Watching Father Brown Sandra K. Sagala, 2023-07-31 This book examines adaptations of G K Chesterton's Father Brown stories in film radio and television Part One covers adaptations prior to 2013 including portrayals by Alec Guinness Kenneth More and others as well as German and Italian versions Part Two focuses on the BBC series Father Brown launched in 2013 with Mark Williams starring in the title role It provides information about the series creation and production along with a helpful episode guide and it analyzes critical and audience responses to the show *Shakespeare on screen, Richard III* Nathalie Vienne-Guerrin, This volume does not only provide the reader with diverging assessments of the Richard III films but it also deploys a large array of methodologies used to study Shakespeare on film What gives the volume its coherence is that it thoroughly interrogates what those films do with and to Shakespeare's text and suggests that at least for Shakespearean scholars Shakespearean films are hybrid creatures They are and are not films they are and are not Shakespeare Ce volume offre non seulement au lecteur un examen précis et pluriel des adaptations filmiques de Richard III mais il déploie tout l éventail des méthodologies qui permettent d étudier Shakespeare à l écran La cohérence de ce volume vient de ce qu'il propose des questionnements multiples sur ce que ces films font de Shakespeare et suggère que le film shakespearien est une création hybride qui est et n'est pas un film qui est et n'est pas Shakespeare Ouvrage en anglais **Alec Guinness** Kenneth Tynan, 1961 *Hollywood's 100 Greatest Actors* Hseham Amrahs, 2025-01-24 Hollywood's 100 Greatest Actors is a celebration of the talent and artistry that have shaped the cinematic world Spanning generations this anthology explores the lives careers and cultural impact of actors who have defined Hollywood's history From the silent era to modern blockbusters their stories reflect the evolution of cinema and its power to inspire challenge and unite This book is a tribute to the enduring magic of acting and the art of storytelling *John Mills and British Cinema* Gill Plain, 2006-03-23 Although his film career extended from the early days of sound to the British New Wave and beyond Sir John Mills is nonetheless remembered as the archetypal hero of the Second World War Regarded as an English everyman his performances crossed the class divide and in his easy transition from below decks to above he came to represent a newly democratic masculine ideal But what was this exemplary masculinity and what became of it in the aftermath of war John Mills and British Cinema asks how was it possible for an actor to embody national identity and by exploring the cultural contexts in which Mills and the nation became synonymous the book offers a new perspective on 40 years of cinema and social change Through detailed analysis of a wide range of classic British films John Mills and British Cinema exposes the shifting constructions of national masculinity arguing that the screen persona of the actor is a fundamental and often overlooked dimension of British cinema **Destination Hollywood** Larry Langman, 2000 During the first part of the twentieth century Hollywood experienced an influx of European filmmakers seeking new lives in America With them came unique perspectives and styles from their home countries that

forever affected American film production Well known talents like Charlie Chaplin Billy Wilder and Alfred Hitchcock all made America their filmmaking base as did other less known but equally influential filmmakers This is the complete guide to directors screenwriters artistic directors cinematographers and composers of European birth who made at least one film in the United States The book is arranged by country and each chapter begins with that country s cinema history Each filmmaker from that country is then given a separate entry including biographical and professional highlights and synopses and analyses of their better known films Photographs from films that featured European talent are included An index of names and titles allows for easy reference and a complete bibliography is also included

From the Battlefield to the Big Screen Melody Foreman, 2022-11-04 Look closely behind the lives of the stars who appeared in a host of legendary war films and discover how memories of their real life experiences in the armed forces were haunted with heartbreak and yet filled with extraordinary heroism Just what did America s most decorated soldier Audie Murphy go through in battle which led him to star as himself in the classic war film *To Hell and Back* When the Japanese attacked Pearl Harbor in December 1941 Murphy joined the US Army aged just 17 He went on to fight at Anzio the Colmar Pocket and Nuremberg And for single handedly holding off an enemy attack he was awarded the Congressional Medal of Honor But Murphy s military and celebrity stardom did little to extinguish the pain of his private battle to fit in to a new post war world he perceived as disappointing shallow and unfulfilling Tormented by PTSD Murphy was a man unable to escape from his past Only the great director and decorated wartime documentary maker John Huston gained Murphy s true respect When war broke out on 3 September 1939 a number of British stars including Laurence Olivier his future wife Vivien Leigh and David Niven were in the United States under contract to the Hollywood Studios Keen not to shirk their duties at home and against advice from the British Consul they made their way back to Blighty Olivier joined the Royal Navy s Fleet Air Arm as a pilot Then with Churchill s approval he directed and starred in powerful propaganda films including Shakespeare s *Henry V* In 1943 the beautiful Vivien Leigh ruined her health by enduring the brutalities of the North African climate to entertain the troops in the desert Meantime Dirk Bogarde was a British Army intelligence officer seconded to the pioneering RAF Medmenham where he studied aerial photographs and pinpointed enemy targets for Bomber Command As Lieutenant van den Bogaerde he was posted to France just after D Day He went on to star in many leading war films such as *Appointment in London* 1953 and *King and Country* 1964 Years later in 1991 Sir Dirk Bogarde was interviewed by the author of this book He had witnessed the horrors of Belsen in April 1945 and said it changed his attitude to life forever In this book the author honors the real life stories of some big screen idols who showed true grit behind the glamor
