Airport Fire Fighter Ben A. Hirst, 2005-06-20 Exam Prep Airport Fire Fighter is part of Jones and Bartlett's comprehensive series of exam preparation manuals for fire service professionals. The series author Dr Ben A Hirst through his company Performance Training Systems writes and validates actual certification and promotional exams for state fire training agencies and major fire departments nationwide. Each book in the Exam Prep series includes questions that have been used on these actual exams. This manual contains three full length practice exams with self scoring guides and page references to major texts and references on the subject. Winning test taking tips and helpful hints are also provided. The manual follows Dr Hirst's Systematic Approach to Exam Preparation which provides immediate feedback to help students emphasize areas of weakness and learn material through context and association. Index of Specifications and Standards, 2005. Water Thievery Andy Soccodato, 2024-02-19 Water supply is one of the most critical tasks to address on the fireground. Effective water supply operations provide the needed volume of water for the current operation and support the flow requirements for escalating incidents. Water Thievery: The Art of Water Supply Operations is a culmination of institutional knowledge, real world experience and lessons learned. This book urges the supply pumper operator to think proactively so they always know what to do when more is needed and can become a resource for others seeking solutions. Get a thorough understanding of advanced water supply tactics including Alternative Drafting Techniques, Rural Water Supply Operations, Four Way Hydrant Valve Operations, Water Supply for Aerial Apparatus, Large Flow Operations and Tactics.
