Alcoholics Anonymous As A Mutual Help Movement A Study In Eight Societies:

Alcoholics Anonymous as a Mutual-help Movement Klaus Mäkelä, 1996 Part of an international study of Alcoholics Anonymous carried out in collaboration with the World Health Organization Regional Office for Europe **Alcoholics Anonymous in Iceland** Hildigunnur Ólafsdóttir, 2000 A historical and comparative analysis of the Icelandic AA movement which seeks to explain its particular and widespread success in Iceland despite formidable obstacles and paradoxical conditions Not only is anonymity one of AA's basic organizational principles impossible in a society as small as Iceland but the country's strong alcoholism treatment system has required a rethinking of AA's role a move from being a central dynamic force in getting sober to an interactive supporting force in staying sober Among the topics discussed in this book are the history structure and transformation of the movement in Iceland and its relations and interactions with other groups treatment programs and society as a whole Research on Alcoholics Anonymous and Spirituality in Addiction Recovery Marc Galanter, Lee Anne Kaskutas, 2008-12-05 It was once taken for granted that peer assisted groups such as Alcoholics Anonymous had no real value in recovery from addiction More recently evidence based medicine is recognizing a spiritual component in healing especially when it comes to addiction The newest edition of *Recent Developments in Alcoholism* reflects this change by focusing on the 12 step model of recovery as well as mindfulness meditation and other spiritually oriented activity More than thirty contributors bring together historical background research findings and clinical wisdom to analyze the compatibility of professional treatment and nonprofessional support day to day concepts of relapse prevention the value of community building in recovery and much more Among the topics covered 1 How and why 12 step groups work 2 The impact of the spiritual on mainstream treatment 3 The impact of AA on other nonprofessional recovery programs 4 AA outcomes for special populations 5 Facilitating involvement in 12 step programs 6 Methods for measuring religiousness and spirituality in alcohol research Whether one is referring clients to 12 step programs or seeking to better understand the process this is a unique resource for clinicians and social workers Developmental psychologists too will find Volume 18 Research on Alcoholics Anonymous and Spirituality in Addiction Recovery a worthy successor to the series **Broadening the Base of Addiction Mutual Support Groups** Jeffrey D. Roth, William L. White, John F. Kelly, 2016-04-08 Mutual help groups have proliferated diversified and adapted to emerging substance related trends over the past 75 years and have been the focus of rigorous research for the past 30 years This book reviews the history of mutual support groups for addiction that have arisen as adjuncts or alternatives to Twelve Step Programs including secular mutual support groups like Secular Organization for Sobriety Smart Recovery and Women for Sobriety and faith based mutual support groups like Celebrate Recovery It also considers the mutual support groups attended by families and friends of addicts These mutual support groups are examined in terms of their histories theoretical underpinnings and intended communities The structures common in mutual support groups have influenced the rise of a new recovery advocacy movement and new recovery community

institutions such as recovery ministries recovery community centers sober cafes sober sports clubs and recovery focused projects in music theatre and the arts This volume explores how collectively these trends reflect the cultural and political awakening of people in recovery and growing recognition and celebration of multiple pathways of long term addiction recovery This book was originally published as a special issue of the Journal of Groups in Addiction and Recovery

Contours of Privacy David Matheson,2009-01-14 The contours of privacy its particular forms and our reasons for valuing it are numerous and varied This book explores privacy s contours in a series of essays on such themes as the relationship between privacy and social accountability privacy in and beyond anonymity the psychology of privacy and the privacy concerns of emerging information technologies The book s international and multidisciplinary group of contributors provides rich insights about privacy that will be of great interest not only to the scholarly privacy community at large but also to professionals academics and laypersons who understand that the contours of privacy weave themselves throughout wide swaths of life in present day society The stylistically accessible yet scholarly rigorous nature of The Contours of Privacy along with the diversity of perspectives it offers set it apart as one of the most important additions to the privacy literature on the contemporary scene

The Treatment of Drinking Problems Griffith Edwards,E. Jane Marshall,Christopher C. H. Cook,2003 The Treatment of Drinking Problems has become over the past twenty years the definitive text in its field Internationally acclaimed and translated into six languages it is the most authoritative source book for the treatment of alcohol problems for all professionals who encounter them

