Management Course for Air Force Supervisors (Mgt-1) United States. Department of the Air Force,1955 **This Compost** Jed Rasula,2012-09-01 Poetry for Jed Rasula bears traces of our entanglement with our surroundings and these traces define a collective voice in modern poetry independent of the more specific influences and backgrounds of the poets themselves In This Compost Rasula surveys both the convictions asserted by American poets and the poetics they develop in their craft all with an eye toward an emerging ecological worldview Rasula begins by examining poets associated with Black Mountain College in the 1950s Charles Olson Robert Creeley and Robert Duncan and their successors But This Compost extends to include earlier poets like Robinson Jeffers Ezra Pound Louis Zukofsky Kenneth Rexroth and Muriel Rukeyser as well as Clayton Eshleman Gary Snyder Michael McClure and other contemporary poets Walt Whitman and Emily Dickinson also make appearances Rasula draws this diverse group of poets together uncovering how the past is a compost fertilizing the present He looks at the heritage of ancient lore and the legacy of modern history and colonial violence as factors contributing to ecological imperatives in modern poetry This Compost restores the dialogue between poetic language and the geophysical biological realm of nature that so much postmodern discourse has sought to silence It is a fully developed carefully argued book that deals with an underrepresented element in modern American culture where the natural world and those who write about it have been greatly neglected in contemporary literary history and theory *The Knife Sharpener's Bell* Rhea Tregobov,2011-07-01 Annette Gershon s odyssey from depression era Winnipeg to Stalinist Russia and back to Canada in the 1950s is both the seldom told story of those who actually made that hopeful doomed journey and a testament to the tenacity of the human spirit Ten year old Annette Gershon is content enough growing up in her father s delicatessen on

Main Street Winnipeg but for immigrant families scratching out a living in the Dirty Thirties even subsistence is a delicate balance easily upset Everything changes when her parents decide to take the family home to the Soviet Union to escape the devastation of the collapsing capitalist economy Annette struggles to maintain her sense of who she is first adapting to her life in Stalinist Odessa then fleeing to Moscow ahead of the Nazi occupation But it is in the post war years that her identity and her very life are threatened by the anti Semitism of Stalinism s final years The Knife Sharpener s Bell is the story of a girl who tried to stop a train but finds herself on the runaway train of historical events It is a story about loyalty and betrayal heroism and fear What is most memorable about it is the empathy we feel for these characters who must make their way through some of the twentieth century s most tumultuous events The writing is infused with a poet s sensitivities to rhythm image and linguistic energy yet it is also beautifully restrained each image and each gorgeous observation is there for a very particular reason the entire story hums with the tension that arises from the taut athletic language **Gideon Giles, the**

Holds your interest and leaves you wanting more. Paula Kroencke: 5 stars online review. Book 1: Sweet Masterpiece. Author Connie Shelton introduces her most delightful cozy mystery series yet with a little romance, a little magic, and a lot of chocolate. When she's not baking her scrumptious pastries, Samantha Sweet breaks into houses for a living, and sometimes the things she discovers lead to trouble. When she finds an unmarked grave on a property in a remote spot in Taos County, New Mexico, Sam calls in the authorities. A small mural painted inside a closet in the abandoned house provides clues, and Sam is caught up in an investigation with the good-looking Deputy Beau Cardwell. A fortune in artwork, a bogus will, and a wooden box that seems to give Sam powers she never dreamed she possessed: it all adds up to a dynamic paranormal romantic mystery. Then there is all that chocolate. Sam's real goal in life is to use her elegant baking skills to open her own pastry shop, Sweet's Sweets. She's gaining quite the reputation as a baker with a magical touch, but a few obstacles stand in her way. Her grown daughter shows up on her doorstep, jobless and homeless; her bank account is at an all-time low, and trying to work from the tiny cramped kitchen in her home is becoming impossible. Somehow Sam copes, and she finds that her dreams might just have a chance of coming true. Book 2: Sweet's Sweets. Samantha Sweet is about to realize her dream of opening her pastry shop, Sweet's Sweets, in picturesque Taos, New Mexico. Juggling the crazy amount of work to get her new business off the ground with her old job of breaking into houses, she's got her hands full. When a blood-soaked garment is found among the discards at one of her properties, and a friend makes a shocking confession, Sam finds herself pulled into a pair of mysteries. The wooden box that came into her possession in Sweet Masterpiece is still working its magic, giving Sam the power to see inside people's secrets and figure out who the killer is. Book 3: Sweet Holidays. In this third book in the Samantha Sweet cozy mystery series, it's Christmas, and a quirky Romanian chocolatier shows up at Sweet's Sweets, offering to create a special line of hand-dipped chocolates for Samantha's customers. He says he will work for no pay just to prove himself. But when she learns that he has connections to the wooden box, which seems to give Sam her mystical powers, she discovers that certain evil people may do just about anything to take it away from her. With the same combination of mystery, romance, and that touch of the paranormal for which the series has become known.

Sweet Holidays carries the reader into the special and magical world of northern New Mexico at the holiday season Book 4 Sweet Hearts Sam s bakery Sweet s Sweets is busier than ever during Valentine week as she struggles to replicate the magical chocolate making techniques of the enigmatic chocolatier who boosted her winter holiday sales into the stratosphere However candy classes take second place to a new mystery when Sam meets a woman whose missing son s case seems to have been dropped by the authorities Marla Fresques learns that she is dying and needs for her son to come home and raise the daughter he left behind Sam agrees to help hoping that Sheriff Beau s inside connections will bring about a quick and happy resolution But what about Sam s and Beau s own wedding plans They may be in jeopardy when an entirely new development appears in the form of Beau s ex girlfriend who is determined to win him back With the familiar mix of mystery romance and a touch of magic that has enchanted readers of this series Sweet Hearts draws the reader even further into the captivating world of Samantha Sweet Connie Shelton has another winner The Book Report Shelton continues to combine suspenseful storytelling with sensitive portrayals of complex family relationships Booklist Fans of Southwestern mysteries will find that Shelton s engaging story likable heroine and comfortable prose make this a good choice Library Journal
