economic collapse would have been prevented Soon after his inauguration President Franklin Roosevelt supercharged the RFC made Jones chair and the government agency began buying preferred stock in banks to stabilize and help them lend again Jones knew capital rather than debt was needed to save the banks and revive the flow of credit just as it was when the program was duplicated in 2008 as the Troubled Asset Relief Program better known as TARP Under Jones s leadership the RFC became the largest investor in the nation and rescued banks businesses homes and farms saved the railroads rebuilt communities after environmental calamities built bridges dams and aqueducts across the nation and brought electricity and appliances to rural America The RFC helped people and saved businesses during the Great Depression through judicious lending not spending and remarkably returned a profit to the government and its taxpayers As war spread Jones and FDR shifted the RFC s focus from domestic economics to global defense In its second cover story about Jones TIME magazine reported In all the U S today there is only one man whose power is greater Franklin Roosevelt The President knows Congress will give more to Jones without debate than he can get after a fight Emperor Jones is the greatest lender of all time Accordingly after Germany s European victories Congress on June 25 1940 gave Jones and the RFC the authority to build buy and lease plants to develop and manufacture metals ships airplanes tanks and guns to train aviators and with FDR s approval to do anything required to arm the Allied Forces Almost half of its outsized investments went to corporations to help convert their production to war time needs One of its largest new plants the Dodge Chicago plant covered 145 acres and took in raw metal at one end and produced finished airplane engines at the other Like all its new factories the plant was built and owned by the federal government s RFC leased to corporations to operate and sold to private interests after the war Likewise coordinated national large scale efforts and government investments can be made to address today s daunting challenges Unprecedented Power dramatically describes how Jesse Jones and the RFC used every option to save life democracy and capitalism during two of the 20th century s most threatening events Unprecedented Power provides models for today by looking at successes from the past *Congressional Record* United States. explore possibilities but ended with an invitation to write a weekly column for the newspaper I can honestly say I never broke my word on confidentiality i e everything we talked about stayed in the Center everything that is except the funny things I was counseling with a game warden that told me about a lady who was losing a sheep a night to one old hungry coyote Whenever the warden came out she would start feeling sorry for the coyote and asked the warden not to shoot it Finally she had five sheep left She called the warden and once again told him she wasnt ready to have him hunt down the coyote The warden looked at the little flock of sheep and said Mrs Jones whatever you say but weve only got five more days anyway As you read this book there will be tears and sunshine The good news is you dont have to sit down and read it all at once Life Really Is Like That [The Children's Book of America](#) William J.
