

Alabama Government And Politics

William H. Stewart

Alabama Government And Politics:

Alabama Government & Politics James D. Thomas, William Histaspas Stewart, 1988-01-01 For most of the nation Alabama government is emblemized by Governor George Wallace blocking the entry to the University of Alabama defying court ordered integration and championing states rights slogans But Wallace s return to power in the 1980s witnessed sweeping social and political changes in Alabama Today the state for the most part enjoys the aura of the new South James D Thomas and William H Stewart both natives of Alabama bring a detailed sense of its colorful past to their forward looking book about its government and political institutions In the course of writing about Alabama s legislative administrative and judiciary branches its local politics and its historic relations with the federal government Thomas and Stewart reveal much about life today in this southern state Low taxes industrialization and urbanization the civil rights movement and a trend toward two party politics have helped to usher in dramatic changes Although continued change is in the wind the authors do not think that Alabama s political institutions will soon lose their distinctive Alabama character and no book has ever described that better than Alabama Government and Politics *Alabama Politics in the Twenty-First Century* William H.

Stewart, 2016-09-06 An expansive and accessible primer on Alabama state politics past and present which provides an in depth appreciation and understanding of the twenty second state s distinctive political machinery Why does Alabama rank so low on many of the indicators of quality of life Why did some of the most dramatic developments in the civil rights revolution of the 1960s take place in Alabama Why is it that a few interest groups seem to have the most political power in Alabama William H Stewart s Alabama Politics in the Twenty First Century explores these questions and more illuminating many of the often misunderstood details of contemporary Alabama politics in this cohesive and comprehensive publication The Alabama state government especially as a specimen of Deep South politics is a topic of frequent discussion by its general public second only to college football However there remains a surprising lack of literature focusing on the workings of the state s bureaucracy in an extensive and systematic way Bearing in mind the Yellowhammer State s long and rich political history Stewart concentrates on Alabama s statecraft from the first decade of the twenty first century through the November 2010 elections and considers what the widespread Republican victories mean for their constituents He also studies several different themes prominent during the 2010 elections including the growing number and influence of special interest groups the respective polarization of whites and blacks into the Republican and Democratic parties and the increasingly unwieldy state constitution This fascinating and revealing text provides a wealth of information about an extremely complex state government Featuring detailed descriptions of important concepts and events presented in a thorough and intelligible manner Alabama Politics in the Twenty First Century is perfect for scholars students everyday Alabamians or anyone who wants the inside scoop on the subtle inner workings of the Cotton State s politics *Government and Politics in Alabama* William Vernon Holloway, Charles William Smith, 1941 **Political Encyclopedia of U.S. States and Regions** Donald P.

Haider-Markel, Michael A. Card, 2009 Providing expert analysis of government and politics in all 50 states and the U S territories this innovative two volume reference fills the critical need for information and analysis of the roles and functions of state government through accessible state by state and regional overviews of government and politics Political Power in Alabama Anne Permaloff, Carl Grafton, 2008-12-01 Political Power in Alabama is the sequel to Anne Permaloff and Carl Grafton's Big Mules and Branchheads a biography of the populist governor Big Jim Folsom Encompassing the years from 1958 to 1970 and the gubernatorial terms of John Patterson George Wallace Lurleen Wallace and Albert Brewer the present volume offers a full account of the breakup of the Big Mule Alliance the elite coalition of Alabama's largest industrial and agricultural interests and the subsequent effects on the state's political environment Dominating Alabama politics for most of the century through disenfranchisement and control of the legislature the Big Mules wanted low taxes a minimally effective school system no effective labor unions a small electorate and racial segregation By 1958 however the Big Mules urban and rural elements had grown disaffected with one another and outside forces were driving them apart In a few years the legislature and the electorate would be drastically restructured Although this period could have been a time to set new policy directions for the state say Permaloff and Grafton many opportunities for change were squandered establishing the politics of Alabama today and the problems facing the state Political Power in Alabama covers an extraordinarily complex set of issues and events including the civil rights struggle urban rural disparities the lack of party competition the structure of the tax system and the economic and cultural gaps separating Alabama and the rest of the South from the nation *Politics, Society, and the Klan in Alabama, 1915-1949* Glenn Feldman, 1999-09-24 This first book length examination of the Klan in Alabama represents exhaustive research that challenges traditional interpretations The Ku Klux Klan has wielded considerable power both as a terrorist group and as a political force Usually viewed as appearing in distinct incarnations the Klans of the 20th century are now shown by Glenn Feldman to have a greater degree of continuity than has been previously suspected Victims of Klan terrorism continued to be aliens foreigners or outsiders in Alabama the freed slave during Reconstruction the 1920s Catholic or Jew the 1930s labor organizer or Communist and the returning black veteran of World War II were all considered a threat to the dominant white culture Feldman offers new insights into this qualified continuity among Klans of different eras showing that the group remained active during the 1930s and 1940s when it was presumed dormant with elements of the Reconstruction syndrome carrying over to the smaller Klan of the civil rights era In addition Feldman takes a critical look at opposition to Klan activities by southern elites He particularly shows how opponents during the Great Depression and war years saw the Klan as an impediment to attracting outside capital and federal relief or as a magnet for federal action that would jeopardize traditional forms of racial and social control Other critics voiced concerns about negative national publicity and others deplored the violence and terrorism This in depth examination of the Klan in a single state which features rare photographs provides a means of understanding the order's development throughout the

