Alan And Naomi:

Alan & Naomi, 2003 *A Literature Guide to Alan and Naomi* Ellen Gordon Reeves, 1991 [Alan and Naomi](#) Jordan Horowitz, 1992 **Alan and Naomi** Myron Levoy, 1979 In New York of the 1940 s a boy tries to befriend a girl traumatized by Nazi brutality in France [Alan and Naomi by Myron Levoy](#) Anne Troy, 2002 Guide for study of Myron Levoy s novel Alan and Naomi includes a brief summary author information teaching suggestions discussion questions and vocabulary and extension activities *Alan and Naomi* Marcia Tretler, 1989-01 [Alan and Naomi by Myron Levoy](#) Anne Troy, 1995 Guide for study of Myron Levoy s novel Alan and Naomi includes a brief summary author information teaching suggestions discussion questions and vocabulary and extension activities **Invisible People for Hire** Louis Pickett, 2025-03-31 After five years of anticipation the second edition of this beloved classic has finally arrived Alan has left his job and is ready to embark on a bold new adventure His idea A highly profitable business hiring out invisible people for parties But not everyone sees the genius in his plan least of all his friends family and of course the government especially when the business unexpectedly takes off leading to unimaginable success How much trouble can an entrepreneur get in Packed with humour heart and surprising turns this delightful tale invites readers to join Alan on his unconventional journey into the world of entrepreneurship and the chaos that follows **Melancholia and Maturation** Eric L. Tribunella, 2010-01-15 Coming of age in children s fiction often means achieving maturity through the experience of trauma In classics ranging from *Old Yeller* to *The Outsiders* a narrative of psychological pain defies expectations of childhood as a time of innocence and play In this provocative new book Eric L. Tribunella explores why trauma especially the loss of a loved object occurs in some of the most popular and critically acclaimed twentieth century American fiction for children Tribunella draws on queer theory and feminist revisions of Freud s notion of melancholia which is described as a fundamental response to loss arguing that the low grade symptoms of melancholia are in fact what characterize the mature sober and responsible American adult *Melancholia and Maturation* looks at how this effect is achieved in a society that purports to protect youngsters from every possible source of danger thus requiring melancholia to be induced artificially Each of the book s five chapters focuses on a different kind of lost object sacrificed so as to propel the child toward a distinctively gendered sexual ethical and national adulthood from same sex friends to the companionship of boy and his dog stories from the lost ideals of historical fiction about the American Revolution to the children killed or traumatized in Holocaust novels The author examines a wide spectrum of works including Jack London s dog tales the contemporary realistic novels of S E Hinton and Newbery Medal winners like Johnny Tremain and *Bridge to Terabithia* Tribunella raises fundamental questions about the value of children s literature as a whole and provides context for understanding why certain books become required reading for youth Eric L. Tribunella is assistant professor of English at the University of Southern Mississippi His articles have been published in *Children s Literature Association Quarterly* *Children s Literature in Education* *The Lion and the Unicorn* *A Critical Journal of Children s Literature*

Forgiving the Unforgivable Master Charles Cannon, Will Wilkinson, 2012-02 The founder of Synchronicity Foundation presents his innovative spiritual teachings and contemporary holistic lifestyle practices He and members of his group who were victims of the 2008 Mumbai terrorist attack during a pilgrimage explain how Master Charles Cannon's concepts empowered them to have forgiveness and compassion for terrorists who murdered their close associate and the man's 13 year old daughter Provided by publisher **The Best in Children's Books**, 1973 **Service at the Heart of Learning** Emily Cousins, Amy Mednick, 1999 One of the few books on service learning written by K 12 teachers the volume explores the role of service in learning expeditions With vivid detail and stories from the classroom teachers discuss the way service deepens students academic achievement and character development Eighteen expeditions are organized into two sections Science Humanities Writers of Multicultural Fiction for Young Adults M. Daphne Kutzler, 1996-01-09 Multicultural fiction is an essential part of the American literary landscape This reference helps scholars teachers and librarians choose significant texts from both the past and present and provides guidance in approaching multicultural issues as they are discussed in fiction for young adults Included are entries for 51 writers some of whom have nearly been forgotten others who are just emerging Each entry provides biographical critical and bibliographical information while a general bibliography of works on multicultural literature concludes the book Authors included range from the nearly forgotten such as Laura Adams Armer to the newly discovered such as Graham Salisbury winner of the 1994 Scott O Dell Award for Historical Fiction The breadth of authors covered ensures an historical context for the issues raised by multiculturalism and the sections on the critical reception of each author address such important issues as the authority and authenticity of the writer to comment on

