Down Our Way:

Down Our Way Jacqueline Barnes,2007-06-13 This book will describe in detail what it is like to be a parent in four different communities in England The research data that are the basis for this description are interpreted in relation to a number of key factors include family social class ethnic group length of time on the neighbourhood and the presence of extended family locally The book will be of interest to anyone wanting to know more about how to improve the lives of parents and children Special focus is placed on those families who face disadvantage either in relation to personal vulnerabilities or in relation to living in neighbourhoods lacking in resources and facilities

Down on the Farm, Way Back When Stephen Nelson,2024-12-18 Dad would warn me to stay back from the barn door when he let the cows out for the first time at the end of a long winter After taking a few steps outside you might see a mature cow do something you wouldn't expect Jump in the air Quite a feat considering a mature cow weighs about 1 500 pounds Stephen Nelson's childhood memories are an impressionist painting of another time a time when each family on the shared phone line had a particular ring and a time when a little boy carefully carried buckets of fresh warm milk to feed the calves by hand There's a lot that people who've never lived on a family farm don't know and with farms consolidating fewer and bigger snapshots like Stephen's are a rare breed This collection is rich with sights sounds scents not just the obvious one and the kind of details only someone who's been there can tell you Down on the Farm Way Back When is a walk down memory lane for those who know and a time machine for those who don't

Swerving Down the Highway Squire Malloy, 2011-11-11. Try if you will to imagine a time when automobiles were virtual bars, DWI roadblocks were in their infancy, and MADD's mothers were still in utero. A time when impaired drivers were not vilified and hunted down like wild animals but praised and admired for their deftness, agility, and multitasking ability. Ah, my friends, but not so many years ago such an era did exist. Herein lies the tales of the brave young men who took to their vehicles, beer can in hand, fearing nothing but incompetent sober drivers and the occasional moving telephone pole.