South Feldman's book represents definitive research into the history of the Klan and makes a major contribution to our understanding of both that organization and the history of Alabama

The Alabama State Constitution William H. Stewart, 2016-03-15 The Alabama State Constitution provides extensive analysis on America's longest state constitution with an emphasis on the impact of recent court decisions declaring several of its most recently adopted provisions as in conflict with the U.S. Constitution and thus invalid. Since entering the Union in 1819, Alabama has had six constitutions. While the original constitution was regarded as one of the most progressive in the nation, its current constitution adopted in 1901 is one of the most restrictive, especially from the perspective of the limits it imposes on local governments. The second edition updates and expands the previous edition, providing new analysis with citations to court decisions and relevant scholarly commentary. This edition provides important accompanying explanations on newly added provisions including gay marriage, immigration, environmental protection, energy, and taxation, and the court decisions interpreting them. The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents.

Interest Group Politics in the Southern States Ronald J. Hrebenar, Clive Thomas, 1992-07-30 Underscores the pivotal and at times controlling role played by interest groups in southern politics.

The New Politics of the Old South Charles S. Bullock, Mark J. Rozell, 2010 The latest presidential election demonstrated the national importance of the shifting demographics and partisan leanings of the Southern states. When it first appeared in 1998, *The New Politics of the Old South* broke new ground by examining Southern political trends at the end of the twentieth century. Now in its fourth edition, with all chapters extensively revised and updated to cover events up through the 2008 elections, the authors continue their unique state-by-state analysis of political behavior. Written by the country's leading scholars of Southern politics and designed to be adopted for courses on Southern politics but accessible to any interested reader, this book traces the shifting trends of the Southern electorate and explains its growing influence on the course of national politics.

Alabama Governors Albert P. Brewer, 2014-08-31 This collection of biographical essays, written by thirty-four noted historians and political scientists, chronicles the times, careers, challenges, leadership, and legacies of the fifty-seven men and one woman who have served as the state's highest elected official. The book is organized chronologically into six sections that cover Alabama's years as a U.S. territory and its early statehood, the 1840s through the Civil War and Reconstruction, the late nineteenth century, Bourbon era, twentieth century progressive, and wartime governors.

the Civil Rights era and George Wallace's period of inf Southern Politics in State and Nation V.O. Key, 2024-08-09 V O Key's classic work on Southern politics The author one of the nation's most astute observers drew on more than five hundred interviews with Southerners to illuminate the political process in the South and in the nation Southern Politics in State and Nation explains party alignments within states internal factional competition and the influence of the South upon Washington It also probes the nature of the electorate voting restrictions and political operating procedures This reprint of the original edition includes a new introduction by Alexander Heard and a profile of the author by William C Havard It remains one of the most influential books on the subject **Issues in Political Systems Research: 2013 Edition**, 2013-05-01 Issues in Political Systems Research 2013 Edition is a ScholarlyEditions book that delivers timely authoritative and comprehensive information about Nations and Nationalism The editors have built Issues in Political Systems Research 2013 Edition on the vast information databases of ScholarlyNews You can expect the information about Nations and Nationalism in this book to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Issues in Political Systems Research 2013 Edition has been produced by the world's leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com> **The Politics of Rage** Dan T. Carter, 2000-02-01 Combining biography with regional and national history Dan T Carter chronicles the dramatic rise and fall of George Wallace a populist who abandoned his ideals to become a national symbol of racism and later begged for forgiveness In The Politics of Rage Carter argues persuasively that the four time Alabama governor and four time presidential candidate helped to establish the conservative political movement that put Ronald Reagan in the White House in 1980 and gave Newt Gingrich and the Republicans control of Congress in 1994 In this second edition Carter updates Wallace's story with a look at the politician's death and the nation's reaction to it and gives a summary of his own sense of the legacy of the most important loser in twentieth century American politics *Evolution of the Alabama Agroecosystem* Eddie Wayne Shell, 2013-01-01 Evolution of the Alabama Agroecosystem describes aspects of food and fiber production from prehistoric to modern times Using information and perspectives from both the hard sciences geology biology and the soft science sociology history economics politics it traces agriculture's evolution from its appearance in the Old World to its establishment in the New World It discusses how agricultural practices originating in Europe Asia and Africa determined the path agriculture followed as it developed in the Americas The book focuses on changes in US and Alabama agriculture since the early nineteenth century and the effects that increased government involvement have had on the country's agricultural development Material presented explains why agriculture in Alabama and much of the South remains only marginally competitive compared to many other states the role that limited agricultural competitiveness played in the