a different culture Contributors are of many different ethnicities and include important scholars of children s literature lending authenticity and authority to the volume itself Scotland's Harvest Richie McCaffery,2023-07-24 This study is the first exploration of the impact of World War Two on Scottish poets of both the front line and the home front World War One has always been thought of as a poet s war one of horror and futility The poetry of World War Two by contrast has long languished in its shadow though there was a much greater amount of it written This book asks whether these poets felt they were grown for war or rather that they grew through war experience with an emphasis on the possibilities of the future instead of cataloguing the senseless horror of the battlefield How were the hopes of Scottish poets different from their English counterparts How was their poetry different and how did it impact on their later lives Feminist Discourse in Irish Literature Jennifer Mooney,2022-07-21 Feminist Discourse in Irish Literature addresses the role of young adult YA Irish literature in responding and contributing to some of the most controversial and contemporary issues in today s modern society gender and conflicting views of power sexism and consent This volume provides an original innovative and necessary examination of how rape culture and the intersections between feminism and power have become increasingly relevant to Irish society in the years since Irish author Louise O Neill s novels for young adults Only Ever Yours and Asking For It were published In consideration of the socio political context in Ireland and broader Western culture from which O Neill s works were written and taking into account a selection of Irish American Australian and British YA texts that address similar issues in different contexts this book highlights the contradictions in O Neill s works and illuminates their potential to function as a form of literary social fundamentalism which often undermines rather than promotes equality Sassy ,1992 Reading Children's Literature: A Critical Introduction - Second Edition Carrie Hintz, Eric L. Tribunella,2019-03-28 Reading Children s Literature offers insights into the major discussions and debates currently animating the field of children s literature Informed by recent scholarship and interest in cultural studies and critical theory it is a compact core text that introduces students to the historical contexts genres and issues of children s literature A beautifully designed and illustrated supplement to individual literary works assigned it also provides apparatus that makes it a complete resource for working with children s literature during and after the course The second edition includes a new chapter on children s literature and popular culture including film television and merchandising and has been updated throughout to reflect recent scholarship and new offerings in children s media **Projecting the Holocaust into the Present** Lawrence Baron,2005-11-01 Most Holocaust scholars and survivors contend that the event was so catastrophic and unprecedented that it defies authentic representation in feature films Yet it is precisely the extremity of the Final Solution and the issues it raised that have fueled the cinematic imagination since the end of World War II Recognizing that movies reach a greater audience than eyewitness historical or literary accounts Lawrence Baron argues that they mirror changing public perceptions of the Holocaust over time and place After tracing the evolution of the most commonly employed genres and themes in earlier Holocaust motion pictures he

focuses on how films from the 1990s made the Holocaust relevant for contemporary audiences. While genres like biographical films and love stories about doomed Jewish-Gentile couples remained popular, they now cast Jews or non-Jewish victims like homosexuals in lead roles more often than was the case in the past. Baron attributes the recent proliferation of Holocaust comedies and children's movies to the search for more figurative and age-appropriate genres for conveying the significance of the Holocaust to generations born after it happened. He contends that thematic shifts to stories about neo-Nazis, rescuers, survivors, and their children constitute an expression of the continuing impact the Holocaust exerts on the present. The book concludes with a survey of recent films like *Nowhere in Africa* and *The Pianist*.