Marion Dewar Deborah Gorham,2016-09-13 Marion Dewar could never ignore a person who was begging in the street Along with money she would offer words of encouragement and friendship Perhaps it was her training as a nurse her devout Catholic upbringing or maybe it was simply because she was a genuinely compassionate woman As mayor of Ottawa from 1978 1985 Marion Dewar worked tirelessly to bring about non profit housing better public transportation support and encouragement for the arts for peace and for women s rights She advocated for visible minorities gays and lesbians and was the driving force behind the initiative to bring 4 000 boat people to Ottawa from Vietnam and Southeast Asia She was a prominent member of the New Democratic Party and sat as a Member of Parliament in 1987 1988 all while raising four children Accompanied by archival and personal photos an intriguing look at a woman who took action when it counted most

Alcohol, Drugs and Health Promotion in Modern Ireland Shane Butler, 2002 *Group Psychotherapy and Addiction* Bill Reading, Martin Weegmann, 2008-09-15 Rich traditions of group therapy permeate the substance misuse field from residential and day centre group programmes and the fellowship group tradition to the panoply of support education and relapse prevention groups offered by out patient services There are specialist groups e g art therapy and psychodrama and groups for special population e g relatives prisoners and adult children of alcoholics This important collection is written by many well known experts several renowned on the international stage with perspectives from the UK USA and Scandinavia They share their extensive experiences in the conceptualisation setting up and running of therapy groups Ultimately all are concerned in their groups to increase empathic contact and thereby to facilitate opportunities for addicts to embark upon change With no equivalent UK book of its kind the reader has a rare opportunity to consider this subject in impressive scope diversity and depth **Devastating Losses** William Feigelman, 2012-06-20 Print CourseSmart **Alcohol Research & Health**, 1999

Staying Sober in Mexico City Stanley Brandes, 2010-01-01 Staying sober is a daily struggle for many men living in Mexico City one of the world s largest grittiest urban centers In this engaging study Stanley Brandes focuses on a common therapeutic response to alcoholism Alcoholics Anonymous A A which boasts an enormous following throughout Mexico and much of Latin America Over several years Brandes observed and participated in an all men s chapter of A A located in a working class district of Mexico City Employing richly textured ethnography he analyzes the group s social dynamics therapeutic effectiveness and ritual and spiritual life Brandes demonstrates how recovering alcoholics in Mexico redefine gender roles in order to preserve masculine identity He also explains how an organization rooted historically in evangelical Protestantism has been able to flourish in Roman Catholic Latin America **History of Transnational**

Voluntary Associations Thomas R. Davies, 2016-05-23 Davies review explores the history of transnational voluntary associations commencing with general patterns before proceeding to cover the history of different sectors in turn including humanitarianism science education environment feminism race health human rights labour business standards professions culture peace religion and youth Coverage extends from the late eighteenth century through to the early twenty first century and spans histories of particular organizations and of particular campaigns in addition to the evolution of broader

transnational social movements Contrasting perspectives on historical evolution are considered including both linear and cyclical interpretations The factors underpinning historical changes are explored including economic environmental political scientific and social developments Insights are drawn not only from a transnational historical perspective but also the many other disciplines that shed light on the subject such as world sociology The review also incorporates perspectives from international relations development studies peace studies voluntary sector studies and women s studies It argues that the historical evolution of transnational voluntary associations is longer less Western in origin and more cyclical than traditionally assumed *From Science to Action? 100 Years Later - Alcohol Policies Revisited* Richard Müller, Harald

Klingemann, 2007-05-08 Alcohol has been central to social religious and personal use throughout the history Alcohol drinking goes back almost as far as the human race does A hundred years therefore may be seen as only a flash The past century however has witnessed a fundamental change in dealing with alcohol problems Hence to give an overview of a hundred years of alcohol policies is a rather ambitious task and the contributions to this book shed only some light on the way in which alcohol policy issues have changed in this period This authoritative volume is relevant to both scientists and policy makers providing a state of the art in alcohol policy from different perspectives covering both science research treatment and prevention practice and linking these areas **Spirituality and Religiousness and Alcohol/other Drug Problems** Brent

