Albert Schweitzer The Story Of His Life:

Albert Schweitzer Robert Jungk, 2003-01-01 **Out of My Life and Thought** Albert Schweitzer, 2014-10-07 Published to commemorate Albert Schweitzer's only visit to the United States 60 years ago this anniversary edition of his autobiography gives 21st century readers a unique and authoritative account of the man John F Kennedy called one of the transcendent moral influences of our century Schweitzer is celebrated around the world as a European pioneer of medical service in Africa a groundbreaking philosopher and musical scholar and a catalyst of environmental and peace activism Yet people most revere Schweitzer for his dedication to serving others and his profound and influential ethic of reverence for life For Schweitzer reverence for life was not a theory or a philosophy but a discovery a recognition that the capacity to experience and act on a reverence for all life is a fundamental part of human nature a characteristic that sets human beings apart from the rest of the natural world This anniversary edition coincides with several high profile celebrations of his 1949 visit as well as the release of a new feature film starring Jeroen Krabbe and Barbara Hershey In addition to a foreword by Nobel Laureate and former U S President Jimmy Carter this edition features a new foreword by Lachlan Forrow president of The Albert Schweitzer Fellowship This text refers to the Paperback edition Albert Schweitzer Jean Pierhal, Robert Jungk, 1957 **Answering the Call** Ken Gire, 2013 Enduring hardship conflict and personal struggles he and his beloved wife Helene became German prisoners of war during WWI and Helene later battled persistent illnesses **Albert Schweitzer** Nils Ole Oermann, 2016-11-10 This biography provides a versatile insight into the life work and thought of Albert Schweitzer 1875 1965 Nils Ole Oermann offers a detailed account of the multifaceted life of Albert Schweitzer who was a theologian organist philosopher physician and medical missionary Schweitzer's life was not a straight path from the parsonage in Alsace to the University of Strasbourg then on to the hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are highs and lows victories and defeats and Schweitzer's life was no exception These ups and downs however are barely discernible in Schweitzer's 1931 autobiography Out of my Life and Thought where he presents his life as an enormous purposefully constructed edifice the cornerstone of which was the principle of Reverence for Life and the almost inevitable outcome of which was the Nobel Peace Prize To date biographers journalists and hagiographers have told and retold the story of Schweitzer following this basic pattern with relatively little critical modification Their Schweitzer was a man whose demeanour and charisma set him apart from other intellectual giants of his time But not everything Schweitzer records in his autobiography corresponds with what is found in the archives and in his unpublished writings It is on the basis of these historical sources and more recent publications that Oermann attempts to sketch a more realistic picture of Albert Schweitzer Oermann draws on newly uncovered personal papers which shed light on Schweitzer's dealings with the East German authorities and his role in the anti nuclear movement He also builds on a number of interviews from those associated with Schweitzer most notably his daughter A Treasury of Albert Schweitzer

Albert Schweitzer, 2014-12-02 Collected here in a single volume are the most important philosophical writings of Albert Schweitzer one of the greatest thinkers and humanitarians of our time Carefully chosen from among his many written works the selections in this anthology illuminate and amplify Dr Schweitzer s cardinal principle of belief a reverence for life Among the important and revealing works included are Pilgrimage to Humanity which outlines his philosophy of culture the early influences in his life and his ideal of world peace The Light Within Us one of the twentieth century s most significant and beautiful statements of one man s faith in his fellow man and Reverence for Life which states with great clarity and conviction the essence of Schweitzer s wisdom Because of his legendary fame as a medical missionary other equally important and outstanding aspects of Schweitzer s life are not as well known Readers of this book will realize that Albert Schweitzer was a truly creative thinker whose concern with the problems of the human spirit and whose methods of expressing this concern have raised him to the stature of one of the world s foremost philosophers **Albert Schweitzer**

