It is the self-generating genesis of Bliss created by Bliss for the purpose of Bliss. It is the uninhibited impulsive sport of Brahman, the free spirit of creation that results in the spontaneous unfolding of the cosmos to be found in the eternity of each moment. It is beyond the confining locks and chains of reason beyond the steel-barred windows looking out from the cages of explanation beyond the droning tick-tick-tick of the huge mechanical clocks of time. Come let us enter the realm of the madman and the finely wrought threads of Clotho as they are measured out by Lachesis and cut by Atropos to create the great tapestry of life including the intricate intertwining designs of dementia with the trickster the shaman the scapegoat the shadow the artist and the savior. Come let us join in the divine madness of the gods. Bob Dylan John Nogowski, 2022-07-29. Bob Dylan and the Spheres of Existence Christopher B. Barnett,2023-03-20 Bob Dylan and the Spheres of Existence shows that existential questions lie at the heart of Bob Dylan s songwriting a point that will developed with the help of renowned Danish philosopher S ren Kierkegaard One of the focal points of Kierkegaard s authorship is the journey towards authentic selfhood Famously he thematizes this journey in terms of existential spheres the aesthetic the ethical and the religious Whereas the aesthetic involves a preference for immediacy the ethical has to do with achieving a sense of personal

identity by way of living for enduring commitments and values Yet higher than both of these stages is the religious which initially concerns the immanent human quest for eternal life but for Kierkegaard ultimately comes to rest in God's transcendent self revelation in Jesus Christ This book argues that Kierkegaard's theory can help us deepen our understanding of and relation to Dylan's art Just as Kierkegaard presupposes existential movement and transformation so is Dylan celebrated for his shifting personae and philosophical variance But this is not mere aesthetic dabbling on Dylan's part On the contrary his diverse masks and voices encourage his audience to engage the worldview being presented albeit in such a way that religious faith is identified as humanity's source of ultimate meaning