slower rate of economic development in the South in general and how those limiting factors ensure that agricultural development in Alabama and the South will continue to keep up but never catch up

Guide to State Politics and Policy Richard G. Niemi, Joshua J. Dyck, 2013-10-18 No previous book has pulled together into one place a single comprehensive volume that provides up to date coverage of state government and politics along with the states current and future public policies This new book does just that offering students scholars citizens policy advocates and state specialists accessible information on state politics and policy in 33 topical chapters written by experts in the field The guide provides contemporary analysis of state institutions processes and public policies along with both historical and theoretical perspectives that help readers develop a comprehensive understanding of the 50 U S states complex and changing political spheres Those who use this volume from experienced scholars to neophytes can rely upon the guide to provide Basic factual information on state politics and policy Core explanatory frameworks and competing arguments and Insightful coverage of major policy areas as they have played out in the states

Clearing the Thickets Herbert James Lewis, 2013-03-02 An accessible and interesting survey of the rise of the state of Alabama from frontier society to the Civil War

The Scalawag In Alabama Politics, 1865-1881 Sarah Woolfolk Wiggins, 1977-07-30 Who was this scalawag Simply a native white Alabama Republican Scorned by his fellow white Southerners he suffered in his desire for socioeconomic reform and political power more than mere verbal abuse and social ostracism he lived constantly under the threat of physical violence When first published in 1977 Wiggins treatment of the scalawag was the first book length study of scalawags in any state and it remains the most thorough treatment According to The Journal of American History this is the most effective challenge to the scalawag stereotype yet to appear

Local Government and the States: Autonomy, Politics and Policy David R. Berman, 2015-06-03 This book offers an overview of the legal political and broad intergovernmental environment in which relations between local and state units of government take place the historical roots of the conflict among them and an analysis of contemporary problems concerning local authority local revenues state interventions and takeovers and the restructuring of local governments The author pays special attention to local governmental autonomy and the goals and activities of local officials as they seek to secure resources fend off regulations and interventions and fight for survival as independent units He looks at the intergovernmental struggle from the bottom up but in the process examines a variety of political activities at the state level and the development and effects of several state policies Berman finds considerable reason to be concerned about the viability and future of meaningful local government

Public Opinion in Alabama Cal Clark, Don-Terry Veal, 2010-11-19 The attitudes of individual citizens play a central role in a democracy In the United States today the two major parties are each associated with a broad set of policy positions representing the conservative and liberal political ideologies The two major parties are becoming increasingly polarized on these ideologies between conservative Republicans and liberal Democrats This book provides an in depth examination of public opinion in a single American state Alabama to see whether

the public opinion of general citizens follows this stereotype of ideological and partisan polarization Alabama public opinion is analyzed on a fairly wide range of issues including the quality of public officials constitutional reform the role of government in terms of taxes and overall spending education health care religion in public life crime and immigration Alabama is generally perceived as staunchly conservative politically and as a reliably red Republican state in national elections Yet public opinion in Alabama is considerably more nuanced and complex than this stereotype in two distinct aspects First Alabamians are certainly conservative on many issues but they are also liberal on a significant number of others Second the issue positions of the state s citizens are shaped by three different dynamics in terms of what factors influence specific attitudes Furthermore a brief analysis of public opinion in the entire United States finds similar patterns Thus the current polarization in party politics does not necessarily reflect public opinion in its entirety suggesting a need to transcend the competing conservative and liberal orthodoxies

Directory of Political Science Faculty ,2007 Includes institutions in the U S Canada and the United Kingdom

Alabama Government And Politics: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Alabama Government And Politics : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Alabama Government And Politics : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
