**Jon Van Zyle's Alaska Sketchbook** Jon Van Zyle, 1998 Painter Jon Van Zyle is internationally known for his striking images of Alaska's landscapes and wildlife. Behind his vivid paintings lies a lifetime of experiences in the wild: camping, fishing, driving his dog team, encountering animals large and small. Van Zyle captures these experiences in the intricate drawings and detailed notes of his private sketchbooks. 40 color paintings.

**Doug Lindstrand's Alaskan Sketchbook** Doug Lindstrand, 1981 [Doug Lindstrand's Alaska Sketchbook](#) Doug Lindstrand, 2000-10-31 Take a closer look at the Alaskan frontiers through these sketches, photographs, and natural history notes. Divided into three sections: Alaska's sourdoughs, gold prospectors, and their sled dogs; Alaska's birds; Alaska's mammals.

**The Artist's Guide to Drawing Realistic Animals** Doug Lindstrand, 2006-08-09 Breathe life into your animal drawings. Wildlife artist Doug Lindstrand has spent 30 years observing animals in nature and capturing them on paper. In this book, he distills his expertise into key lessons for drawing any animal in a charming realistic style. Inside a whole herd of step-by-step exercises and demonstrations, 43 to be exact, cover a broad range of subjects and challenges, including how to draw short, long, and patterned fur; mouths, eyes, ears, and horns; various poses including seated, standing, and moving. A diversity of animals, domestic and wild, from housecats to big cats, from tiny cottontails to massive African elephants. Nothing intimidating here. Starting with easy sketches, you'll learn to gradually refine basic shapes into lifelike dogs, wolves, deer, sheep, horses, bears, giraffes, owls, eagles, geese, and other magnificent creatures. With this classic and time-tested approach, you'll be able to draw not only the animals illustrated on these pages but any animal that touches your artistic soul.

[Alaskan Catch](#) MM Travis, 2025-08-16 Her career's pristine, but her heart's in pieces when Celeste Winters runs to the edge of the world, Seward, Alaska, only to find herself more lost than ever. A rugged fisherman with eyes the color of a stormy sea, Jack Thompson pulls her from a flooded road and offers her a glimpse of a different life. A life of salt, sea, and sweat. A life where her soul can finally breathe. With every shared glance and every moment on his boat, the ice around her heart begins to thaw, revealing the artist she used to be. But New York doesn't let go easily. When her old life demands she return, Celeste faces an impossible choice: the soul-crushing success she knows or the soul-baring love she's just discovered. In the wilds of Alaska, she found a man who sees her true self. Will she have the courage to choose him?

**A K Dolven** A K Dolven, 2015-02-16 Since the 1990s, acclaimed London-based Norwegian artist A K Dolven has produced a substantial body of work exploring the relationship between individuals and the perception of their environment: the connections that bind inner and outer realities and the representation of sublime natural forces. Using a diverse range of media, including painting, film, sound, and large-scale sculptural installation, she combines seemingly simple, almost minimalistic elements to create complex responses to a particular locale, especially the frozen landscapes of the Arctic Circle in her native Norway, while maintaining a universal voice that resonates far beyond the specifics of the place. Frequently immersive in nature, her works investigate but also induce feelings of discomfort and disorientation in the eye.

body and mind of the viewer an impression of forever being at odds with one's surroundings as encountered through the various senses Coinciding with a solo exhibition at the Ikon Gallery this compelling book presents the past decade of the artist's practice In five themed chapters each artwork is shown in a series of large scale installation shots and details that replicate the spatial and physical impact of the piece itself Texts by five internationally renowned writers and thinkers illuminate various aspects of the artist's work addressing among other things its political significance emotional intensity and philosophical depth An introduction by Gaby Hartel considers the importance of A K Dolven's sketchbooks to the genesis of her ideas while an illustrated guide to the works presents the artist's own detailed description of each one with supporting installation notes and background source material
