Dr Bob And His Library:

Dr. Bob and His Library Dick B.,1998 One of the earliest and most valuable discoveries by author Dick B in his search for the facts about the early A A program which had such great successes was the many varied and important Christian and other books read studied and circulated by A A Cofounder Dr Bob among early AAs and their families These are of great importance and utility today if you are to be healed of alcoholism They cover the Bible Jesus Christ prayer healing alcoholism daily devotions Quiet Time the Oxford Group Rev Samuel M Shoemaker conversion and other relevant religious topics Dick discovered the books in the homes of Dr Bob s children read and analyzed and categorized them and placed them in this title Other books were mentioned elsewhere as having been read and circulated by Dr Bob and are included **Dr. Bob of Alcoholics Anonymous** Dick B.,Ken B.,2008 A A Co founder Dr Bob stated he had had excellent training in the Bible as a youngster in St Johnsbury Vermont This title is a guide to that training and to the multi volume resource compendium that describes the major influences on his training They include the Town of St Johnsbury the Congregational Churches his own church the North Congregational Church Sunday School Christian Endeavor Society the enormous impact of the Fairbanks family on the community and church and educational system Dr Bob s own deep family involvement in the church and town activities the St Johnsbury Academy the town library Athenaeum and Fairbanks Museum the YMCA and the Great Awakening of 1875 that brought revivals Gospel meetings conversions prayer and Bible study to the fore **The James Club and the Original A. A. Programs Absolute Essentials** Dick B.,2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the

underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World The Good Book - Big Book Guide Book Dick B.,2011-07-26 You don t need to leave A A or any other 12 Step program or even a treatment program just because you are a Christian Nor do you need to flee to an exclusively Christian Fellowship Christian Treatment Program or Christian Track Program just to believe or profess your beliefs in connection with your own recovery You re the boss You need all the help you can get We ve long needed a guide that will use history to help you in your recovery whatever your choice of fellowships groups recovery programs or treatment programs The original Akron A A Christian fellowship with its emphasis on reliance on the Creator of the heavens and the earth acceptance of Jesus Christ as Lord and Savior Bible study prayer guidance fellowship and witness is nothing to be buried to be hushed up or to be afraid of mentioning It s a part of recovery history the most important part the part that set A A apart in the 1930 s as a cure for the medically incurable an alternative to medicine hospitalization and clergy dominated ideas It embraced them all but stood for the importance of a Society that took these ideas and let drunks be the message carriers You can do this too and probably better if you know your history Include this guide book in your reading Include it in your recovery Include it in your fellowship or group Include it with any other recovery program secular Christian or rational It s history It tells you what worked It tells you how you can choose to use it today if you wish It will help you understand words and phrases and ideas that came from historical roots And it doesn t bash other ideas or fellowships It seeks to inform all and urge them to include history in their curriculum This is a guide to history that has not been available before It s a guide that will supplement and not replace It s a guide for you The Akron Genesis of Alcoholics Anonymous Dick B.,2011-12-06 The story of A A s birth at Dr Bob s Home in Akron on June 10 1935 It tells what early AAs did in their

meetings homes and hospital visits what they read and how their ideas developed from the Bible the Oxford Group and Christian literature It depicts the roles of A A founders and their wives and of Henrietta Seiberling and T Henry Clarace Williams Foreword by John F Seiberling Stick with the Winners! Dick B, Ken B., 2012-07-27 Ever heard You can't talk about Jesus or the Bible at an A A meeting Want to establish or modify an A A meeting or a Christian Recovery meeting so that it can include information on the roles played by God His Son Jesus Christ and the Bible in early A A's astonishing successes Stick with the Winners by Dick B and Ken B may be just what you need to carry the message more effectively

The Good Book and the Big Book Dick B., 1997 In addition to being a recovered alcoholic Dick B has been an ardent Bible student especially for the last 22 years of his recovery It was always his objective to learn the Biblical roots of A A of which A A Cofounder Dr Bob spoke so often Dick wanted to locate and define those roots And after many years of digging he was able to write this first of several books on A A's roots in the Bible the Book of James the Sermon on the Mount and 1 Corinthians 13 Each year of continued research has unearthed more and more facts about early AA and the Bible And the facts begin with this Good Book work Carter Presidential Library Proposal United States. Congress. Senate. Committee on Governmental Affairs, 1984 *Dr. Bob and Bill W. Speak* Michael Fitzpatrick, 2012-11-06 Dr Bob and Bill W Speak Real Twelve Step Fellowship History Dick B., 2006 Put Your 12 Step Speakers Sponsors and Counselors to Work You may regularly listen to excellent speakers sponsors and counselors in 12 Step programs Chances are however that they probably rarely if ever talk to you about the origins history and practices of early pioneer recovery programs Why Because there are few histories to inform them few teachers to instruct them and too few people who really want to change Speakers can get lots of applause if they stick to their drunkalogs and make you laugh cry and maybe identify Sponsors have few resources that connect the dots Counselors feel safer telling you about your disease and taking the safe path handing out a Big Book a Twelve x Twelve and a devotional and sending you to outside groups and meetings What does this our book say It says that it is high time to take these talented and admired people to the schoolroom Three decades ago there was no place to look And if one of these people talked about history he or she usually talked about the party line that left out God left out the Bible left out the sources of the Twelve Steps and pointed to a program that simply said you didn't really have to believe anything at all just choose your own higher power and go to meetings We believe the many fine speakers sponsors and facilitators can and should get cracking They should pick up the accurate history books now available learn from them and talk about them Why Because they can then tell the afflicted exactly how and why the pioneers were cured and had a documented 75% to 93% success rate And those who teach you can also train you to look for yourself think for yourself and place your reliance on the Creator rather than teachers This new book tells you our history how to approach it how to teach it and how to use it

Cured Dick B., 2006 Early AAs were cured of Alcoholism For a decade the pioneers said so Alcoholism can still be cured and this book explores in detail the myth that revisionists therapists and treatment folk have perpetuated while ignoring that

the original cures were achieved by reliance on the Creator The whole meaning history and detours of the cure situation are thoroughly explored

The Language of the Heart Trysh Travis,2010-01-01 In The Language of the Heart Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of them Moving from AA s beginnings in the mid 1930s as a men s fellowship that met in church basements to the thoroughly commercialized addiction treatment centers of today Travis chronicles the development of recovery and examines its relationship to the broad American tradition of self help highlighting the roles that gender mysticism and bibliotherapy have played in that development