Patricia Morris, 2017-10-18 Dr Albert Schweitzer 1875 1965 was already famous as a musician philosopher and theologian when he qualified as a medical doctor and forsook Europe s comforts to live ethically with what he called Reverence for Life In pursuit of this aim in a jungle in equatorial Africa he built a hospital and a leper village for isolated hunter gatherers His achievements were recognised with international awards honorary degrees and the Nobel Peace Prize in 1952 In his last years Schweitzer was a vehement protester against the development of nuclear arms and against foreign interference in the Congo Suddenly he became an easy target for criticism Schweitzer s biography reminds us of the sacrifice required to live a moral life including that our well intended actions are as likely to arouse excoriation as admiration In Part One of Albert Schweitzer the Difficulty of Doing Good the author takes a fresh look at Schweitzer s life story acknowledging the often grinding toil and emotional demands that interrupt even preclude success Her account illuminates Part Two the brief diary kept by her father Cecil Morris an orthopaedic surgeon on his working visit to Schweitzer The characters are very human and portrayed sometimes in what seems like a hard light so you may feel disappointed if you are hoping for a hagiography or even just a feel good story But the story is about how hard it is to do good and not just to be good A man with a profound and ultimately prophetic view of the world could not in the end maintain an apolitical stance From his overwhelming reverence for life Schweitzer felt compelled to condemn nuclear weapons and to engage with this and some other issues on a world stage This book is not just an encouragement but also an elemental and tangible part of the story towards nuclear weapons abolition Martin Birdseye Christian CND _____

Patricia Morris is a psychoanalytic psychotherapist She is the author of Freud Politics and Civilisation and Love Sex 50 therapy lessons about problems in relationships that bring people into therapy _____

Dictionary of World Biography: The 20th century, O-Z

Frank Northen Magill, Christina J. Moose, Alison Aves, 1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who

Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography

The 20th Century O-Z Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who s who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual s life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual s place in history All entries conclude with a fully annotated bibliography

Albert Schweitzer's Reverence for Life Walt Martin, Magda Ott,2017-07-13 Acclaim for this book Deluxe color version His Holiness The Dalai Lama exceptionally important Dr Albert Schweitzer s philosophy focusing on reverence for life and campaign against nuclear weapons that naturally flows from it remain sources of great inspiration today Dr Jane Goodall DBE founder Jane Goodall Institute UN Messenger of Peace Turn to this beautiful book for inspiration for hope for renewed faith in your own ability to make a difference for people animals and the human community I can t think of a better way to spend time than this wonderful book Mikhail Gorbachev The book Albert Schweitzer Reverence for Life can not be more timely It is not just a tribute to one of mankind s Giants of Human Spirit it is also a tocsin that appeals to our conscience

The History of Christian Thought Jonathan Hill,2013-02-26 A society with no grasp of its history is like a person without a memory This is particularly true of the history of ideas This book is an ideal introduction to the thinkers who have shaped Christian history and the culture of much of the world Writing in a lively accessible style Jonathan Hill takes us on an enlightening journey from the first to the twenty first centuries He shows us the key Christian thinkers through the ages ranging from Irenaeus Origen Augustine and Aquinas through to Luther Wesley Kierkegaard and Barth placing them in their historical context and assessing their contribution to the development of Christianity

History of New Testament Research, Vol. 2 William Baird,2002-11-01 Stressing the historical and theological significance of pivotal figures and movements William Baird guides the reader through intriguing developments and critical interpretation of the New Testament from its beginnings in Deism through the watershed of the Tübingen school Familiar figures appear in a new light and important previously forgotten stages of the journey emerge Baird gives attention to the biographical and cultural setting of persons and approaches affording both beginning student and seasoned scholar an authoritative account that is useful for orientation as well as research

Out of My Life & Thought Albert Schweitzer,1933

The 20th Century Mary Ellen Sterling,1997-06

Unsung Heroes of World History: Stories of Remarkable Individuals Rowena Malpas, Discover the untold stories of remarkable individuals who shaped our world in
