I Love You, I Need Him J.R. Rogue,2020-10-22 Brooklyn I learned early in life to build walls around my heart After my mother died Before my father went to jail I d give anything to make sure the people I love know it So when my boss hires a tall tattooed Irishman to work alongside me I vow to keep things professional Especially when I find out he s a widower But when my violent past threatens my future I find myself closer to Declan than I planned to be you want to sleep in my bed The walls around my heart are high but the arms around my body are strong And I ve convinced myself he can save me from the coming storm Declan I escaped New York for Tennessee to have a clean slate From my vices From my ghosts But my new boss has the kind of eyes you can t look away from And the kind of laugh that threatens to pull you from the dark It s just chemical what you re feeling right now I tell myself I m just being a good friend when I let her stay in my room But the lies we tell ourselves are the hardest to overcome I thought I knew what it was like to be haunted by someone I was wrong I don t know shit My attempt at starting over has led me to my greatest fear Love can never make me weak again And I can t fall for a girl who looks like the sun when I m the goddamn storm

Beauty for Ashes Laura John,2013-07 Dear Reader Why do ordinary intelligent and loving women end up having abortions or putting their own child in foster care The author did both This is her story as told through a series of letters from the heart to all her children Laura John s first book takes readers through a very personal account from being a child

with no roots who has a teenage abortion and a mental breakdown in her forties to the woman she now is An unshakable faith and preservation of family have become the driving forces in her life and she describes through a series of heartfelt letters to her eight children how one very dysfunctional family is torn apart and reconciled to survive rape alcoholism divorce miscarriages drug abuse and autism The blended family that emerges through these pages will encourage anyone who has experienced a breakdown in relationships This is not a self help book or a book brimming with advice for parents rather it is a chronicle of being a mother in often difficult circumstances and about making impossible choices and living with the consequences It has been said that the only thing stronger than fear is hope and it is hope that emerges triumphantly in this book that is essentially about being a mother Laura John was born and brought up as a white child in Central Africa Congo to English missionary parents She now lives in Sydney Australia with her youngest children one of whom is autistic and her husband who describes himself as the madman from Galashiels Publisher s website <http://sbrabooks.com> LauraJohn
