The True Story of Packer the Cannibal Stella M. Pavich, 2011-07-01

Growing up in America's Golden Age and Growing Old in the Age of AI James Ottavio Castagnera, 2025-01-15 As the title suggests Part One of this book chronicles the so called Golden Age of America from the perspective of a Baby Boomer growing up in the latter half of the 20th century The first ten chapters are designed to paint as clear a picture as possible of this alleged Golden Age by presenting vignettes from the author s own life complimented by commentaries that place these vignettes into a broader socio political context The intended result is a more balanced view of this time in history In Part Two the author draws a portrait of more recent times and endeavors to predict what lies ahead for all of us in the Age of AI In 1945 the technologies on the white magic side of the scientific spectrum contributed to the unprecedented prosperity of the half century of America s purported Golden Age In 2025 the author posits that the soon to be dominant technology we have labeled Generative Artificial Intelligence poses an existential threat to our prosperity and our democracy but also the potential following a likely

period of wrenching trials and tribulations for a new Golden Age **The Notorious Luke Short** Jack DeMattos, Chuck Parsons, 2015-06-15 Often times the smaller the man the harder the punch this adage was true in the case of diminutive Luke Short whose brief span of years played out in the Wild West His adventures began as a teenage cowboy who followed the trail from Texas to the Kansas railheads He then served as a scout for the U S Army during the Indian wars and finally he perfected his skills as a gambler in locations that included Leadville Tombstone Dodge City and Fort Worth In 1883 in what became known as the Dodge City War he banded together with Wyatt Earp Bat Masterson and others to protect his ownership interests in the Long Branch Saloon an event commemorated by the famous Dodge City Peace Commission photograph The irony is that Luke Short is best remembered for being the winning gunfighter in two of the most celebrated showdowns in Old West history the shootout with Charlie Storms in Tombstone Arizona and the showdown against Jim Courtright in Fort Worth Texas He would have hated that During his lifetime Luke Short became one of the best known sporting men in the United States and one of the wealthiest He had been a partner in the Long Branch Saloon in Dodge City as well as the White Elephant in Fort Worth He became friends with other wealthy sporting men such as William H Harris Jake Johnson and Bat Masterson who helped broaden his gaming interests to include thoroughbred horse racing and boxing Before he died he would become a familiar figure in Chicago Memphis New Orleans and Saratoga Springs where he raced his string of horses He traveled with other wealthy sporting men in private railroad cars to attend heavyweight championship fights Luke Short was always a little man dealing in big games He married the beautiful Hattie Buck who could turn heads at all the top resorts they visited as man and wife Jack DeMattos and Chuck Parsons have researched deeply into all records to produce the first serious biography of Luke Short revealing in full the epitome of a sporting man of the Wild West
