Dr Atkins' Diet Revolution Robert C. Atkins, Fran Gare, Fran Gare Mandell, Helen Monica, 1972 **Dr. Atkins' New Diet Revolution** Robert D. C. Atkins, 2002-09-01 This is an updated version of the book I wrote ten years ago to help as many people as I could to lose weight I felt certain then and continue to do so that the widespread dissemination of misinformation about what constitutes a healthy diet had caused that epidemic of weight gain in this country The book made a greater impact than anyone might have predicted Its sales exceeded ten million copies and it was the number one selling diet and health book in the U S for nearly five years In fact it has been the all time top seller in its field Certainly of the millions of people who've read it a large percentage followed its precepts lost weight kept it off and decisively improved their health What you hold in your hands is a thoroughly rewritten version of that work Having listened with care to the people who followed my weight control program I've clarified and improved the do ability of the practical chapters of this book I've added many new case histories and a horde of new and improved recipes Finally I've incorporated information on the recent upsurge of scientific evidence We had it right ten years ago but now we have twice as much research to confirm the nutritional approach championed by New Diet Revolution
