There is something mystical about holding the hand of a person who is crossing over. It can be heartbreaking, of course, but also very holy and beautiful. Some of the pieces in this collection share the experience of personal loss when a loved one dies. Often the presence of an angel or another mystical experience is shared. But not only in death, there are also stories here of the way the mystical world interacts with us in daily life. And not only angels, but also mothers, fathers, sisters, grandfathers, friends, and even a homeless man and a dog.
