Mobutu and Ferdinand Marcos With unusual sympathy and unflinching insight Cashill assesses Ali's boxing conquests and political influence He shows how the very figure who could have brought America's diverse people together when it mattered instead tore them apart Jack Cashill has written and directed *The Holocaust through Our Own Eyes* *The Soul of the West* and the Emmy Award winning *The Royal Years* among other documentaries for regional PBS and national cable channels Cashill has a Ph D in American studies from Purdue and has been published in the *Wall Street Journal* *Washington Post* *Fortune* *Weekly Standard* *WorldNetDaily* and *Ingram's* where he serves as executive editor He is also the author of *First Strike* *Ron Brown's Body* and *Hoodwinked How Intellectual Hucksters Have Hijacked American Culture*

High-Profile Crimes Lynn S. Chancer, 2010-02-15 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In *High Profile Crimes* Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this phenomenon has affected the law the media and social movements An astute and incisive chronicle of some of the most polarizing cases of the 1980s and 1990s *High Profile Crimes* shows that their landmark status results from the overlapping interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent effects on both social movements and the law On the one hand high profile crimes offer important opportunities for emotional expression and raise

awareness of social issues But on the other hand social problems cannot be resolved through the either or determinations that are the goals of the legal system creating frustration for those who look to the outcome of these cases for social progress Guilt or innocence through the lens of the media leads to either defeat or victory for a social cause a confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and police racism that it had come to symbolize Based on nearly two hundred interviews Chancer s discussions of the infamous Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional and innovative analysis of the most charged public dramas of the last two decades **Fighting for Justice** Mark Shaw,2022-11-29 Investigative reporting at its best Mark Shaw s original work into the questionable deaths of Marilyn Monroe and Dorothy Kilgallen is now focused on the many unanswered questions left by the Warren Commission s inquiry into the JFK assassination Fighting for Justice has to be read Nicholas Pileggi author of Wiseguy and Casino Packed with shocking new evidence Fighting for Justice exposes the cover ups of the JFK assassination and the murders of Dorothy Kilgallen and Marilyn Monroe while revealing for the first time the corrupt inner workings of the Warren Commission based on the firsthand whistleblower account of an actual Commission member never identified before How does an explosive whistleblower account from a Warren Commission WC member never identified before destroy once and for all the biggest lie in American history the Oswald Alone theory On what basis did the member admit It s more than Oswald There is internal corruption on the Commission I do not agree with the Report Is the whistleblower the same one who surreptitiously passed Jack Ruby s WC testimony to journalist Dorothy Kilgallen prior to its release date And how did President Lyndon Johnson and J Edgar Hoover strong arm the commission to prevent any investigation of the truth about who killed JFK and why Based on fifteen years of research answers to these questions and more are uncovered in Fighting for Justice bestselling author and noted historian Mark Shaw s improbable journey to exposing cover ups of the JFK assassination while proving Marilyn Monroe and Kilgallen were murdered