B. Benda, 2006 Spiritual issues and forgiveness are often neglected topics in treatment programs for substance abusers This unique book brings those underrated components of recovery to the forefront through current research case studies and the insight of experts in the field of spirituality as well as drug alcohol treatment It illustrates the important interrelationship among religiousness spirituality forgiveness and alcohol and drug use and abuse throughout the lifespan The contributors examine the effects of religiousness and spirituality on recovery in relation to more widely recognized supports Each chapter is extensively referenced and most include tables and or figures that make difficult information easy to understand and work with *A Dictionary of Nonprofit Terms and Concepts* David Horton Smith, Robert A. Stebbins, Michael A. Dover, 2006-11-08

This reference work defines more than 1 200 terms and concepts that have been found useful in past research and theory on the nonprofit sector The entries reflect the importance of associations citizen participation philanthropy voluntary action nonprofit management volunteer administration leisure and political activities of nonprofits They also reflect a concern for the wider range of useful general concepts in theory and research that bear on the nonprofit sector and its manifestations in the United States and elsewhere This dictionary supplies some of the necessary foundational work on the road toward a general theory of the nonprofit sector *Research in the Social Scientific Study of Religion, Volume 29* Andrew

Village, Ralph W. Hood, 2018-10-16 The general papers in Volume 29 of *Research in the Social Scientific Study of Religion* cover a range of topics including psychological type prayer nature and well being psychobiography coping with addiction and the role of place in spirituality The first special section on congregational studies draws on a range of large datasets from the

National Church Life Surveys in Australia Papers examine the factors that predict individual sense of belonging in Catholic parishes as well as congregational level aspects of vitality collective confidence and innovativeness The second special section examines the Ideological Surround Model and how it can help to better understand expressions of faith related to psychological constructs such as mindfulness fundamentalism and the Dark Triad of Machiavellianism Narcissism and Psychopathy Contributors are Tania ap Si n Amanda Mandy Aspland Dharma Arunachalam Joel Gruneau Brulin Zhuo Job Chen Victor Counted Giuseppe Crea Robert Dixon Martin Dowson Deepti B Duggi Leslie J Francis Nima Ghorbani Pehr Granqvist Gill Hall Douglas Hall Nicole Hancock Magnhild H ie Ralph W Hood Jr Shanmukh Vasant Kamble Thomas Lindgren Ronald J Morris Miriam Pepper Ruth Powell Brooke M Ruf Sam Sterland Fazlollaha Tavakoli John K re Vederhus David C Wang P J Watson and John K Williams Routledge Handbook of Deviant Behavior Clifton D. Bryant, 2012-04-27 The Handbook of Deviant Behavior presents a comprehensive integrative and accessible overview of the contemporary body of knowledge in the field of social deviance in the twenty first century This book addresses the full range of scholarly concerns within this area including theoretical methodological and substantive issues in over seventy original entries written by an international mix of recognized scholars Each of these essays provides insight not only into the historical and sociological evolution of the topic addressed but also highlights associated notable thinkers research findings and key published works for further reference As a whole this Handbook undertakes an in depth evaluation of the contemporary state of knowledge within the area of social deviance and beyond this considers future directions and concerns that will engage scholars in the decades ahead The inclusion of comparative and cross cultural examples and discussions relevant case studies and other pedagogical features make this book an invaluable learning tool for undergraduate and post graduate students in disciplines such as criminology mental health studies criminal theory and contemporary sociology **Understanding**

Self-help/mutual Aid Thomasina Borkman, 1999 Self help groups have encountered fierce criticism as places where individuals join to share personal problems and to engage in therapeutic intervention without the aid of skilled professionals These groups have flourished since the 1970s and continue to serve more people than professional therapy Yet these groups have been criticized as fostering a culture of whiners and victims and not using professional help as needed Thomasina Jo Borkman debunks this commonly held assessment and also examines the reasons for these groups enduring popularity since the 1960s more people attend these meetings word than see professional therapists What accounts for their success and popularity Understanding Self Help Mutual Aid Groups is the first book to describe three stages of individual and group evolution that is part of this organization s very structure it also reconceptualizes participants interactions with professionals The group as a whole Borkman posits draws on the life experiences of its membes to foster nurturing support and transformation through a circle of sharing Groups create more positive and less stigmatizing meaning perspectives of the members problems than is available from professionals or lay folk culture
