

The Albigen Papers

— By Richard Rose

Albigen Papers

Thomas Jefferson

Albigen Papers:

The Albigen Papers Richard Rose, 1973 After the Absolute David Gold, 2002-09 Richard Rose was an unlikely Zen master A rugged plainspoken ornery West Virginian he scraped out a living raising goats planting crops and painting houses But Richard Rose had a secret Having once vowed to find the Truth or die trying Rose experienced a cataclysmic spiritual awakening at age 30 that thrust him into Everything ness and Nothing ness or what he called the Absolute The experience left him with only one earthly desire to do anything for anyone on a similar quest for Truth David Gold was an unlikely student An arrogant ambitious and egotistical law student David Gold only agreed to meet the enlightened hillbilly in the hopes of showing him up But when Rose turned the tables by seeing right through Gold and painting a devastatingly accurate picture of the fears and obsessions that ruled his life a humbled Gold found himself hungry to know more Thus began a remarkable 15 year adventure part spiritual odyssey part legal thriller in which death threats corrupt politicians and life threatening cancer run parallel to glimpses of the divine and extraordinary manifestations of timeless wisdom **The**

Papers of Thomas Jefferson, Retirement Series, Volume 7 Thomas Jefferson, 2011-01-10 The 526 documents printed in this volume run from 28 November 1813 to 30 September 1814 During this period Jefferson reviews the extant sources on the 1765 Stamp Act crisis to aid William Wirt a Patrick Henry scholar records his largely positive impressions of George Washington and updates a reading list for law students that he had initially drawn up forty years earlier In the spring of 1814 Jefferson becomes a trustee of the Albemarle Academy the earliest direct ancestor of the University of Virginia He is soon actively involved in planning for its establishment helping to draft rules for governance of the academy s trustees and propose funding options and he lays out an expansive vision for its future as an institution of higher learning Jefferson also exchanges ideas on collegiate education with such respected scholars as Thomas Cooper and Jos Corr a da Serra Jefferson s wide ranging correspondence includes a temperate response to a lengthy letter from Miles King urging the retired president to reflect on his personal religion and a diplomatic but noncommittal reply to a proposal by Edward Coles that the author of the Declaration of Independence employ his prestige to help abolish slavery Having learned of the British destruction late in August 1814 of the public buildings in Washington Jefferson offers his massive book collection as a replacement for the Library of Congress The nucleus for one of the world s great public libraries is formed early in 1815 when the nation purchases Jefferson s 6 707 volumes Some images inside the book are unavailable due to digital copyright restrictions
