Opening the Iron Trail: Terry as a U. Pay. Man A Semi-Centennial Story Edwin Legrand Sabin, 2020-09-28

The rousing chant rang gaily upon the thin air of Western spring Sitting Jenny the old yellow mule for a moment s breather while the load of rails was being swept from his flat car truck Terry Richards had to smile Nobody knew who invented that song Some said Paddy Miles the track laying boss and it did sound like Pat At any rate the lines had made a hit until already their words were echoing from the Omaha yards the beginning of track past end o track and on through the grading camps clear to the mountains where the surveying parties were spying out the trail for this new Union Pacific Railroad across continent Time early in May 1867 Place end o track on the Great Plains just north of the Platte River between North Platte Station of west central Nebraska and Julesburg the old Overland Stage Station of northeastern Colorado Scene track laying a bevy of sweaty flannel shirted cowhide booted men working like beavers but with spades picks sledges wrenches and hands while far before were the graders keeping ahead and behind were the boarding train and the construction train puffing back and forth Aye this was a bustling scene here where a few weeks ago there had been open country traveled by only the emigrant wagons the stages and the Indians And yonder farther than the graders and out of sight in the northwest there were still more workers on the big job the location surveyors the path finding surveyors the but Terry s breather was cut short All right yelped the command from the front Terry s empty truck was tipped sideways from the single track A second little flat car hauled by a galloping white horse ridden by small red headed Jimmie Muldoon passed full speed bound to the fray with more rails Terry s own car was tipped back upon the track again one legged Dennis its conductor hopped aboard to the brakes and uttering a whoop Terry started to get another load himself Old Jenny headed down track by the path that she had worn the fifty feet of rope tautened with the truck rumbling after and Shep Terry s shaggy black dog romping alongside they tore for the fresh supplies Sitting bareback Terry rode like an Indian At the waiting pile of rails dumped from the construction train he swerved Jenny out and halted The light flat car rolled on until Dennis who had been crippled in the war stopped it with the brake Instantly the rail slingers there began to load it And presently Terry was launched once more for end o track with his cargo of forty rails to be placed lightning quick upon the ties Jimmie s emptied truck was tipped aside to give clearance Then Jimmie pelted rearward for iron ammunition and Terry had another breather That was a great system by which at the rate of a mile and a half to two miles and a half and sometimes three miles a day the rails for the Iron Horse were being laid to the land of the setting sun Beyond end o track the graded roadbed stretched straight into the west as far as eye could see with a graders camp of sodded dug outs and dingy tents breaking the distance At the tapering off place the ploughs and scrapers were busy building the roadbed Next there came the shovel and pick squads leveling the roadbed Next between end o track

and shovel squads there were the tie layers seizing the ties from the piles throwing them upon the roadbed tamping them and straightening them and constantly asking for more while six horse and six mule wagons toiled up and down hauling all kinds of material to the front La Reina de la Remolacha Louise Erdrich,2021-03-10 Louise Erdrich es la novelista estadounidense más interesante que ha aparecido en los últimos años Philip Roth Una mañana de primavera de 1932 Karl Adare y su hermana Mary llegan en un tren de carga a Argus un pequeño pueblo de Dakota del Norte cercano a una reserva india. Van en busca de su tía Fritzie casada con el carnicero del pueblo tras haber sido abandonados por su alocada madre. Al llegar Karl asustado corre de nuevo hacia el vagón Mary en sentido contrario hacia el pueblo. Volverán sus caminos a encontrarse. As comienza esta cautivadora saga envuelta en un sutil humor negro y una inaprensible atmósfera que se extiende a lo largo de cuarenta años en una pequeña comunidad rural unida por lazos de sangre oscuros secretos celos y violentas pasiones. La Reina de la Remolacha con sus variopintos y entrañables personajes a algunos de los cuales ya conocimos en Filtro de amor retrata de manera vibrante y luminosa el misterio de la condición humana y las costumbres de la América más profunda que empezaba a ser transformada por la industrialización.

No hubo culpa Blai Garrigues,2018-08-04 Mar a descubrir que existe algo peor que su propia muerte. La culpa. ¿Qué hay peor que saber que te queda poco tiempo en este mundo? Cometer un crimen y tener que cargar con la culpa en los momentos finales de tu vida. Isabel se encuentra felizmente casada con José y ahora más con la llegada a sus vidas de un precio: su bebé. Mientras que a María le diagnostican un tumor terminal de cerebro a sus cuarenta y nueve años, María regresa al pueblo donde nació a Alzira, donde tuvo una infancia feliz. Pero cometer un error, un accidente, cambiar sus planes. Se llevará por delante el cochecito del bebé de Isabel y huir de la escena del crimen. La culpa aparecerá en María a que desear que la muerte llegue cuanto antes para hacer desaparecer ese sentimiento. Isabel decidirá investigar por su cuenta el atropello de su bebé, pues se siente impotente cuando la policía no logra identificar al conductor del vehículo. Lo que ambas desconocen es que el destino hará que sus caminos se crucen con un giro perturbador.

Estos versos son escritos desde mi segundo exilio en donde mi pensamiento se ha forjado. Estos versos proyectan al hombre que ha descubierto que su patria y su musa solo son un abstracto en su mente el cual activa su existencia con los impulsos del corazón. María Jorge Isaacs,2023-12-18

María escrita por Jorge Isaacs es considerada una obra maestra de la literatura colombiana del siglo XIX. La novela narra la historia de amor entre Efraín y su prima María ambientada en el Valle del Cauca. Isaacs utiliza un lenguaje poético y detallado para describir paisajes exuberantes y sentimientos profundos creando así una atmósfera romántica y melancólica. La trama se desenvuelve en medio de conflictos familiares y sociales explorando temas como el amor prohibido y la tragedia inevitable. La estructura narrativa y el estilo son características del romanticismo hispanoamericano con influencias de la literatura europea de la época. Jorge Isaacs, escritor y poeta colombiano, se inspiró en sus propias experiencias y en la historia de su región natal para dar vida a

los personajes y escenarios de Mar a Su profundo conocimiento de la naturaleza humana y su sensibilidad artística se reflejan en cada página de la obra Isaacs logra capturar la esencia del romanticismo en la literatura latinoamericana elevando el género a nuevas alturas en la regina Recomiendo fervientemente Mar a a todo aquel interesado en la literatura romántica hispanoamericana y en las exploraciones emocionales y sociales que esta corriente literaria ofrece Esta obra perdura en el tiempo como un clásico inolvidable que conmueve y fascina a sus lectores con su profundidad y belleza **Hasta que deje de llover** Javier Martínez, Milo es timidamente introvertido y esconde sus heridas al mundo Axel es espontáneamente atrevido y si lo tiene miedo de sí mismo Su primer encuentro es tan ridículo como humillante pero durante su primer verano juntos les unir una intensa conexión que resiste al tiempo y la distancia Esta es una historia en la que chico conoce a chico pero uno es incomprendido y el otro no es correspondido Es un relato a través del tiempo que recorre cuatro momentos clave en las vidas de Milo y Axel Los dos pasan el corazón madura y los sentimientos cambian de forma Que ocurre cuando cumples un sueño y no es como esperabas Y si en realidad los sueños fueran una distracción que te aleja de lo que realmente necesitas **La**
